The Essentials of Academic Writing for International Students - Stephen Bailey 2015-06-26

Most international students

need to write essays and reports for exams and coursework, but writing good academic English is one of the most demanding tasks students face. The Essentials of Academic Writing for International Students has been developed to help these students succeed in their assignments—quickly! This course has a clear, easy-to-follow structure. In the first part, Process and Skills, each stage of the writing process is demonstrated and practised, from selecting suitable sources, reading, note-making and planning through to re-writing and proof-reading. Each unit contains examples, explanations and exercises, for use in the classroom or for self-study. The units are clearly organised to allow teachers and students find the help they need with writing tasks. The second part of the book, Elements of Writing, deals with key areas for improving accuracy, such as academic vocabulary, using numbers and punctuation. This section can be linked with the first part or

used for reference or self-study. All international students wanting to maximise their academic potential will find this practical and easy-to-use book an invaluable guide to writing in English for their degree courses. All elements of writing are clearly explained. Full range of practice exercises, with answer key included. Use of authentic academic texts and examples. Fully up-to-date, with sections on finding electronic sources and evaluating internet material.

CAEL Vocabulary

**Preparation Book - Exam
Sam 2018-01-28**

CAEL Vocabulary Preparation Book: Academic Vocabulary Improvement for the CAEL Test will help you excel on the CAEL exam. Many students fail to perform well on the CAEL test because they have poor vocabulary skills. Our CAEL vocabulary book contains the vocabulary you will see on the

CAEL exam. The book also includes the essential idioms and phrasal verbs that are often used on the examination. The vocabulary, idioms, and phrasal verbs in the book are divided into alphabetized sections, from A to Z. There are definitions and sample sentences for each vocabulary item. By using this study guide, you will learn whether each word is a noun, verb, adjective, adverb, or idiom. You will also learn the derivatives (words in the same family that can be formed by using a prefix or suffix) for each item of vocabulary that you are likely to see on the CAEL test. Most important, there are exercises at the end of each section of the study guide. The exercises will provide you with further practice in utilizing the vocabulary naturally in sentences, a skill which is needed for the exam. The book is ideal for self-study. You can check your answers to the exercises by looking at the answer key provided at the end of the book. Get a step ahead on the CAEL by learning all of
