The Lutheran Confessions - Charles P. Arand 2012-04

In this important new volume, Arand, Kolb, and Nestingen bring the fruit of an entire generation of scholarship to bear on these documents, making it an essential and up-to-date class text. The Lutheran Confessions places the documents solidly within their political, social, ecclesiastical and theological contexts, relating them to the world in which they took place. Though the book is not a theology of the Confessions, readers will clearly understand the issues at stake in the narratives, both in their own time, and in ours.

[Hymn Stories for Children](#) - Phyllis Vos Wezeman 1995

the basic teachings of the Apostles' Creed are presented in combination with 30 classic hymns, learning activities, and craft exercises keyed to each hymn's theme. Includes craft sheets and instructions that can be easily duplicated for class use. The suggested story narration provides an attention-getting tool to teach the lesson theme and background of each hymn.

This book provides teachers and catechists with background material on the feasts, memorials, and solemnities on the universal calendar that honor Mary.

[The Apostles Creed In Light of Today's Questions](#) - Wolfhart Pannenberg 2000-06-19

"It is not enough to recite the Apostles' Creed; one must enter into its statements enquiringly, reflectively, critically." Today's Christian may repeat the Apostles' Creed Sunday after Sunday; but couched as it is in archaic language, its meaning is often lost to him. "In spite of that," says Dr. Pannenberg, "we can still repeat the creed in church without doing violence to our personal sincerity as long as we are able to adhere to the intention behind its statements." (Take from jacket cover.)

Parent/Teacher Handbook - Edward Buchanan 2006-04

Growing out of a conviction that we need to provide older children with a greater understanding of their Christian heritage and the Bible, Dr. Edward Buchanan has authored two resources that are both educational and biblically sound. Parent/Teacher Handbook: Teaching Older Children Everything They Need to Know About the Bible, volume 3 uses a chronological Bible story approach, giving leaders and teachers the core content and information needed to teach children about the Bible. Parent/Teacher Handbook: Teaching Older Children Everything They Need to Know About Their Christian Heritage, volume 4 covers the basics of our Christian heritage and faith including Jewish traditions, missions, hymnody, art, science, and ethics.

I Will With God's Help Leader Guide - Mary Lee Wile 2000-07-01

This confirmation program, developed with the help of Episcopal educators, clergy and theologians across the country, encourages youth and adults to enter into a uniquely Episcopal—yet profoundly Christian—faith journey. The easily-adapted format works for a traditional six- to twelve-week program, at a contemporary Confirmation retreat or conference, or as a sacramental supplement to other two- to three-year programs. I Will, with God's help, built entirely on the Baptismal Covenant from The Book of Common Prayer, offers seekers a solid reflection on Episcopal heritage and belief, together with the riches of Episcopal liturgy and prayer.

Teaching Activities Manual for the Catholic Faith Handbook for Youth - Steven McGlaun 2004

This teaching activities manual works with both the first and second edition of The Catholic Faith Handbook for Youth. The Teaching Activities Manual for "The Catholic Faith Handbook for Youth" is designed not as a curriculum but as a collection of activities to help teachers make their current curriculum more meaningful and effective. Each chapter coincides with a chapter in The Catholic Faith Handbook for Youth and includes several activities that address the chapter's themes. Themes include: The Creed, Liturgy and Sacraments, Christian Morality, Christian Prayer. Two appendices help teachers use the The Catholic Faith Handbook for Youth with their class. "Additional Resources" lists books, movies, and songs to use in class. "Prayer Experiences" is a collection of ten prayer services on themes present in the The Catholic Faith Handbook for Youth. The prayer services require minimal supplies and are designed to take 10 to 20 minutes.

Translation Activity in Late Byzantine World - Panagiotis Athanasopoulos 2022-09-05

During the late Byzantine period (1261-1453), a significant number of texts were translated from Latin, but also from Arabic and other languages, into Greek. Most of them are still unedited or available in editions that do not meet the modern academic criteria. Nowadays, these translations are attracting scholarly attention, as it is widely recognized that, besides their philological importance per se, they can shed light on the cultural interactions between late Byzantines and their neighbours or predecessors. To address this desideratum, this volume focuses on the cultural context, the translators and the texts produced during the Palaeologan era, extending as well till the end of 15th c. in ex-Byzantine territories. By shedding light on the translation activity of late Byzantine scholars, this volume aims at revealing the cultural aspect of late Byzantine openness to its neighbours.

Five Ancient Creeds: A Pastoral and Theological Critique - Edwin Walhout 2016-12-11

FIVE ANCIENT CREEDS - Apostles' Creed, Nicene Creed, Formula of Chalcedon, Third Council of Constantinople, Athanasian Creed. A pastoral and theological analysis of these creedal formulations from the ancient church. The only one acceptable as it stands is The Apostles' Creed.

