Broadway Plays and Musicals - Thomas S. Hischak 2009-04-22

New York City's Broadway district is by far the most prestigious and lucrative venue for American performers, playwrights, entertainers and technicians. While there are many reference works and critical studies of selected Broadway plays or musicals and even more works about the highlights of the American theater, this is the first single-volume book to cover all of the activities on Broadway between 1919 and 2007. More than 14,000 productions are briefly described, including hundreds of

plays, musicals, revivals, and specialty programs. Entries include famous and forgotten works, designed to give a complete picture of Broadway's history and development, its evolution since the early twentieth century, and its rise to unparalleled prominence in the world of American theater. The productions are identified in terms of plot, cast, personnel, critical reaction, and significance in the history of New York theater and culture. In addition to a chronological list of all Broadway productions between 1919 and 2007, the book also includes approximately 600 important productions performed on Broadway before 1919.

Jesus, the Gospels, and Cinematic Imagination - Richard Walsh 2021-08-12

Jesus films arose with cinema itself. Richard Walsh and Jeffrey L. Staley introduce students to these films with a general overview of the Jesus film tradition and with specific analyses of 22 of its most influential exemplars, stretching from *La vie du Christ* (1906) to *Mary Magdalene* (2018). The introduction to each film includes discussion of plot, characters, visuals, appeal to authority, and cultural location as well as consideration of the director's (and/or other filmmakers') achievements and style. Several film chapters end with reflections on problematic issues bedeviling the tradition, such as cultural imperialism and patriarchy. To assist teachers and researchers, each chapter includes a listing of DVD chapters and the approximate "time" (for both DVDs and streaming platforms) at which key film moments occur. The book also includes a Gospels Harmony cataloging the time at which key gospel incidents appear in these films. Extensive endnotes point readers to other important work on the tradition and specific films. While the

authors strive to set the Jesus film tradition within cinema and its interpretation, the DVD/streaming listing and the Gospels Harmony facilitate the comparison of these films to gospel interpretation and the Jesus tradition.
