Uncommon Cards - Jeanne Williamson
2013-06-25

The right greeting card is hard to find, but with the most basic sewing machine and a few recycled materials, you'll have cards for every occasion in a snap. With 52 sewn designs made

from easy-to-follow, straightforward instructions, you can show just how much you care with a beautiful, handmade creation: no sewing experience necessary! This DIY guide contains eight sheets of cardstock and basic stitch patterns that can be completed with nothing more than a needle and thread, either by hand or machine, transforming a blank card into a whimsical, inspired, one-of-a-kind design. The perfect expression for birthdays, graduations, or a simple thinking-of-you note, each design incorporates inexpensive and easy to find household items such as strips of fabric, brightly colored plastics, handmade stamps, and more. Even recycled items such as mesh produce bags and seed packets are put to new use to create truly one-of-a-kind cards!

Lovable Livable Home - Sherry Petersik
2015-09-22

This New York Times bestselling book is packed with thoughtful advice and inspiring photos to help you create a home filled with beauty and meaning. In the three years since Sherry and John Petersik wrote their bestselling book *Young House Love*, they have bought a new house and had a new baby, and they have seen their design perspective evolve right along with their family. In their latest book, they've set out to prove that just because you have kids or pets doesn't mean you're sentenced to floors overrun with toys or furniture covered in plastic. Through never-before-seen makeovers in the Petersiks' own house, doable DIY projects, and a gallery of other inspiring spaces, *Lovable Livable Home*

shows how beautiful homes can be functional too.
