Intercession - Ormonde Plater 1995

Intercession is an essential element of both public and private prayer. Using the Book of Common Prayer and the major elements of the Prayers of the People, Plater explains the construction of everyday litanies, collects, and

petitionary prayers, as well as the composition of intercessions for church seasons, holy days, and special occasions. Plater begins by looking at the roots of intercession in the Bible, history, and ancient belief and practice, and goes on to offer practical advice for creating corporate

intercessions in the local community. Intercession is a useful aid for liturgical study and planning for priests, pastors, deacons, lay ministers, and worship committees. Small prayer and intercessory groups will find it helpful for free-form prayer that is creative and flexible, yet grounded in prayerbook principles.

We Bring You Everything, and Tip it Out in Front of You - Neil Paynter 2017-07-10

Here, in the 'Celtic' tradition, are prayers from members, associates and friends of the Iona Community for the whole of life: for starting an engine, for keeping us engaged and on the road to God's Kingdom; for taking a daily walk, for refugees travelling dangerous seas; an Iona Abbey kitchen prayer for chopping carrots, making bread and sanitising surfaces, and a

Harvest supper prayer of sharing; prayers for personal healing, and for our deeply wounded world; a prayer for self-knowledge, and another for doing the laundry and remembering 'lost socks' ...Lord God ...we bring you everything, and tip it out in front of you ...And now we pause a while in silence, waiting for you to show us what we need to understand ...(from a prayer by Roddy Cowie)

The Book of Common Prayer, 1559 - Church of England 2005

John E. Booty's edition of The Book of Common Prayer, 1559, first published by the University Press of Virginia for the Folger Shakespeare Library in 1976 and long out of print, is now being reissued in the same format as the original edition. Booty's text derives from a rare copy of the Elizabethan Prayer Book printed by Richard Jugge and John Cawode in 1559, now part of the Josiah Benton Collection of the Boston Public Library. Booty modernized spelling and

punctuation but took care not to distort the style and cadence of the Elizabethan text. To place the Prayer Book in its original cultural setting, he wrote a lengthy critical essay that traces the book's history and use during the sixteenth century. Helpful bibliographical notes enable readers to appreciate all the nuances of particular services and their contents. Particularly useful are the general index and the index of biblical passages, features unavailable in other editions of the Prayer Book.

Western Plainchant - David Hiley 1995

Plainchant is the oldest substantial body of music that has been preserved in any shape or form. It was first written down in Western Europe in the eighth to ninth centuries. Many thousands of chants have been sung at different times or places in a multitude of forms and styles, responding to the differing needs of the church through the ages. This book provides a clear and concise introduction, designed both for those to whom the subject is new and those who require a reference work for advanced study. It begins with an explanation of the liturgies that plainchant was designed to serve. It describes all the chief genres of chant, different types of liturgical book, and plainchant notations. After an exposition of early medieval theoretical writing on plainchant, Hiley provides a historical survey that traces the constantly changing nature of the repertory. He also discusses important musicians and centers of composition. Copiously illustrated with over 200 musical

examples, this book highlights the diversity of practice and richness of the chant repertory in the Middle Ages. It will be an indispensable introduction and reference source on this important music for many years to come.

Christianization and Commonwealth in Early Medieval Europe - Nathan J. Ristuccia 2018

Christianization and Commonwealth in Early Medieval Europe re-examines the alterations in Western European life that followed widespread conversion to Christianity-the phenomena traditionally termed "Christianization". It refocuses scholarly paradigms for Christianization around the development of

mandatory rituals. One prominent ritual, Rogationtide supplies an ideal case study demonstrating a new paradigm of "Christianization without religion."

Christianization in the Middle Ages was not a slow process through which a Christian system of religious beliefs and practices replaced an earlier pagan system. In the Middle Ages, religion did not exist in the sense of a fixed system of belief bounded off from other spheres of life. Rather, Christianization was primarily ritual performance. Being a Christian meant joining a local church community. After the fall of Rome, mandatory rituals such as Rogationtide arose to separate a Christian commonwealth from the pagans, heretics, and Jews outside it. A Latin West between the polis and the parish had its own institution-the Rogation procession-for organizing local communities. For medieval people, sectarian borders were often flexible and rituals served to demarcate these borders. Rogationtide is an ideal case study of this

demarcation, because it was an emotionally powerful feast, which combined pageantry with doctrinal instruction, community formation, social ranking, devotional exercises, and bodily mortification. As a result, rival groups quarrelled over the holiday's meaning and procedure, sometimes violently, in order to reshape the local order and ban people and practices as non-Christian.

A Labyrinth Prayer Handbook - Sally Welch
2014-10-30

There is a rapidly growing group □ church leaders and lay people alike - who are interested in the labyrinth as an aid to prayer and reflection and who appreciate this form of

spirituality for its freedom and the unmediated space it offers. Many people on the fringes of mainstream church have found labyrinths to be a way to focus their prayers and explore their own spirituality in a non-judgemental and open setting. Following on from her introductory volume, *Walking the Labyrinth*, Sally Welch now offers an imaginative resource for all who use the labyrinth in their worship and spiritual practice. It includes ideas for using labyrinths in different settings, such as with children, those with learning difficulties, the elderly, in hospices, as part of a retreat and with seasonal emphases at different times of the year. It includes practical advice on how to create labyrinths in different settings and ideas for themed workshops and quiet days, suggestions for musical accompaniment and other aids.
