Breakthrough - Ken Braddy 2022-08-16

A church without discipleship is just a gathering. It is an important distinction that many pastors and leaders have known for years. In leading their churches well, pastors have provided a trustworthy curriculum, enlisted gifted teachers, and have made sure to offer times for members to gather and fellowship with each other. However, amid all these gatherings, one question kept popping up among leaders, "How do we know if what we are doing is working?" Over the years, leaders have tried to answer this question with numbers. If people attended these groups and seemed to enjoy the material, then they must be finding success. Ken Braddy, the director of Sunday school for Lifeway Christian Resources, felt that there had to be a better way to measure what matters. In *Breakthrough*, Ken guides leaders to measure their groups by observing if they are discipling each other, if they are caring for others in and outside of their group, and if they are engaging in acts of service. *Breakthrough* offers a new scorecard for leaders to not only track the progress of their groups but measure their success.

Biblical Interpretation and African Traditional Religion - Helen C. John 2019-05-15

In *Biblical Interpretation and African Traditional Religion*, Helen C. John juxtaposes grassroots biblical interpretations from Owamboland, Namibia, with professional interpretations of selected New Testament

texts, effectively demonstrating the capacity of grassroots interpretations to destabilise, challenge and nuance dominant professional interpretations.

Samuel, Son and Successor of Rees Howells - Richard A. Maton 2018-02-01

Updated in 2020. *Samuel, Son and Successor of Rees Howells: Director of the Bible College of Wales - A Biography* by Richard A. Maton. The ministry of Samuel Howells and the Bible College of Wales (BCW) have touched the lives of countless numbers of people all over the world. The author invites us on a lifelong journey with Samuel, to unveil his ministry at the College, life of prayer and the support he received from numerous staff, students and visitors, as the history of BCW unfolds alongside the Vision to reach Every Creature with the Gospel. In 1950, Samuel became Director of BCW when his father Rees Howells was taken into glory and he led the work for the next fifty-two years; living a life of faith and intercession. Samuel lived through a time of tumultuous change in the world, and oversaw the work of the Bible College and Emmanuel Grammar School as it sailed through six challenging decades. This biography remains as a historical record of the life of a great man of God, Samuel Howells, the Director of BCW, its four estates, school, and its worldwide ministry.

Josephus's Interpretation of the Bible - Louis H. Feldman 1999-01-18

Josephus (A.D. 37-?100), a pro-Roman Jew closely associated with the emperor Titus, is the earliest systematic commentator on the Bible, as well as one of the foremost historians of the beginning of the Christian era. Politically, Josephus was pro-Roman, and although he had no sympathy for extreme Jewish nationalism, he was a zealous defender of Jewish religion and culture. Louis H. Feldman examines the principles that guided Josephus in his understanding of the Bible, investigating his creative contribution in the rewriting of biblical accounts. This comprehensive study evaluates Josephus as a historian and demonstrates the originality and consistency of his work as an author. The first part of Feldman's work attempts to understand Josephus's purposes and techniques in retelling the Bible. The second part reviews Josephus's treatment of twelve key biblical figures. In addition to its reevaluation of an important early historian, this unique compendium provides a mine of information on the reassessment of the most important biblical figures.

Disciples of the Nations - Paul Sungro Lee 2021-02-25

Written by someone who lived and experienced cross-cultural mission proportionally each in America, Africa, and Asia, *Disciples of the Nations* provides readers both practical and scholarly models of the world mission in the context of global multiplication of discipleship and church planting. Field-tested and validated effective through empirical researches, Professor Paul Lee and the Evangelical Alliance for Preacher Training/Commission team expanded the kingdom of God into fifteen countries of Africa and Asia by producing thousands of disciples and planting over three hundred local churches through the multiplication of Christian leadership training. Lee shares the secret of the exponential growth in this unprecedented volume. This is a must-read for anyone aspiring to be used by God to manifest a kingdom-building lifestyle in cross-cultural contexts.

