Rose Publishing has produced one of the finest books I have ever seen. Every aspect of the charts, maps and time lines leaps off the page with spectacular color, incredible accuracy and intricate detail. . . . A must for every pastor and

teacher who wants to clearly present the truths of the Bible." --Dr. Jerry Falwell, Founder of Liberty University "A compendium of charts, time lines, lists and illustrations to accompany study of the Bible. This visually appealing resource provides a wide array of illustrative and textually concise references, beginning with three sets of charts covering the Bible as a whole, the Old Testament and the New Testament. These charts cover such topics as biblical weights and measures, feasts and holidays and the 12 disciples. Most of the charts use a variety of illustrative techniques to convey lessons and provide visual interest. A worthwhile example is 'How We Got the Bible, ' which provides a time line of translation history, comparisons of canons among faiths and portraits of important figures in biblical translation, such as Jerome and John Wycliffe. The book then presents a section of maps, followed by diagrams to conceptualize such structures as Noah's Ark and Solomon's Temple. Finally, a section on Christianity, cults and other religions describes key aspects of history and doctrine for certain Christian sects and other faith traditions. Overall, the authors take a traditionalist, conservative approach. For instance, they list Moses as the author of the Pentateuch (the first five books of the Hebrew Bible) without making mention of claims to the contrary. When comparing various Christian sects and world religions, the emphasis is on doctrine and orthodox theology. Some chapters, however, may not completely align with the needs of Catholic and Orthodox churches. But the author's leanings are muted enough and do not detract from the work's usefulness. As a resource, it's well organized, inviting and visually stimulating. Even the most seasoned reader will learn something while browsing. Worthwhile reference stuffed with facts and illustrations." --Kirkus Reviews

[The Holy Bible "Chronicle" of Sequential Biblical Events](#) - Robert Killian 2012-09-27

Most of us have wondered, sometime during our lifetime, about when Adam and Eve were really "expelled from paradise" in the Garden of Eden. Can we find a verifiable and replicable answer to this question? Most of us have questioned, sometime during our lifetime, the "accepted" sequential biblical timeline of Archbishop James Ussher who claimed that 4004 BC was the actual date for that initial biblical event in our current holy scriptures. Was he right? Most of us have questioned, sometime in our lifetime, how the Hebrew's "accepted" claim that 3761 BC could be the actual date for Adam's "expulsion." Were they right? Can we find a way to reconstruct the complete Hebrew Bible timeline, from Adam's "expulsion" from paradise to our day? Is this possible? Who believes that it can be done? Well, it has been done! Here, is how it is done! To reconstruct the Hebrew Bible timeline, we need to know only the simple math formula that they used! The employment of this simple formula shall enable us to rebuild that same sequential biblical timeline, block by block, in the exact same fashion that the Jewish people "use from the beginning," at Adam's "expulsion" from paradise, in the Garden of Eden. The formula used in reconstructing an "actual count" of the Hebrew Bible is found below:  $7 \times 7 = 49 \times 10 = 490 \times 10 = 4,900$  solar years  $7 \times 7 = 49 + 1 = 50 \times 10 = 500 \times 10 = 5,000$  lunar years Since both of these 49 solar, and 50 lunar, periods of time contain 18,200 days

(approx), we can then "post the number" of any given sequential biblical event in its designated year position on a side-by-side comparison chart. If we "post the number" in this fashion, it will show us exactly when and where, on the timeline chart, there is an error in the sequential computations of any sequential biblical event that is propounded by any biblical chronologist, past or present! In this present book, we find that the Ussher biblical timeline is 112 years "too early." And the Hebrew biblical timeline of Codex Judaica is 131 years "too late." Obviously, 3892 BC is the only "year number" that can work for a verifiable timeline! This book, The Holy Bible "Chronicle" of Sequential Biblical Events, by Robert P. Killian, is the fruit of over seventy-year search for that verifiable and replicable answer to the long-sought question: "Can the Ussher biblical timeline be trusted?"

The True Bible Timeline - R. Craig Bridgforth 2021-03-10

It is becoming increasingly popular among the intelligentsia to claim that treasured Bible history is nothing more than a myth. Proponents conclude that since the church is unsure of when these events transpired, perhaps they never happened in the first place.

Unfortunately, this alarming trend appears to be gaining more acceptance in our seminaries and churches. The True Bible Timeline seeks to dispel such notions by providing an accurate resource to properly date the Old Testament. The result of a five-year long project, it accurately establishes and painstakingly documents the dates of key Bible figures and events, starting with the Creation of Adam and ending at the Cross of Christ. The complete chronology for 200 Bible events is included in the appendix. Guided by His Wisdom, author R. Craig Bridgforth built this timeline through a meticulous process that allowed him to produce a trustworthy and accurate resource that will enrich studies of the Old Testament with new understanding and insight.

Developed almost entirely from Scripture, this reference guide provides a reliable chronology of events and figures from the Old Testament.

