African Development and Public Policy - Stuart S. Nagel 2016-07-27

This book analyzes various important aspects of methodology and substance regarding economic, social, and political policy in Africa directed toward achieving more effective, efficient, and equitable societal institutions. The chapters are authored by experts from within Africa and also from Africa research institutes elsewhere. The book combines practical policy significance with insightful causal and prescriptive generalizations. The emphasis is on the role of governmental decision-making and the important (but secondary) role of the marketplace, social groups, and engineering. *Ulrich's International Periodicals Directory - 1996*

Macquarie Dictionary Eighth Edition -

Macquarie Dictionary 2020-07-28

A Dictionary of South African English on Historical Principles - Rhodes University. Dictionary Unit for South African English 1996
A Dictionary of South African English is the fullest ever study of the English language in South Africa. The result of 25 years of work, this dictionary has been researched and written according to historical principles. However, as well as recording examples of South African English going back to the sixteenth century, the dictionary also provides an insight into the dramatic political and cultural changes in South Africa's history by examining the country's ever changing language right up to the present day. Research into language has involved the contributions of hundreds of individual South Africans, as well as extensive research into all other forms of the written and spoken language. Diverse and informative entries include robot (a

traffic light), bakkie (a small truck), bond (a mortgage), and brinjals (aubergines). The dictionary includes such areas as children's slang, the vocabulary of soldiers, the mines, local music terms, the townships, food, and a detailed look at the complex language of apartheid. English words originating from all the country's groups are recorded, including words from Dutch/Afrikaans, the Malayo-Indonesian languages, the Indian, Khoisan, Nguni, and Sotho languages.

Macquarie Dictionary Seventh Edition - Macquarie Dictionary 2017-02-28

'It is not just the meaning of a word but the feel of a word that counts. The end result when we wish to compile a list of these particular words is a dictionary that characterises us as a community.' Kate Grenville, international award-winning Australian author. The Macquarie Dictionary Seventh Edition -- Australia's National Dictionary is a comprehensive and up-to-date dictionary of Australian English. It covers words and meanings which are particular to our variety of English, as well as those common to the whole English-speaking world, with evidence sourced from corpus data. The Seventh Edition features thousands of new words and senses, such as grandcare, rumbler alarm, fitspiration, modest wear, cool burn, freecycle, grolar bear, digital tattoo, listicle, captain's call, robopoll, vamping, spiraliser and slackpacking. It also includes: · words and phrases from regional Australia · slang and colloquialisms · words from Aboriginal English · etymologies (word origins) ·

illustrative phrases, many from Australian literature, which clearly show how a word is used in context · valuable usage notes to clarify common language questions · a guide to punctuation · Foreword by Kate Grenville, international award-winning Australian author
The Macquarie Dictionary -- Australia's National Dictionary was first published in 1981, and is now both nationally and internationally regarded as the standard reference on Australian English.

Der lange Weg zur Freiheit - Nelson Mandela
2014-01-25

»Ich bin einer von ungezählten Millionen, die durch Nelson Mandelas Leben inspiriert wurden.« Barack Obama Eine fast drei Jahrzehnte währende Gefängnishaft ließ Nelson Mandela zum Mythos der schwarzen Befreiungsbewegung werden. Kaum ein anderer Politiker unserer Zeit symbolisiert heute in solchem Maße die Friedenshoffnungen der Menschheit und den Gedanken der Aussöhnung aller Rassen wie der ehemalige südafrikanische Präsident und Friedensnobelpreisträger. Auch nach seinem Tod finden seine ungebrochene Charakterstärke und Menschenfreundlichkeit die Bewunderung aller friedenswilligen Menschen auf der Welt. Mandelas Lebensgeschichte ist über die politische Bedeutung hinaus ein spannend zu lesendes, kenntnis- und faktenreiches Dokument menschlicher Entwicklung unter Bedingungen und Fährnissen, vor denen die meisten Menschen innerlich wie äußerlich kapituliert haben dürften.

Irish Nationalists and the Making of the Irish Race - Bruce Nelson 2013-12-26

This is a book about Irish nationalism and how Irish nationalists developed their own conception of the Irish race. Bruce Nelson begins with an exploration of the discourse of

race--from the nineteenth-century belief that "race is everything" to the more recent argument that there are no races. He focuses on how English observers constructed the "native" and Catholic Irish as uncivilized and savage, and on the racialization of the Irish in the nineteenth century, especially in Britain and the United States, where Irish immigrants were often portrayed in terms that had been applied mainly to enslaved Africans and their descendants. Most of the book focuses on how the Irish created their own identity--in the context of slavery and abolition, empire, and revolution. Since the Irish were a dispersed people, this process unfolded not only in Ireland, but in the United States, Britain, Australia, South Africa, and other countries. Many nationalists were determined to repudiate anything that could interfere with the goal of building a united movement aimed at achieving full independence for Ireland. But others, including men and women who are at the heart of this study, believed that the Irish struggle must create a more inclusive sense of Irish nationhood and stand for freedom everywhere. Nelson pays close attention to this argument within Irish nationalism, and to the ways it resonated with nationalists worldwide, from India to the Caribbean.
