Time - Briton Hadden 1987

Best of Norman Rockwell - Tom Rockwell 2005-09-27

Norman Rockwell's son, Tom, has put together the absolute finest collection of his father's bounteous body of work, illustrations that bespeak the golden glow of pre- and post-WWII Americana. Rockwell senior, who said he depicted life "as I would like it to be," chronicled iconic visions of American life: the Thanksgiving turkey, soda fountains, ice skating on the pond, and small-town boys playing baseball-not to mention the beginning of the civil rights movement. Now, the best-selling collection of Rockwell's most beloved illustrations, organized by decade, is available in a refreshed edition. With more than 150 images-oil paintings, watercolors, and rare black-and-white sketches--this is an uncommonly faithful Rockwell treasury. The original edition has sold nearly 200,000 copies.

Home & Away in Kentucky - 1980

Scouting - 1977-09

Published by the Boy Scouts of America for all BSA registered adult volunteers and professionals, Scouting magazine offers editorial content that is a mixture of information, instruction, and inspiration, designed to strengthen readers' abilities to better perform their leadership roles in Scouting and also to assist them as parents in strengthening families.

Your Intelligence Makeover - Edward F. Droge 2005-09-07

Have you ever wished you could give your mind an upgrade, just as you can give one to your computer, car, kitchen, or wardrobe? Or that you could remember all-important phone numbers or shopping lists without fumbling with multiple slips of paper? Or speed-read or do lightning-fast everyday math calculations? Or that you could be a Renaissance man or woman and dazzle your friends at dinner with your mastery of dates and

facts, artists and albums, presidents and policies? Now there is a way to give yourself this intellectual attention and improvement: With Your Intelligence Makeover you'll enjoy a makeover that is more than just skin deep. With this book's three-week master plan, you'll learn the skills you need to nip and tuck your own knowledge -- you'll double or triple your reading speed and dramatically improve your memory. Then you'll have access to a wide body of information to kick it up a notch and rise to a higher intellectual plane. Whether you want to start a new career, complete your education, brush up your cultural literacy, increase your knowledge of a favorite subject, or simply chat up friends, family, and associates with a fascinating array of anecdotes, you can use the easy-to-learn secrets of education specialist Dr. Edward F. Droge, Jr., to launch new chapters in your own life. A former New York City police officer who went to Yale in his thirties as an undergraduate and then on to Harvard to earn a master's and a doctorate, Dr. Droge reveals the "Super Tools," which he developed to fuel his own success, to help you create your unique, personalized makeover plan. Take the entertaining self-assessment quizzes to find the areas in which you need to brush up and then use the Super Tools to immerse yourself in virtually any subject. Filled with mind-expanding sidebars and a vast reservoir of resources for learning in multiple subject areas (including History, Literature, Grammar, Math, Art, Science, Sports, Music, and much more), Your Intelligence Makeover promises to put you on the right track to tapping the limitless power of your intelligence for satisfaction and gain.

Pres. Rhetoric, 15 - James J. Kimble 2006

"In Mobilizing the Home Front, James J. Kimble marshals archival documents, public appeals, and a wealth of internal memoranda, reports, and surveys to offer a new understanding of the government's eight war bond drives and the psyche of the nation at war. Kimble's revisionist perspective of wartime America also casts light on the continuing impacts of this propaganda effort on American culture today."--Jacket.

The Girl on the Magazine Cover - Carolyn L. Kitch 2001

From the Gibson Girl to the flapper, from the vamp to the New Woman, Carolyn Kitch traces mass media images of women to their historical roots on magazine covers, unveiling the origins of gender stereotypes in early-twentieth-century American culture.

Scouting -

Published by the Boy Scouts of America for all BSA registered adult volunteers and professionals, Scouting magazine offers editorial content that is a mixture of information, instruction, and inspiration, designed to strengthen readers' abilities to better perform their leadership roles in Scouting and also to assist them as parents in strengthening families.

Warman's Americana and Collectibles - Harry L. Rinker 1985-10

Get to Know Norman Rockwell - Charlotte Taylor 2015-12-15

American painter and illustrator Norman Rockwell is probably best known for his iconic Saturday Evening Post covers. Through captivating text detailing his life and photos of his work, this book will foster in readers a new appreciation for Rockwell. Art Smart boxes provide insight into Rockwell's methods and mediums.

