**Satan's Counterfeit Healing** - Lawrence E. Burkholder 2019-09-30

“The Christian church worldwide has been taken prisoner by Satan’s counterfeit healing.” This statement is based on the author’s personal experience, modest exposure to the Toronto Blessing, observation of parachurch healing

ministries, and extensive historical reconstructions. Satan’s Counterfeit Healing presents and evaluates Satan’s supernatural healing from the Paleolithic period (ca. 45000 BCE) to the contemporary church. The guiding thesis is that Satan and his demonic surrogates perform miracles which are evident as psi

paranormal phenomena. These manifestations include physical and exorcistic supernatural healings. Paleolithic and Neolithic periods produced Great Mother goddess worship and healing, which have persisted ever since. These idolatries, combined with OT nature gods, were a backdrop to Jesus' true miracles. For two thousand years of church history there's been a tug-of-war between true and false healing. Mother goddess as Mariological shrine healing joined with natural and demonic magic, and esoteric energy psi. Alongside these the Holy Spirit has raised up genuine healers and their ministries. Modern healing is marked by energy counterfeits and faith healing, the latter especially accompanied by trance, false prophecy, and psi transformations. True divine healing can be recovered when Christians repudiate nature gods, reject false prophecy, and restore proper eschatology.

**The Glory Within** - Corey Russell 2012-04-17  
Glorious Language And when Paul had laid

hands on them, the Holy Spirit came upon them, and they spoke with tongues and prophesied (Acts 19:6). The Glory Within is about the glory of the new birth, the indwelling Spirit, and your call to right now access the life of God within you—through speaking in tongues. And these signs will follow those who believe: In My name they will cast out demons; they will speak with new tongues (Mark 16:17). Many Christians don't realize the abundant, glorious benefits found in speaking in tongues. Realizing this gift brings you closer to God and your spiritual destiny in a variety of ways including: Engaging the revelatory realm of mysteries Edification Building a capacity for God Successful spiritual warfare Holiness And many other spiritual realities The lack of revelation of what you now possess and how to intimately access God may result in a less-than-fulfilling Christian experience and lifestyle. The Glory Within awakens your spiritual senses and inner spirit so you can become the person God created you to

be.

Christianity In Crisis: The 21st Century - Hank Hanegraaff 2012-06-18

Nearly two decades ago Hank Hanegraaff's award-winning Christianity in Crisis alerted the

world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith. But in the 21st century, there are new dangers—new teachers who threaten to do more damage than the last. These are not obscure teachers that Hanegraaff unmasks. We know their names. We have seen their faces, sat in their churches, and heard them shamelessly preach and promote the false pretexts of a give-to-get gospel. They are virtual rock stars who command the attention of presidential candidates and media moguls. Through make-believe miracles, urban legends, counterfeit Christs, and twisted theological reasoning, they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe: “God cannot do anything in this earthly realm unless we give Him permission.” “Keep saying it—‘I have equality with God’—talk yourself into it.” “Being poor is a sin.” “The Jews were not rejecting Jesus as Messiah; it was Jesus who was refusing to be

the Messiah to the Jews!” “You create your own world the same way God creates His. He speaks, and things happen; you speak, and they happen.” Christianity in Crisis: 21st Century exposes darkness to light, pointing us back to a Christianity centered in Christ. From the Preface: “Having lost the ability to think biblically, postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators. Pop culture beckons, and postmodern Christians have taken the bait. As a result, the biblical model of faith has given way to an increasingly bizarre array of fads and formulas.”

**I Believe in Visions** - Kenneth E. Hagin  
1972-11

"... I heard footsteps coming down the corridor toward my [hospital] room. I looked toward the door to see who it was, because it was only 6:30 -- too early for visitors. Someone dressed in

white came through the door and at first I supposed it was a nurse. "As I looked closer, I saw it was Jesus! It seemed as if my hair stood on end. Cold chill bumps popped out all over my body, and I couldn't say a word. "Jesus approached my bed and sat down on a chair. He was robed in white and had some sort of sandals on." This is how Rev. Kenneth E. Hagin describes the beginning of his sixth major vision of Jesus Christ -- an encounter in 1959 that lasted nearly an hour and a half. Rev. Hagin describes in fascinating detail all of his major visions of Jesus in the book *I Believe in Visions*. These visions have dramatically influenced Rev. Hagin's more than sixty years of ministry. In this book you will also discover: How God raised Rev. Hagin from a deathbed, Why the word "if" is the badge of doubt, How Satan influences lives today, In-depth details of other visitations from the Lord. Book jacket.