Themelios, Volume 34, Issue 1 - D. A. Carson 2015-02-16

Themelios is an international, evangelical, peer-reviewed theological journal that expounds and defends the historic Christian faith. Themelios is published three times a year online at The Gospel Coalition (<http://thegospelcoalition.org/themelios/>) and in print by Wipf and Stock. Its primary audience is theological students and pastors, though scholars read it as well. Themelios began in 1975 and was operated by RTSF/UCCF in the UK, and it became a digital journal operated by The Gospel Coalition in 2008. The editorial team draws participants from across the globe as editors, essayists, and reviewers. General Editor: D. A. Carson, Trinity Evangelical Divinity School Managing Editor: Brian Tabb, Bethlehem College and Seminary Consulting Editor: Michael J. Ovey, Oak Hill Theological College Administrator: Andrew David Naselli, Bethlehem College and Seminary Book Review Editors: Jerry Hwang, Singapore Bible College; Alan Thompson, Sydney Missionary & Bible College; Nathan A. Theology of Work Bible Commentary, 1-volume edition - Hendrickson Publishers 2021-10-05

This Theology of Work Bible Commentary is an in-depth Bible study tool put together by a group of biblical scholars, pastors, and workplace Christians to help you discover what the whole Bible—from Genesis to Revelation—says about work. Business, education, law, service industries, medicine, government—wherever you work, in whatever capacity, the Scriptures have something to say about it. Previously released in a boxed-set 5-volume edition, this version contains the complete content from that set in a single hardcover volume.

Religious Telescope - 1906

Dancing with Cinderella - Jeff Harlow 2017-11-24

Any vision that underestimates the importance of leadership transition is incomplete. After all, God's purposes have longer shelf lives than His leaders. *Dancing with Cinderella* outlines several core principles drawn from Jeff Harlow's leadership transition as the senior pastor of a church of over 3000 members. It serves to help other leaders navigate the organizational, relational, and emotional details of a leadership transition without losing momentum. It doesn't matter if you're the leader of a small or large church, old or plant church, traditional or contemporary church, obscure or iconic church; an unhealthy leadership transition hurts people and cripples mission. Jeff's story will help leaders, teams, and the members of a church think through the principles of transition as they prepare for the exit of a current pastor and the

entrance of their new leader. This book addresses many of the questions that a transition raises: • Why are transitions so hard? • What is really at the heart of the transition? • How do the objectives of a leader change after the transition starts? • How do departing leaders define future boundaries? In these pages you can discover how to do transition right, so you don't have to figure out why it went wrong.

The Encyclopedia of the Stone-Campbell Movement - Douglas A. Foster 2004

"Over ten years in the making, *The Encyclopedia of the Stone-Campbell Movement* offers for the first time a sweeping historical and theological treatment of this complex, vibrant global communion. Written by more than 300 contributors, this major reference work contains over 700 original articles covering all of the significant individuals, events, places, and theological tenets that have shaped the Movement. Much more than simply a historical dictionary, this volume also constitutes an interpretive work reflecting historical consensus among Stone-Campbell scholars, even as it attempts to present a fair, representative picture of the rich heritage that is the Stone-Campbell Movement."--BOOK JACKET.

Christian Basics Bible NLT - Martin H. Manser 2017

Finalist for the 2018 Christian Book Award for Bible of the Year. New to the Bible? Either because you have become a Christian recently, or because somehow the Bible seems to have passed you by? Then this edition is for you! Whether you are reading the Bible for the first time or not, its variety of material--not to mention its length--can seem overwhelming. It can be difficult for readers new to Scripture to explore its teachings and to see how Christian beliefs are established in its pages. But understanding both what we believe and why we believe it provides the foundation for a grounded Christian faith. The Christian Basics Bible is filled with features designed to help readers--especially those new to the Bible--connect biblical teachings to Christian beliefs and to see how those beliefs apply to their lives. By delivering the right amount of both information and application, The Christian Basics Bible can become the catalyst for living a vibrant Christian life.

Peloubet's Select Notes on the International Bible Lessons for Christian Teaching, Uniform Series - 1925

The Western Christian Advocate - 1904

Sunday-School Success - Amos R. Wells 2022-08-10

In these pages the author has described the methods of the most successful teachers and Sunday-schools he has known. While a large part of the book is the direct fruit of his own experience in Sabbath and secular schools, it sets forth, as every teacher will understand, what the author has learned from his failures rather than from his successes. Though the volume has something to say on all the great Sunday-school problems, it does not pretend to be a complete manual; indeed, who could prepare one on such a stupendous theme? If it justifies its appearance among the admirable treatises already published for Sunday-school workers, it will be because it presents with frankness the methods found helpful by an average teacher, who never had charge of a large school or a large class, but in district school, small college, and small Sunday-school has struggled with the practical problems of a teacher, and in some of them at least, like Sentimental Tommy, has "found a way."

