*Sprayed Concrete Lined Tunnels* - Alun Thomas  
2008-10-08

Practising engineers on site, in the design office or in client organizations will find this book an excellent introduction to the design and construction of sprayed concrete lined (SCL) tunnels. The complex behaviour of the early age behaviour of the sprayed concrete requires careful management. This book covers all aspects of SCL tunnelling - from the constituents of sprayed concrete to detailed design and management during construction. Although there is a close interdependence between all the facets of sprayed concrete, few

engineers have the right breadth of experience and expertise, and this urgently needs to be transferred to the wider engineering community. Disseminating essential information for tunnelling engineers, Sprayed Concrete Lined Tunnels is key reading for all involved in or studying the process.

*Smell and the Ancient Senses* - Mark Bradley

2014-12-17

From flowers and perfumes to urban sanitation and personal hygiene, smell—a sense that is simultaneously sublime and animalistic—has played a pivotal role in western culture and thought. Greek and Roman writers and thinkers lost no opportunity to connect the smells that bombarded their senses to the social, political and cultural status of the individuals and environments that they encountered: godly incense and burning sacrifices, seductive scents, aromatic cuisines, stinking bodies, pungent farmyards and festering back-streets. The cultural study of smell has largely focused on pollution, transgression and propriety, but the olfactory sense came into play in a wide range of domains and activities: ancient medicine and philosophy, religion, botany and natural history, erotic literature, urban planning, dining, satire and comedy—where odours, aromas, scents and stench were rich and versatile components of the ancient sensorium. The first comprehensive

introduction to the role of smell in the history, literature and society of classical antiquity, *Smell and the Ancient Senses* explores and probes the ways that the olfactory sense can contribute to our perceptions of ancient life, behaviour, identity and morality.

The Devil is Afraid of Me - Fr. Gabriel Amorth  
2020-02-20

"We can do nothing against you because you are too protected!" So declared a frustrated host of devils to Father Gabriele Amorth, the priest exorcist in Rome who spent thirty years battling the Devil and his minions by performing more than sixty thousand exorcisms. All the while, he deftly used modern media to awaken our disbelieving modern culture — and even the Church — to the reality of the Devil and his nefarious actions at all times and everywhere. In these eye-opening pages, angelologist Father Marcello Stanzione tells the fascinating story of Father Amorth and his life as an exorcist. You'll learn of his daily schedule and how he managed to perform dozens of exorcisms each week. You'll find out what his exorcism room looked

like, and how various devils responded to his bold practice. Best of all, you'll read Father Amorth's own startling explanations of many truths about the Devil that our culture has forgotten — and about the canny methods the Deceiver has adopted in recent years to corrupt believers and unbelievers alike. Among the many questions Father Amorth answers here are: - How can we recognize the action of the Evil One? -Can a person in the afterlife enter spiritually into a living person? -Which prayers of liberation are the most successful? -What are the four methods a demon uses to enter souls? -

Can demons hide from an exorcist? -What are the six characteristics of evil spells? -Are all instances of clairvoyance managed by demons? - Is an exorcist infallible in his judgment and his ministry? -Why is there no longer any possibility of salvation for the fallen angels? -What are the arms of combat that each of us must use to do battle with evil? -And many more surprising facts about the Evil One and how to resist him. "We can do nothing against you because you are too protected!" cried the devils that Father Amorth battled. Let Father Amorth teach you in these pages how you, too, can be protected!
