Success in Practical/Vocational Nursing - E-Book - Patricia Knecht 2020-08-01

Get the proven guidance you need to succeed in both nursing school and professional LPN/LVN practice with *Success in Practical/Vocational Nursing, From Student to Leader*, 9th Edition. Focusing on must-have leadership and problem-solving skills, this unique, market-leading text covers the soft skills that are essential for success in nursing school, in the job market, and in professional practice. Topics build on each other in a logical manner, beginning with tools you'll need for success in class, continuing to the skills needed in LPN/LVN practice, and culminating in the higher-level roles and responsibilities of the LPN/LVN as a leader. The newest feature box on empowerment introduces you to the concepts of self-reflection, self-growth, and power to enhance your student experience and accomplish positive outcomes in nursing school and in practice. Additionally, like in previous editions, Critical Thinking and Try This! boxes are incorporated throughout this ninth edition to challenge you in thinking outside of the box to solve personal, academic, and professional situations. There are also practice review questions at the end of each chapter help you prepare for the NCLEX-PN® examination and chapters on Workforce Trends and Nurse State Practice Acts to help you easily move from the academic to the practice setting. With all its proven guidance and insight, this text is must-have for any LPN/LVN student wanting to find success in today's demanding healthcare environment.

Vault Career Guide to Nursing - Melinda Jenkins 2007

Revealing an exponentially growing demand for qualified nurses throughout the United States and global community, a resource for students interested in a nursing career draws on professional experience to address a wide range of topics, from candidate qualifications and industry trends to career management and the role of health-care policy. Original.

Career Planning in Nursing - Janie Brown Nowak 1984

The Journal of Continuing Education in Nursing - 1996

Nursing Delegation and Management of Patient Care - E-Book - Kathleen Motacki 2013-08-13

This dynamic resource is your guide to the latest information on the roles and responsibilities of the manager of patient care, core competencies required of nurses caring for patients, and a wide range of management concepts that nurses need to know before entering practice. With an emphasis on patient safety and evidence-based practice, it provides complete coverage of patient care management, leadership, information management, organizational planning, and human resources. Organized around the five major functional groups within health care organizations that nurses handle or frequently interact with — patient care management, leadership, information management, organizational planning, and human resources. Important content on the environment of care examines hospital safety and security issues including emergency codes, Safe Patient Handling and Movement and Materials Safety Data Sheets (MSDS). Evidence-Based boxes summarize current research and best practices for topics throughout the textbook. Clinical Corner boxes discuss practice process improvements made by nurses, including safe, effective practices used at their institutions and how they improve patient care. NCLEX® examination-style review questions at the end of each chapter offer valuable review and exam preparation.

Nursing Leadership and Management - Rebecca A Patronis Jones 2007-02-27

This comprehensive text explores the philosophy that all nurses are leaders who use creative decision

making, entrepreneurship, and life-long learning to create a work environment that is efficient, cost-effective, and committed to quality care. Broad and comprehensive coverage encompasses leadership and management theories and processes by synthesizing information from nursing, health care, general administration and management, and leadership literature. Activities teach them how to research decision-making data (participatory action research process) and analyze and make reliable choices in managing their work environment. Theory-based, scholarly yet practical, this is the most comprehensive and engaging baccalaureate text on the market.

Changing Patterns of Work in America, 1976 - United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Employment, Poverty, and Migratory Labor 1976

Starting Your Practice - Jean Nagelkerk 2005-10-28

This unique resource is an ideal career-planning guide for advanced practice students, recent graduates, and practicing nurse practitioners who want to expand their careers. It's filled with helpful guidelines and proven strategies for success in every aspect of NP practice, including certification and licensure, finding and negotiating a practice opportunity, and developing community and professional partnerships. Guidelines for completing the necessary requirements for certification and licensure Tips for finding and negotiating a practice opportunity Strategies for using available technology and tools, such as the internet and PDAs, to create a successful clinical practice environment Ideas for developing a community partnership by creating successful professional and clinical contacts in the community Practical advice on how best to market oneself and interview with potential employers Key information on establishing systems in practice, using tools to enhance clinical judgment, and other important responsibilities related to clinical practice A wealth of real-world examples, including resumes, collaborative agreements, contracts, business plans, billing and coding, and productivity flowcharts, provide essential resources for a successful practice

Ross-Kerr and Wood's Canadian Nursing Issues & Perspectives - E-Book - Lynn McCleary 2020-08-01