Godly Business - Daniel S. Udrescu 2002-09

A Religious Encyclopædia, Or, Dictionary of Biblical, Historical, Doctrinal, and Practical Theology - Schaff 1883

The Palgrave Handbook of Heterogeneity among Family Firms - Esra Memili 2018-09-05

This handbook is the definitive source of research on the differences among family firms. It provides a timely and thorough investigation of the variant strategies and behaviors undertaken by family firms today, taking a closer look at different configurations of family involvement and how they influence outcomes and success. While studies on differences between family and non-family firms are deeply rooted in the literature, this handbook uniquely examines the family firm heterogeneity research to date and the inner firm governance, financial and non-financial objectives, and strategies such as innovation, competitive dynamics, internationalization, and human resources management. The handbook pulls together the work of the most prominent names in family business from around the world, separating itself from the competition both in content and geographical scope. Future research directions provided in each chapter will spark further interdisciplinary scholarly work, and will be enlightening for researchers, educators, and practitioners who are currently limited to the narrow and exclusive literature and advance the burgeoning research on this important topic.

Sunday-School Success - Amos Wells 2021-03-16

"Sunday-School Success" by Amos R. Wells. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Apostles of Reason - Molly Worthen 2013-10-01

Evangelical Christianity is a paradox. Evangelicals are radically individualist, but devoted to community and family. They believe in the transformative power of a personal relationship with God, but are wary of religious enthusiasm. They are deeply skeptical of secular reason, but eager to find scientific proof that the Bible is true. In this groundbreaking history of modern American evangelicalism, Molly Worthen argues that these contradictions are the products of a crisis of authority that lies at the heart of the faith. Evangelicals have never had a single authority to guide them through these dilemmas or settle the troublesome question of what the Bible actually means. Worthen chronicles the ideological warfare, institutional conflict, and clashes between modern gurus and maverick disciples that lurk behind the more familiar narrative of the rise of the Christian Right. The result is an ambitious intellectual history that weaves together stories from all corners of the evangelical world to explain the ideas and personalities—the scholarly ambitions and anti-intellectual impulses—that have made evangelicalism a cultural and political force. In *Apostles of Reason*, Worthen recasts American evangelicalism as a movement defined not by

shared doctrines or politics, but by the problem of reconciling head knowledge and heart religion in an increasingly secular America. She shows that understanding the rise of the Christian Right in purely political terms, as most scholars have done, misses the heart of the story. The culture wars of the late twentieth century emerged not only from the struggle between religious conservatives and secular liberals, but also from the civil war within evangelicalism itself—a battle over how to uphold the commands of both faith and reason, and how ultimately to lead the nation back onto the path of righteousness.

The Baker Illustrated Bible Commentary - Gary M. Burge 2015-04-07

As more and more Christians are involved in teaching in their churches, there is a need for an accessible, engaging commentary that can enhance their understanding of Scripture and aid their teaching. The Baker Illustrated Bible Commentary is that resource. This nontechnical, section-by-section commentary on the whole Bible provides reliable and readable interpretations of the Scriptures from forty-two leading evangelical scholars. The Baker Illustrated Bible Commentary is a complete revision of the well-known Baker Commentary on the Bible edited by Walter Elwell, now featuring new articles and vibrant full-color images on more than 1,800 pages, complete with photos, maps, and timelines to illustrate the text. This information-packed commentary helps readers gain a deeper understanding of the Bible. Beyond that, it includes practical applications for spiritual and personal guidance, making it invaluable to any believer seeking to get the most out of their Bible study. Pastors and others in teaching ministries looking for a one-volume, evangelical commentary on the Bible will value this resource.

Next - William Vanderbloemen 2020-04-21

Packed with new research, new interviews, and practical solutions, this updated and expanded edition of *Next* will equip pastors, ministry teams, and Christian organizations to navigate leadership changes with wisdom and grace. While there is no simple, one-size-fits-all solution to the puzzle of planning for a seamless pastoral succession, *Next* offers church leaders and pastors a guide to asking the right questions in order to plan for the future. Vanderbloemen, founder of a leading pastoral search firm, and Bird, an award-winning writer and researcher, share insider stories of succession failures and successes in dozens of churches, including some of the nation's most influential. The authors demystify successful pastoral succession and help you prepare for an even brighter future for your ministry. Includes a foreword by John Ortberg and an introduction by Eric Geiger and Kenton Beshore.
