Easy Persian Phrasebook -
Reza Nazari 2014-06-03

Designed as a quick reference and study guide, this comprehensive phrasebook offers guidance for situations including traveling, accommodations, healthcare, emergencies and other common circumstances. A phonetic pronunciation accompanies each phrase and word. Easy Persian Phrasebook is designed to teach the essentials of Persian quickly and effectively. The common words and phrases are organized to enable the reader to handle day to day situations. The book should suit anyone who needs to get to grips quickly with Persian, such as tourists and business travelers.

Farsi Verbs Dictionary - Reza Nazari 2014-09-01

The verb is an essential element of Farsi language - only the nouns occur more frequently in the written and spoken language. Verbs have always been a major problem for students no matter what system or approach the teacher uses. Farsi verbs are usually found scattered in Farsi training books and they are

difficult to find quickly when needed. This dictionary was prepared for English people interested in Farsi language. With a stunningly array of more than 3,000 entries, it is an invaluable work of reference. The Farsi Verbs Dictionary is intended to serve as a guidebook on the meanings of all verbs you are most likely to read, hear, and use. The authors attempted to include all the verbs you are likely to need. The main form of each verb given in the dictionary is the accepted Iranian standard spelling. Although there is usually one way that most verbs can be spelled, sometimes other spellings are also acceptable. However, the spelling given as the headword is the most that most people use. The Bostan of Saadi - Saadi

2018-07-01

One of the Greatest Persian

Downloaded from
report.bicworld.com on by
guest

Books of All Time! Born in Shiraz, Iran, in 1184, Saadi is considered one of the greatest Persian poets of all time. Saadi's two books, the poetic Bostan, or Orchard (in 1257), and the prose Gulistan, the Rose Garden (in 1258), are regarded as supreme accomplishments of Persian literature. The Persian literature and culture are deeply indebted to Saadi's publications. The Bostan or Orchard is a description of Saadi's travels and analysis of human mindset. It contains a beauty of poetry that has had an enormous impact on Persian literature and Persian everyday language. As Hart Edwards (one of Bostan's translators) once said "This book is full of practical spiritual wisdom." Most of the stories in Bostan have pretty obvious moral lessons. It's a mine of proverbs, quotations and practical wisdom. The translation appearing in this book is provided by G. S. DAVIE, M.D. in 1882. This bilingual book can be useful for students and enjoyable for poetry lovers of

any age. Not only will poems improve your Persian language, but they'll help your understanding of Persian culture. Students will have ample opportunities to enrich their Persian learning experience and extend a range of language abilities through exploring these poems. The English - Persian Glossary at the end of the book can help Persian students better understand keywords in the poems. Enjoy reading one of the best Persian books in history! Ideal for self-study as well as for classroom usage. For Advanced Persian Learners. What Are You Waiting For? Get this book now and enjoy reading Saadi's greatest stories! Masnawi - Saadi 2018-07-01

One of the best known and

most influential works of Farsi literature! Maulana Jalaluddin Rumi (1208-1273) was a 13th-century Persian poet, a Sufi mystic and one of the greatest spiritual masters and poetical intellects. Rumi is a mysterious and provocative poet. He was a great preacher and scholar of philosophy, logic, and divine law. His mystical epics, the Masnawi and the Divan, are widely considered among the best poetry ever written and have been translated into many languages. Masnawi (Or Mathnawi) is one of the best known and most influential works of Persian literature and it also has acquired immense popularity in the west. The Masnawi is a series of six books of poetry that together amount to around 25,000 verses. It is a spiritual writing that teaches Sufis how to reach their goal of being in true love with God. Best Rumi's Quotes In this series of bilingual books, book one of Masnawi is provided in Farsi language with English translation. The English translation of the Masnawi appearing in this

