Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Trans Bodies, Trans Selves - Laura Erickson-Schroth 2014-05-12

There is no one way to be transgender.

Transgender and gender non-conforming people have many different ways of understanding their gender identities. Only recently have sex and gender been thought of as separate concepts, and we have learned that sex (traditionally thought of as physical or biological) is as variable as gender (traditionally thought of as social). While trans people share many common experiences, there is immense diversity within trans communities. There are an estimated 700,000 transgendered individuals in the US and 15 million worldwide. Even still, there's been a notable lack of organized information for this sizable group. *Trans Bodies, Trans Selves* is a revolutionary resource—a comprehensive, reader-friendly guide for transgender people, with each chapter written by transgender or genderqueer authors. Inspired by *Our Bodies, Ourselves*, the classic and powerful compendium written for and by women, *Trans Bodies, Trans Selves* is widely accessible to the transgender population, providing authoritative information in an inclusive and respectful way and representing

the collective knowledge base of dozens of influential experts. Each chapter takes the reader through an important transgender issue, such as race, religion, employment, medical and surgical transition, mental health topics, relationships, sexuality, parenthood, arts and culture, and many more. Anonymous quotes and testimonials from transgender people who have been surveyed about their experiences are woven throughout, adding compelling, personal voices to every page. In this unique way, hundreds of viewpoints from throughout the community have united to create this strong and pioneering book. It is a welcoming place for transgender and gender-questioning people, their partners and families, students, professors, guidance counselors, and others to look for up-to-date information on transgender life.

Billboard - 1987-12-26

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Music in the Western - Kathryn Kalinak 2012-05-22

Music in the Western: Notes from the Frontier presents essays from both film studies scholars and musicologists on core issues in western film scores: their history, their generic conventions, their operation as part of a narrative system, their functioning within individual filmic texts

and their ideological import, especially in terms of the western's construction of gender, sexuality, race and ethnicity. The Hollywood western is marked as uniquely American by its geographic setting, prototypical male protagonist and core American values. Music in the Western examines these conventions and the scores that have shaped them. But the western also had a resounding international impact, from Europe to Asia, and this volume distinguishes itself by its careful consideration of music in non-Hollywood westerns, such as *Ravenous* and *The Good, the Bad, and the Ugly* and in the "easterns" which influenced them, such as *Yojimbo*. Other films discussed include *Wagon Master*, *High Noon*, *Calamity Jane*, *The Big Country*, *The Unforgiven*, *Dead Man*, *Wild Bill*, *There Will Be Blood* and *No Country for Old Men*. Contributors Ross Care Corey K. Creekmur Yuna de Lannoy K. J. Donnelly Caryl Flinn Claudia Gorbman Kathryn Kalinak Charles Leinberger Matthew McDonald Peter Stanfield Mariana Whitmer Ben Winters The Routledge Music and Screen Media Series offers edited collections of original essays on music in particular genres of cinema, television, video games and new media. These edited essay collections are written for an interdisciplinary audience of students and scholars of music and film and media studies.

[African Americans in the Performing Arts](#) - Steven Otfinoski 2010

Provides short biographies of African Americans who have contributed to the performing arts.

The Encyclopedia of Musicians and Bands on Film - Melissa U. D. Goldsmith 2016-10-07 Musicians, both fictional and real, have long been subjects of cinema. From biopics of composers Beethoven and Mozart to the rise (and often fall) of imaginary bands in *The Commitments* and *Almost Famous*, music of all types has inspired hundreds of films. The *Encyclopedia of Musicians and Bands on Film* features the most significant productions from around the world, including straightforward biographies, rockumentaries, and even the occasional mockumentary. The wide-ranging scope of this volume allows for the inclusion of films about fictional singers and bands, with emphasis on a variety of themes: songwriter-band relationships, the rise and fall

of a career, music saving the day, the promoter's point of view, band competitions, the traveling band, and rock-based absurdity. Among the films discussed in this book are *Amadeus*, *The Blues Brothers*, *The Buddy Holly Story*, *The Commitments*, *Dreamgirls*, *The Glenn Miller Story*, *A Hard Day's Night*, *I'm Not There*, *Jailhouse Rock*, *A Mighty Wind*, *Ray*, *'Round Midnight*, *The Runaways*, *School of Rock*, *That Thing You Do!*, and *Walk the Line*. With entries that span the decades and highlight a variety of music genres, *The Encyclopedia of Musicians and Bands on Film* is a valuable resource for moviegoers and music lovers alike, as well as scholars of both film and music.

