*The Qur'an: English translation with parallel Arabic text* - 2010-04-08

The Qur'an, believed by Muslims to be the word of God, was revealed to the Prophet Muhammad 1400 years ago. Recognized as the greatest literary masterpiece in Arabic, the sacred text has nevertheless remained difficult to understand in its English translations. First published in 2004, M.A.S. Abdel Haleem's translation has been acclaimed for its success in avoiding archaism and cryptic language to produce a version that is both faithful to the original and easy to read. Now for the first time it is published with the original Arabic text to give a greater appreciation and understanding of the holy book. The traditional Arabic calligraphic pages are displayed alongside the English translation, which has been revised for this new edition. This fine binding edition features leather binding, gold page edges, a ribbon marker, and a slip-case. A useful general introduction on the revelation, stylistic features, issues of interpretation and translation of the Qur'an is included, together with summaries of each sura, essential footnotes and an index. The verses are individually numbered to facilitate comparison with the Arabic. It is an edition both for those familiar with the Qur'an and for those coming to it for the first time; the message of the Qur'an was directly addressed to all people regardless of class, gender, or age, and this dual-language edition is equally accessible to everyone.

**The Summoner's Tale** - Geoffrey Chaucer 1995

Part Seven Once reviled as an example of Chaucer at his most tasteless and omitted from some editions of *The Canterbury Tales*, this scatological anecdote has over time been accorded genuine admiration, first grudging and finally unabashed. As in *The Miller's Tale*, Chaucer has elaborated a simple fart joke into pungent satire against human foibles. Here too, through subtle references to religious lore, Chaucer transforms mere vulgarity into a truly clever jest and, in the opinion of

some critics, a serious commentary on important issues. The particular target of the tale's satire is a friar who is so blinded by greed, hypocrisy, and anger that he cannot see how others perceive him.

**Atti** - 1876

Includes a later edition of the Proceedings of the 1st congress: *Comprenant le sommaire des travaux de la première période et les mémoires in extenso de la seconde période.*

**Chaucer and his English Contemporaries** - Tony Davenport 1998-07-31

Modern ways of presenting Chaucer have often made his work seem 'normal' so that *The Canterbury Tales* and its much-studied General Prologue are seen as archetypes of narrative and prologue. Tony Davenport argues that study of Chaucer's major work alongside contemporary English poems reveals the odd and extreme aspects of Chaucer's writing as well as the daring and experimental qualities in his work. The focus of the book is on strategies of narrative and discourse, but also includes discussion of other much-studied Middle English poems.

**The English of Savitri - 6** - Shraddhavan

This is the sixth volume of the *English of Savitri* series, based on transcripts of classes led by the author at Savitri Bhavan, in this case from 23 June to 29 December 2016. The transcripts have been carefully revised and edited for conciseness and clarity, while aiming to preserve

the informal atmosphere of the course. This volume contains detailed explanations of the texts of the two closing Books of Sri Aurobindo's epic: Book Eleven - The Book of Everlasting Day and Book Twelve - Epilogue: The Return to Earth. Each sentence is examined closely and explanations are given about vocabulary, sentence structure and imagery. The aim is to assist a deeper understanding and appreciation of the poem which the Mother has characterised as 'the supreme revelation of Sri Aurobindo's vision'.

**The New Cambridge Bibliography of English Literature: Volume 1, 600-1660** - George Watson 1974-08-29

More than fifty specialists have contributed to this new edition of volume

1 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957, to add materials of the following decade, to correct and refine the bibliographical details already available, and to re-shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.
