Chocolate Chips and Cheaters - Cassie Rivers
2018-10-21

Don't be fooled. She may be sweet, but she's one smart cookie. As Kara Summer's second year of law school was coming to a close. Little did she know, her boring and predicable life was about to get turned upside down. When an answer key to an exam is found in the library, the accusations began to fly. When the professor discovers this unethical and crummy behavior, Kara is caught in the middle. The only way to defend herself is to figure out who the real culprit is. However, she may lose a person she loves in the process. Chocolate Chips and

Cheaters is the prequel novella short to Key Lime Crime, the first book in the Sunny Shores Mystery series. The Sunny Shores Mysteries series is set in the fictional town of Sunny Shores, Florida. Each book in the series is a light-hearted cozy stand-alone story, but has a larger story arc between books. All ages can enjoy the stories, because they have no swearing, naughty content, or graphic violence.

Profiles of American Colleges - Barron's Educational Series 2010-07-01

The latest information on enrollments, tuition and fees, academic programs, campus environment, available financial aid, and much more make the 29th edition of Profiles of American Colleges America's most comprehensive and authoritative source for college-bound high school students. Every accredited four-year college in the United States is profiled, and readers are directed to a brand-new Barron's Web site featuring a FREE ACCESS college search engine that presents exclusive on-line information to help students match their academic plans and aptitudes with the admission requirements and academic programs of each school. The book presents

profiles of more than 1,650 colleges, each profile including details on: • Admission requirements • Library and computer facilities • Admissions procedures for freshmen • Campus safety and security • Thumbnail descriptions of faculty • Requirements for a degree • Athletic facilities • Extracurricular activities • E-mail addresses • College fax numbers and web sites • Admissions Contacts • and more Schools are rated according to Barron's reliable competitiveness scale, which ranges from "Noncompetitive" to "Most Competitive." The book's tinted pages section presents an Index of College Majors that lists all available major study programs at every school. Also profiled are excellent colleges in Canada and several other countries, as well as brief profiles of religious colleges, and American colleges based in foreign countries.