[Music in American Life: An Encyclopedia of the Songs, Styles, Stars, and Stories that Shaped our Culture \[4 volumes\]](#) - Jacqueline Edmondson Ph.D. 2013-10-03

A fascinating exploration of the relationship between American culture and music as defined by musicians, scholars, and critics from around the world.

Dynamic Duets - Bob Leszczak 2016-10-07 The second half of the twentieth century saw a great number of powerful vocal pairings as short-lived, but undeniably magical collaborations. With firsthand interviews from many of the artists, readers will enjoy the back story about which duos got along well and which did not, which stayed together or kept in touch, and vice versa. Arranged alphabetically from Bryan Adams to Dottie West, *Dynamic Duets* gives the back stories on all of the pairings that cracked Billboard's Top 40 between 1955 and the end of the century. The book includes photographs of many of the records and/or the performers, chart and label information, year of release, facts about the songs, and quotes from many of the performers, songwriters, and producers themselves. An appendix listing "Honorable Mentions" follows this book's large main section and consists of those twosomes that did not reach Top 40 (but simply couldn't be omitted), or those whose duet partners played more of a minor role. Baby boomers, vinyl collectors, music historians, and classic hits radio DJs will find *Dynamic Duets* a must for their music library.

Contemporary World Musicians - Clifford Thompson 2020-10-08

Music lovers, researchers, students, librarians, and teachers can trace the personal and artistic influences behind music makers from Elton John to Leontyne Price. Individual entries on over 400 of the world's most renowned and accomplished living performers, composers, conductors, and band leaders in musical genres from opera to hip-hop. Also includes an in-depth Index covering musicians of all eras, so that readers can learn which artists, alive or dead, influenced the work of today's most important figures in the music industry.

Bette Midler - Mark Bego 2002

This is a fascinating book that brings that brings to life the dynamic redhead.

Rock 'n' Film - David E. James 2017-10-23

"In the mid-1950s, rock 'n' roll amalgamated earlier black and white working-class musical traditions to displace the Great American Songbook's hegemony over Anglophone popular music. At the same time, the classic musical was both displaced and re-created in a new form of film: the rock 'n' roll musical. For the next two decades, the genre's evolution in the United States and the United Kingdom accompanied and sustained the emergence, flowering, and decay of a counterculture. Cinema was second only to records in the production of the new cultural gestalt that the music generated."-- [Source inconnue].

The Legacy of Opera. - Dominic Symonds 2013

The Legacy of Opera: Reading Music Theatre as Experience and Performance is the first volume in a series of books compiled by the Music Theatre Working Group of the International Federation for Theatre Research. The series explores the widening of the meaning of the term "music theatre" to reflect new ways of thinking about this creative practice beyond the genres circumscribed by discourses of theatre studies and musicology. Specifically it interrogates the experience of music theatre and its performance energies for contemporary audiences who engage with the emergence of

new expressive idioms, new performative paradigms, new technologies and new ways of thinking. *The Legacy of Opera* considers some of the ways in which opera's influence has informed our understanding of and approach to the musical stage, from the multiple perspectives of the ideological, historical, corporeal and artistic. With contributions from international scholars in music theatre, its chapters explore both canonic and experimental examples of music theatre, spanning a period from the seventeenth century to the present day.

Billboard - 1989-12-28

In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Risky Business - R. Serge Denisoff 2011-12-31

The role of motion pictures in the popularity of rock music became increasingly significant in the latter twentieth century. Rock music and its interaction with film is the subject of this significant book that re-examines and extends Serge Denisoff's pioneering observations of this relationship. Prior to *Saturday Night Fever* rock music had a limited role in the motion picture business. That movie's success, and the success of its soundtrack, began to change the silver screen. In 1983, with *Flashdance*, the situation drastically evolved and by 1984, ten soundtracks, many in the pop/rock genre, were certified platinum. Choosing which rock scores to discuss in this book was a challenging task. The authors made selections from seminal films such as *The Graduate*, *Easy Rider*, *American Graffiti*, *Saturday Night Fever*, *Help!*, and *Dirty Dancing*. However, many productions of the period are significant not because of their success, but because of their box office and record store failures. *Risky Business* chronicles

the interaction of two major mediums of mass culture in the latter twentieth century. This book is essential for those interested in communications, popular culture, and social change.