*Earth's Sacred Calendar* - Jim Liles 2014-04-01

The Real Age of the Earth is Revealed in the Old Testament "Earth's Sacred Calendar: The Dated Events of the Old Testament" catalogs more than 1,200 Old Testament events in chronological order with Scripture references and commentary. This unique Biblical research uses over 100 pages of charts to show how the 364-Day calendar, consistent with the Bible, generates the currently used Gregorian solar calendar. This book is the only Old Testament chronological commentary that gives the exact number of solar years from Creation Week in 4101 BC to the Birth of

Jesus in 5 BC that matches the Biblical text. Using only the dated years in the Bible, this research concludes that the real age of the earth is exactly 6,113 Gregorian solar years plus 14 days as of Sunday, November 3 in 2013 AD. Easily follow the events of the Old Testament with the only book that gives exact and estimated dates for Israel's Patriarchs, Noah's Flood, Joseph in Egypt, the Exodus, Joshua's conquest of Canaan, and the period of the Judges. The dated reigns of Israel's Kings and their Prophets are now accurately in sync with the Biblical text. The destruction of Jerusalem by Nebuchadnezzar in 526 BC and the 70 "completed" years of the Babylonian Exile, ending in 455 BC, are tied to the specific start date of Daniel's 70-Weeks Prophecy. Daniel's 483-years plus 285 days ends with the Crucifixion of Jesus on Nisan 14-Passover in 30 AD. This date in 30 AD is Friday April 5 on the Gregorian calendar. This 626-page picture-illustrated commentary clarifies many Biblical texts that have previously been confusing. If you have ever wanted to know the real age of the earth, "Earth's Sacred Calendar" is for you.

Mastering the Discipline of Bible Study - Jenai J. Rasmussen Ed.D. 2022-07-22

This work, along with the other volumes in the Foundational Knowledge

of the Bible series, can help those who are young in the faith to seek a Christian relationship with God. All who choose to enter into the new covenant must concurrently embrace a new perceptual field. By heeding God's call to service, believers embark upon a Christian journey to become wise from the application of spiritual knowledge. This is made possible with the indwelling of the Holy Spirit who guides covenant believers in the faithful word of God, which is the source of all spiritual truth in this world. The intended purpose presented in this plan of action is to speak the truth of God in love so that the brethren can learn godly discernment, be equipped with sound doctrine, and grow together in all things according to Christ's authoritative leadership (Eph. 4:15). By becoming covenant Christians set apart by God for his particular use, we can be diligent by precisely and accurately handling the word of truth (2 Tim. 2:15). This series can serve to edify and ground those who are new in the faith because the revelation of God provides all the essential answers to life's pressing spiritual questions, whether general or specific. Accordingly, Christ's disciples need to comprehend the questions before the answers can have real meaning. No greater reason can be given for studying the Bible. Therefore, the people of God are duty-bound to master this Christian discipline. The first volume in this series is divided into three phases of Bible study: "Why" addresses the importance of knowing God's word, study motivations, conditions for discipleship, Christian distinctions, and the attributes needed to study biblical truth. "How" covers preliminary actions, Bible versions, principles, study considerations, and necessary skills. "What" offers a unique sevenfold framework for understanding the Bible. Divine power can move the Scriptures to be more than words on a page. It can become a life-changing force for good in the world. To that end, this resource directs the reader on how to inquire, search, and ask diligently concerning godly truth. Invaluable information, accessible resources, clear educational materials, and deep biblical insights will all quickly serve to establish beginning students in the Sacred Text. This work will also prepare the reader to receive the Scriptures by learning how to obtain a faithful accounting of spiritual truth. To be sure, wisdom is the

result of applying biblical knowledge to our lives. By speaking divine truth in love, believers can grow together in Christ as fellow workers who labor in the word of God. There is no greater work in this world than to share this life-saving truth with others. The obligation of receiving divine knowledge requires that it be shared. Truly, giving the hope and joy that is found in Jesus Christ, and the message he brought from the Father, is the greatest privilege of a human life. Amen, and amen.

**Chronology of the Hebrew Bible** - Robert P. Killian 2012-08-10

Mr. Robert Paul Killians avid interest in biblical chronology has a history of over seventy years. The Killian family had visited the Natural History Museum and the La Brea Tar Pit in the Los Angeles area before his seventh birthday in June of 1939. Later, when the Killian family moved from Los Angeles to Grants Pass, Oregon, in early 1945, Bob continued to indulge his curiosity in the study of the biblical stories. He had enlisted in the US Navy Reserve during his last year at Grants Pass High School, graduating with the Class of 50. He then volunteered for two years active duty in the US Navy in late summer of 1951 to serve in the Korean Conflict. When that war ended in June of 1953, he was honorably discharged and chose to serve with the Grants Pass Naval Reserve Program for a total of eight years. That choice resulted in his being awarded a second honorable discharge from the US Naval Reserve in 1958.