The American Legion Magazine - 1984

Norman Rockwell - Laura Claridge 2001-12-18

Norman Rockwell's tremendously successful, prolific career as a painter and illustrator has rendered him a twentieth-century American icon. However, the very popularity and accessibility of his idealized, nostalgic depictions of middleclass life have caused him to be considered not a serious artist but a "mere illustrator"—a disparagement only reinforced by the hundreds of memorable covers he drew for The Sunday Evening Post. Symptomatic of critics' neglect is the fact that Rockwell has never before been the subject of a serious critical biography. Based on private family archives and interviews and publishes to coincide with a major two-year travelling retrospective of his work, this book reveals for the first time the driven workaholic who had three complicated marriages and was a distant father—so different from the loving, all-American-dad image widely held to this day. Critically acclaimed author Laura Claridge also breaks new ground with her reappraisal of Rockwell's art, arguing that despite his popular sentimental style, his artistry was masterful, complex, and far more manipulative than people realize.

Art Books 1980-1984 - R.R. Bowker Company 1985

American Mirror: The Life and Art of Norman Rockwell - Deborah Solomon 2013-11-05

A NEW YORK TIMES BOOK REVIEW NOTABLE BOOK OF THE YEAR A FINALIST FOR THE LOS ANGELES TIMES BOOK PRIZE IN BIOGRAPHY AND SHORTLISTED FOR THE PEN/JACQUELINE BOGRAD WELD AWARD FOR BIOGRAPHY "Welcome to Rockwell Land," writes Deborah Solomon in the introduction to this spirited and authoritative biography of the painter who provided twentieth-century America with a defining image of itself. As the star illustrator of The Saturday Evening Post for nearly half a century, Norman Rockwell mingled fact and fiction in paintings that reflected the we-the-people, communitarian ideals of American democracy. Freckled Boy Scouts and their mutts, sprightly grandmothers, a young man standing up to speak at a town hall meeting, a little black girl named Ruby Bridges walking into an all-white school—here was an America whose citizens seemed to believe in equality and gladness for all. Who was this man who served as our unofficial "artist in chief" and bolstered our country's national identity? Behind the folksy, pipe-smoking façade lay a surprisingly complex figure—a lonely painter who suffered from depression and was consumed by a sense of inadequacy. He wound up in treatment with the celebrated psychoanalyst Erik Erikson. In fact, Rockwell moved to Stockbridge, Massachusetts so that he and his wife could be near Austen Riggs, a leading psychiatric hospital. "What's interesting is how Rockwell's personal desire for inclusion and normalcy spoke to the national desire for inclusion and normalcy," writes Solomon. "His work mirrors his own temperament—his sense of humor, his fear of depths—and struck Americans as a truer version of themselves than the sallow, solemn, hard-bitten Puritans they knew from eighteenth-century portraits." Deborah Solomon, a biographer and art critic, draws on a wealth of unpublished letters and documents to explore the relationship between Rockwell's despairing personality and his genius for reflecting America's brightest hopes. "The thrill of his work," she writes, "is that he was able to use a commercial form [that of magazine illustration] to thrash out his private obsessions." In *American Mirror*, Solomon trains her perceptive eye not only on Rockwell and his art but on the development of visual journalism as it evolved from illustration in the 1920s to photography in the 1930s to television in the 1950s. She offers vivid cameos of the many famous Americans whom Rockwell counted as friends, including President Dwight Eisenhower, the folk artist Grandma Moses, the rock musician Al Kooper, and the generation of now-forgotten painters who ushered in the Golden Age of illustration, especially J. C. Leyendecker, the reclusive legend who created the Arrow Collar Man. Although derided by critics in his lifetime as a mere illustrator whose work could not compete with that of the Abstract Expressionists and other modern art movements, Rockwell has since attracted a passionate following in the art world. His faith in the power of storytelling puts his work in sync with the current art scene. *American Mirror* brilliantly explains why he deserves to be remembered as an American master of the first rank.