The Culture of the Sound Image in Prewar Japan - Michael Raine 2020-11-03

This collection of essays explores the development of electronic sound recording in Japanese cinema, radio, and popular music to illuminate the interrelationship of aesthetics, technology, and cultural modernity in prewar Japan. Putting the cinema at the center of a "culture of the sound image", it restores complexity to a media transition that is often described simply as slow and reluctant. In that vibrant sound culture, the talkie was introduced on the radio before it could be heard in the cinema, and pop music adaptations substituted for musicals even as cinema musicians and live narrators resisted the introduction of recorded sound. Taken together, the essays show that the development of sound technology shaped the economic structure of the film industry and its labour practices, the intermedial relation between cinema, radio, and popular music, as well as the architecture of cinemas and the visual style of individual Japanese films and filmmakers.

[The Cultural Life of James Bond](#) - Jaap Verheul 2020-09-25

The release of *No Time To Die* in 2020 heralds the arrival of the twenty-fifth installment in the James Bond film series. Since the release of *Dr. No* in 1962, the cinematic James Bond has expedited the transformation of Ian Fleming's literary creation into an icon of western popular culture that has captivated audiences across the globe by transcending barriers of ideology, nation, empire, gender, race, ethnicity, and generation. *The Cultural Life of James Bond: Specters of 007* untangles the seemingly perpetual allure of the Bond phenomenon by looking at the non-canonical texts and contexts that encompass the cultural life of James Bond. Chronicling the evolution of the British secret agent over half a century of political, social, and cultural permutations, the fifteen chapters examine the Bond-brand beyond the film series

and across media platforms while understanding these ancillary texts and contexts as sites of negotiation with the Eon franchise.

Billboard - 1998-03-28

Portraying Performer Image in Record Album Cover Art - Ken Bielen 2021-11-02

Ken Bielen argues that record album covers are used to authenticate the image of the performer in the music genre and as a tool to show transitions in image. He argues that specific music genres have unique signs that legitimate the recording artist.

On the Track - Fred Karlin 2013-07-04

Offers a comprehensive guide to scoring for film and television. Covering all styles and genres, the authors cover everything from timing, cuing, and recording through balancing the composer's vision with the needs of the film.

The Album - James E. Perone 2012

This four-volume work provides provocative critical analyses of 160 of the best popular music albums of the past 50 years, from the well-known and mainstream to the quirky and offbeat. *The Album: A Guide to Pop Music's Most Provocative, Influential, and Important Creations* contains critical analysis essays on 160 significant pop music albums from 1960 to 2010. The selected albums represent the pop, rock, soul, R&B, hip hop, country, and alternative genres, including artists such as 2Pac, Carole King, James Brown, The Beatles, and Willie Nelson. Each volume contains brief sidebars with biographical information about key performers and producers, as well as descriptions of particular music industry topics pertaining to the development of the album over

this 50-year period. Due to its examination of a broad time frame and wide range of musical styles, and its depth of analysis that goes beyond that in other books about essential albums of the past and present, this collection will appeal strongly to music fans of all tastes and interests.

Who's Who - Sheikh, M. A. 2012-04-26

I first met M.A Sheikh in the late nineteen seventies as my interest in music grew beyond that of mere appreciation. I was looking for people who could help in developing my taste further and on being recommended I went to visit M. A Sheikh who had an office in the basement of Radio Pakistan Lahore. With regular visits I came to know of the setting up of the Classical Music Cell and its dramatic downturn in fortune with the change of government. The Classical Music Research Cell had been shut down after martial law had been imposed in nineteen seventy seven as an unnecessary drain on the national expenditure. Since the hired premises had to be vacated the question remained as to what was to become of the music, manuscripts, books and some equipment which had been collected so assiduously in the past year. It was lugged from one premise to another till finally a more permanent place in the basement of the Lahore Radio Station was settled for. During this series of very grave crises a small team maneuvered to ward off all the palpable threats. These few individuals had as if almost vowed not to let the Cell be closed down or fall in UN deserving hands. Principally through M.A.Sheikh's efforts it managed to survive. I gradually came to appreciate the work being done by M.A Sheikh who really toiled for years in conditions which were far from ideal to save the collection of recorded material and the many rare and invaluable manuscripts which had been collected over time. .

Your Guide To Entertainment Marketing and Performance (Collection) - Al Lieberman
2013-08-08

Entertainment spending is soaring worldwide, driven by new technologies, new platforms, new business models, and unrelenting demand amongst seven billion consumers. That means entertainment marketing opportunities are soaring, too. But this business is more complex and competitive than ever-and it's changing at breakneck speed.