Get an in-depth look at where nursing's most timely issues and trends all began with Ross-Kerr and Wood's *Canadian Nursing: Issues & Perspectives*, 6th Edition. This extensively updated, engaging text examines the latest issues and trends in Canadian nursing, along with the history which laid the groundwork for where nursing in Canada is now and can be in the future. Comprehensive coverage includes everything from the development of the profession of nursing in Canada to discussions of nursing knowledge, nursing research, and the theoretical foundations of modern nursing. The authors also examine issues in the delivery of nursing care as well as nursing education, credentialing, standards of care, entry to practice, informatics, and much more. In addition to its relevant and cutting-edge content additions, this new dual-colour sixth edition boasts a wealth of new reader-friendly learning features, easy-to-follow explanations, consistent chapter formatting, and extensive visual updates to help you better engage with content and apply learning. Comprehensive coverage of Canadian-specific nursing issues includes Canadian statistics, research, and legislation. Wealth of reader-friendly in-text learning features include Apply Content Knowledge boxes that provide focused opportunities for reflection and discussion, and Research Focus boxes that highlight current research to help make content more applicable and relevant. UPDATED! Detailed references at the end of each chapter give you a direct path to further learning on a particular topic. Clear writing style, logical content organization, and consistent chapter formatting helps you better learn and retain complex chapter information. Thoughtful end-of-chapter features including chapter

summaries and critical thinking questions help you gauge your mastery of chapter concepts. NEW! Revamped two-colour layout improves readability and visual appeal. NEW! Expanded and updated art program incorporates more vivid and up-to-date photos, charts, and graphs throughout the text. NEW! Coverage of the latest top-of-mind topics hits on historical colonialism vis-a-vis Canada's Indigenous population and its impact on nursing education; how nursing education will respond to the Calls to Action set forth by the Truth and Reconciliation Commission (TRC); (MAID) Medical Assistance in Dying, and much more. NEW! Separate chapters on Indigenous health and gender allows for greater attention to be placed on cultural diversity, feminism, and men's roles. NEW! Personal Perspectives boxes start each chapter and present real-world topics and situations to pique your interest in chapter content and stimulate critical thinking. NEW! Case studies added across the text help you apply theory to practice. NEW! Gender Considerations boxes and Cultural Considerations boxes are threaded throughout all applicable text chapters to ensure you are well-grounded in how race, ethnicity, culture, and gender identity affects the patient experience. NEW! Balanced coast-to-coast Canadian coverage now includes the CAN 2017 Code of Ethics and updated CASN Standards.

Career Guide for Nurse Educators - Margaret Denise Zaneccchia 1988

Initiates the new nurse educator to the academic setting.

Foundations of Nursing - E-Book - Barbara Lauritsen Christensen 2013-12-27

Part of the popular LPN Threads series, this comprehensive text prepares you for safe and effective nursing practice in today's fast-paced healthcare environment. Covering maternal and neonatal, pediatric, geriatric, mental health, and community nursing, Foundations of Nursing, 6th Edition, includes all of the essential LPN/LVN content you need. Companion CD includes animations and audio clips depicting physiologic processes, physical assessment video clips, an English/Spanish glossary with definitions and audio pronunciations, an anatomy coloring book, and a fluid and electrolytes tutorial. The consistent, logical framework of the nursing process connects specific disorders to patient care. A mathematics review chapter provides a complete review of basic arithmetic skills and practice in drug dosage calculation to ensure safe medication administration. Safety Alert boxes help you implement The Joint Commission's safety guidelines in all settings, with considerations for special populations. Nursing Diagnosis boxes, screened and highlighted in the text, include nursing diagnoses for specific disorders paired with the appropriate nursing interventions. More than 100 skills in a step-by-step format with full-color illustrations present clearly defined nursing actions with rationales for the skills and techniques you'll use in practice. Medication tables are meticulously detailed and provide quick access to action, dosage, precautions, and nursing considerations for commonly used drugs. Nursing Care Plans, presented in a case-study format, emphasize patient goals and outcomes and end with Critical Thinking Questions to develop your clinical decision-making skills. Coordinated Care boxes emphasize parameters for prioritizing tasks, as well as assigning tasks to and supervising unlicensed assistive personnel. Patient Teaching boxes and Family Teaching boxes include post-hospital discharge guidelines and disease prevention instructions with a strong focus on three-way communication among the nurse, patient, and family members. Life Span Considerations for Older Adults boxes provide age-specific information for the care of the aging population, which is often the primary focus of the LPN/LVN nurse. Home Care Considerations boxes discuss the issues facing patients and caregivers in the home health care setting. Health Promotion boxes provide key information on staying healthy and preventing disease, with tips on wellness from Healthy People 2010. Cultural Considerations boxes discuss how to address the health needs of a culturally diverse patient population when planning care. Enhanced focus on the NCLEX® Examination offers end-of-chapter Get Ready for the NCLEX Examination! sections with key points for self-guided study and remediation and an extensive set of review questions for thorough self-assessment. Additional review questions on Evolve provide instant feedback with correct answer and rationale for even more test-taking practice. Evidence-Based Practice boxes summarize the latest research findings and highlight how they apply to LPN/LVN practice. Updated, vibrant full-color design highlights key information and enhances your understanding of important concepts.