Who Needs a Comforter? - Charles E. Cilley Sr  
2007-07-01

BAND-AIDS FOR PEACE has something for everyone's pain. It is not all sad or all bad. It tells about realistic events from the cradle to the grave. There are events that will make you laugh, such as the sassy old lady in "Don't Mock Me Because I Am Old" and some that will make you cry, such as understanding the reasons in

the "Nightmare of Birth Defects Through the Eyes of a Baby." No one ever thinks of how the baby must feel who is born with birth defects. Every passage will leave you with a lasting impression. Some of the events are true stories of events witnessed by this author that left an impression of how one man can be inhuman to another. BAND-AIDS FOR PEACE has something for everyone's pain. Many of the events have a poetic swing to them, but every event tells a story. I attempted to give a message with each selection. The selections are in no chronological order. Yet, they span decades in a life of both joy and turmoil. You will find teens who see their parents as old and out of date, babies in pain crying for answers, and even men in prison who seek relief from the guilt they carry inside. You will see the struggle with answers when a loved one passes on and the joy of a couple in love. You will see images captured during Hurricanes Katrina and Rita that devastated the Gulf Coast region and left people homeless and crying for

answers. Then you will look into several religious selections for persons involved in the church. BAND-AIDS FOR PEACE attempts to both enlighten the reader and help to stimulate the mind in a search for more answers about oneself.

*The Eyes of Honor* - Dr. Ricky Edwards

2020-08-12

Honor has become a lost art in today's society. We see dishonor not only in the world but unfortunately in the church also. In 1 Samuel 2:35b, the Bible says, "for them that honour me I will honour, and they that despise me shall be lightly esteemed." God is very clear about honor, and the Bible has much to say about it. In the days of old, people were very honorable towards God and His things. However, there is a spirit of disobedience at work to relegate the things of and pertaining to God down to the unimportant and insignificant. In these times, we must find our way back to understanding honor and God's plan of favor on our lives. Honor is truly the

currency of Heaven and becomes the vehicle by which the blessing flows. This book illuminates the ways that many dishonor God. It has become so subtle that many are completely unaware of what is dishonorable. There are many truths that, when applied, the believer will begin to experience the blessing moving in ways that they have never seen before. When we master these precepts of being honorable, the flood gates of currency will begin to open, and uncommon favor is released into our lives. Honor truly is the currency of Heaven by which all heavenly business is transacted.

*Jesus Christ Superstition* - Robert M. Price

2019-09-04

Robert M. Price, a former Evangelical Christian, examines the confusing intersection of Christianity and superstition by asking questions. Is "practicing the presence of God" actually a variety of paranoia? Is having a "personal relationship with Jesus Christ" really akin to a child playing with an imaginary friend?

At what point does a religious belief become an obsessive neurosis? Price finds that the source of superstition in Christianity is the objectification of the transcendent. As a result, he argues, many of the most destructive superstitions within Christianity are inessential accretions to the faith, interfering with life-transforming piety to the glad benefit of many of Christianity's adherents. Christians who believe that an unexamined faith is not worth having will profit from struggling with Jesus Christ Superstition.

**A Different Gospel** - Dan R McConnell  
2011-12-22

The "name it, claim it" theology of the Word Faith Movement is presented as biblical--but is it? In this compelling book, McConnell documents the historical link between faith theology and New Thought metaphysics. He then analyzes faith theology's doctrines of healing and prosperity as well as its understanding of the atonement of Christ to show how they deviate from biblical teaching. This updated edition features a foreword by Hank Hanegraaff and an afterword by McConnell. Softcover from Hendrickson.

*Cristianismo en crisis: Siglo 21* - Hank Hanegraaff 2010-03-01

Sin cambio de percepción y perspectiva, la iglesia está en un horroroso peligro. El autor de

gran éxito de ventas, Hank Hanegraaff, dice que una tendencia peligrosa está haciendo estragos en el cuerpo de Cristo. A menos que se le detenga ahora, las consecuencias para el cristianismo podrían ser catastróficas. Hanegraaff atestigua que el verdadero Cristo y la verdadera fe de la Biblia están siendo reemplazados rápidamente por sustitutos enfermos que ofrecen un grupo de maestros que pertenecen a lo que se le ha calificado como el "Movimiento de Fe". Muchos en el mundo han sido engañados por lo que se podría llamar "cristianismo estilo comida rápida": un cristianismo grande en apariencias pero pequeño en sustancia y popularizado por figuras reconocidas como Joyce Meyer, Paula White, Creflo Dollar y otros. "No todo lo que promueven estos maestros es erróneo", dice Hanegraaff. "Pero es el error fatal mezclado con la verdad lo que hace que este movimiento sea peligroso". Este libro se enfoca en estos errores potencialmente mortales y está lleno de estudios

perspicaces de las Escrituras y sugerencias para la investigación personal.