The Apostles' Creed 'He Descended Into Hell' - 2018-08-07

Starting with a biblical view, The Apostles' Creed 'He Descended into Hell' covers the history of theology by discussing the ideas of Augustine, the liturgy of the Early Church, the role of Christ's descent in Franciscan spirituality and in the theology of Thomas Aquinas. It also asks whether similar theological ideas are present in Judaism. In addition, it gauges the meaning of Christ's descent for today by reflecting on pastoral activities and on computer games. To conclude, a fundamental theological reflection systematises and summarises all the material present within the volume.

Lessons Learned: The Anneliese Michel Exorcism - John M. Duffey

2011-07-13

In 1976, a twenty-three year old German girl, named Anneliese Michel, died following months of exorcism sessions. Despite the fact that she had been medically diagnosed with epilepsy and manic depressive psychosis, two priests conducted numerous exorcism sessions and ignored her mental, medical, and physical condition. Doctors would later state that her cause of death was starvation and dehydration. Unfortunately, Ms. Michel's tragic death due to misdiagnosed demonic possession and negligently applied exorcism was neither the first nor the last of such negligence to occur. Complete familiarity with the spiritual elements of demonical possession and attack is the sole focus of most demonologists, exorcists, and clerical members of Christianity. Few clerics have a sufficient understanding of psychiatric conditions that may mimic the symptoms of demonic possession. The result has been catastrophic for many innocent people over the centuries. The overlooking or ignoring of a person's medical and psychiatric condition is the primary culprit behind misdiagnosed possession and botched exorcisms resulting in death or serious bodily injury. Father John Duffey, a New American Catholic priest, exposes the truth behind the young girl's death and renders a standardized approach to properly investigating suspected demoniacal possession, determining the existence of possession, and in the safe execution of exorcism/deliverance acceptable to virtually all denominations of the Christian faith. This book brings psychology, medicine, faith, legality, and safety together for the first time in order to enhance evaluation accuracy, demonic expulsion, wellbeing for the afflicted, and safety for all involved parties.

The Teaching Ministry of Congregations - Richard Robert Osmer 2005-01-01

Church, Come Forth - Todd Hudnall 2015-10-02

The majority of American churches are stalled or in decline. Church Come Forth is a strategic model for renewing and revitalizing plateaued and dying churches into prevailing and growing congregations. Todd Hudnall combines Biblical insights, church revitalization research and his experience as a turnaround pastor to provide a guidebook for transformation. It is God's desire to renew His church and most church leaders will find this plan a Godsend in effectively revitalizing their congregations. Steve Pike, Director of the Church Multiplication Network says: Three words came to mind when I read Church Come Forth by Todd Hudnall - Biblical, Practical, Real. Biblical - A book about God's Church would be useless if not filled with wisdom from God's Book! Hudnall carefully makes the Biblical case for revitalization, unpacking scripture after scripture to lay a firm foundation for why and how a drifting church can once again join God on His mission. Practical -

Todd Hudnall is a seasoned and successful practitioner whose walk aligns with his talk. His counsel is based on the best research and his actual experience of applying that research. As a result, Church Come Forth is loaded with great advice that is tried and true. Real - Todd's honesty about his personal growing pains is refreshing. His diverse experience in churches small and large make his counsel relatable to every pastor. He writes as a pastor friend writing to a pastor friend. Church Come Forth is a must read for every leader of a plateaued or declining church.

Eighth-Day Discipleship - Richard H. Bliese 2022-04-19

Richard H. Bliese draws on historic architecture of eight-sided churches to call attention to an important but often overlooked emphasis on the eighth day of creation. Early Christians were focused on God's new creation that began in Christ's resurrection on Sunday, the first day of the week. But these Christians understood resurrection as the continuation of God's creative and redemptive activity. So the first day of the week became the eighth day of creation, and therefore the day of resurrection work and time to join with Christ in transforming the world. Christian disciples do this work by living out their baptismal vocations, especially in their daily work and through their ethical economic choices. The author turns to Martin Luther and the Reformation to outline an evangelical spirituality that invested in people and their vocations as worker-priests. Daily life, work, and family were underscored as the place where discipleship came alive. Bliese describes this as an architectural "design" for faithful living. He further draws on parts of Luther's Small Catechism (Ten Commandments, Apostles' Creed, and Lord's Prayer) as keys to this evangelical design. Five additional architectural designs for eighth-day disciples are included. The final chapter describes how eighth-day disciples are called to live by faith in freedom and responsibility. Making disciples today needs to revolve around a gospel story that links one's personal faith with one's work and economic life. Such faith gives us ears to hear God's unfolding drama and eyes to see the needs of the neighbor. The book includes a study guide for personal reflection and group conversation.

What's New about the Mass for Teens Teaching Edition - Maureen A. Kelly 2011-03-03