Learn to Speak Farsi in 30 Days - Reza Nazari 2017-08

Learn speak Farsi faster than you ever thought possible! Can you learn Farsi language without learning the alphabet?Yes, you can! In fact, anyone can learn to speak Farsi language without reading its script. Now, you can learn Farsi language the way the children do. They can't read or write, they just pick the language up through immersion and context. Many Farsi learners think that It would probably be difficult (or impossible) to become fluent in spoken Farsi without being able to read the alphabet. In this book, you will learn that it's perfectly possible to reach a good conversational level without being able to read. Many Farsi speakers use the Roman alphabet when writing

in their dialect. This book uses the same method. You would technically be illiterate in Farsi, but you could learn to speak and listen. Designed for Farsi learners, this comprehensive and innovative book makes Farsi language more accessible to students by removing the formidable barrier of the Farsi alphabet. Learn to Speak Farsi in 30 days helps you learn speak Farsi faster than you ever thought possible. You only need to spend about 2 - 3 hours daily in your 30-day period in order to learn Farsi language at intermediate level. Whether you are just starting to get in touch with the Farsi language, or even if you have already learned the basics of the language, this book can help you accelerate the learning process and put you on the right track. Each section of the book contains 6 pages covering a comprehensive range of topics. Each day includes vocabulary, grammar and reading lessons. It gives learners easy access to the Farsi vocabulary and grammar

Farsi Grammar in Use - Reza Nazari 2014

Elementary Persian

Grammar - L. P. Elwell-Sutton 1972

Mr Elwell-Sutton's book provides a simple grammatical framework for contemporary written Persian. It is based on

the characteristic idiom and phraseology of the language as it is used in newspapers, magazines and novels. The student is introduced to Persian script from the first lesson. Words are fully vocalized in the early lessons, but vowels are progressively discarded; they are, however, shown in the vocabulary. The letter-forms of printed Persian are used cursive scripts. Although the structure of the language is Mr Elwell-Sutton's immediate concern, he has given close attention to the need for acquiring a workable vocabulary. The examples and exercises thus require only a limited vocabulary of words in fairly common use - about 1500 in all. The student is also given help with pronunciation; at the ends of lessons sample sentences from the exercises are printed with diacritics showing the intonation and stress of each syllable. At the end of the book there is a key to the lessons.

English for Farsi Speakers - Sayed Sadat Naqibullah 2020
"This book is for:ESL students

can use this book to improve their grammar and structure. Numerous exercises and answer keys in this book are particularly useful for reinforcing what you learn in each chapter. Native speakers of English who want to teach English as a second language can use this book as a teaching guide. It provides a step by step approach to teaching and learning English. The numerous exercises can be used by ESL teachers as classroom or homework activities. Other versions of this book with additional explanations in other languages may also be available for ESL students. If you learned another language as an adult or a juvenile, you are familiar with the challenges of learning a foreign language. This book is the result of learning and teaching English as a foreign language. It will help you put yourself in the shoes of a learner so you can help them learn the language easily. They say if you give a man a fish, you feed him for a day. If you teach a man how to

fish, you feed him for a lifetime. The spirit of this book is also similar. If you tell a student to memorize a sentence or a phrase, you are only helping him with that one sentence. However, if you teach him how to make sentences and phrases, he will be able to make hundreds and thousands of sentences and speak the language. In my experience, simply memorizing sentences and phrases does not lead to success in learning a language. My hope is that this book will provide a step by step approach by teaching structure and grammar which will lead to a successful and pleasant language acquisition.

Vocabulary lists begin each chapter. each list includes all the vocabulary used in the examples and exercises in the chapter. The vocabulary list is meant to be learned first so the student can use it throughout the chapter. The vocabulary list contains some of the most frequently used words in English. Grammar and structure is explained in both Farsi and English. Both can be

used depending on who is using the book. The English explanation of topics is intended for teachers and those who already speak some English. Exercises are the most important component of this book. They are presented after every new topic. They are designed to reinforce what is learned by the students. Exercise Answer Keys are a great tool for students to check how well they have learned a topic. It helps them with their self-study and mastery of each topic. It also enables students to work independently in case they don't have a teacher." --