How to Write the Perfect Federal Job Résumé & Résumé Cover Letter - Melanie Williamson 2011
Accompanying CD-ROM contains sample resumes and cover letters and several PDFs from USAJOBS.gov.

The New Nurse Educator, Second Edition - Deborah Dolan Hunt, PhD, RN 2017-10-28

Praise for the first edition from Amazon reviews: ". . . a wonderful resource for new and experienced nurse educators. This book contains valuable information on teaching, service, and scholarship. It also contains expert advice from well-known faculty. For example, Dr. Jean Watson and Dr. Geraldine Bednash. There is also a chapter on Mentoring by Dr. Connie Vance. I would highly recommend this book to all nurse educators." ". . . an excellent resource for both new and experienced educators. It contains a wealth of information on all aspects of nursing education with a focus on teaching, service, and scholarship. It also contains expert advice from seasoned nurse educators and faculty members. I would highly recommend this book to all current and aspiring nurse educators." This unequalled resource guides novice nurse educators step-by-step through the challenging process of transitioning from service to academe. It comprehensively addresses not only the fundamentals of teaching, evaluation, and curriculum development, but also the entire spectrum of skills and duties required of the nurse educator. This second edition delivers two new chapters devoted to the hospital-based educator, global health issues, and the future of nursing education. It includes new clinical teaching models and pedagogies and emphasizes the use of technology in a variety of teaching and learning strategies. Key updates examine the current and future nursing workforce, emerging and evolving nursing programs, and innovative trends in curricula design, along with new information on infectious diseases, genomics, and legal and ethical concerns. Based on the author's personal journey from nursing practice to academe, the text addresses ways to "test the waters" of the new role. It outlines preparation requirements and discusses learning styles, curriculum development, theoretical frameworks, cultural diversity, and students with learning disabilities. It addresses tenure and promotion, collegiality, service, leadership, mentoring, writing for publication, and scholarship.

Additionally, the text prepares students for the interview process and includes sample CVs, patient education handouts, and course objectives. Learning objectives, review questions, and case vignettes in each chapter, along with tables and bulleted information, further contribute to the text's value as an outstanding resource for both academic and hospital settings. New to the Second Edition: New chapter devoted to the role of the hospital-based educator New chapter on global health and education, health care policy, and the future of nursing education Noted experts discuss simulation, gaming and education, legal concerns, and global health nursing New clinical teaching models and pedagogies Emphasizes the use of technology Examines the current and future nursing workforce Emerging and evolving nursing programs Innovative trends in curricula design New information on infectious diseases and genomics Key Features: Provides highly practical, step-by-step information on all components of being a nurse educator/faculty member Helps nurses transition from service role to educator/faculty role Includes advice from novice and seasoned nurse educators, nurse leaders, and nursing theorists Includes learning objectives and review questions in each chapter Provides sample forms and documents for CVs and developing course content
A Guide for International Nursing Students in Australia and New Zealand - M. Bernadette Hally 2008

"A Guide for International Nursing Students is an essential resource for overseas nurses and international students of nursing in Australia and New Zealand. It assists the reader to develop essential communication skills for practice as a student and registered nurse in the region. A companion CD allows the reader to become familiar with authentic nursing conversations and nursing handovers."--Provided by publisher.

Diabetes Care - 1991

Nursing Resume: A Job Guide for Nurses - S.L. Page 2013-11-29

Nursing Resume: A Job Guide for nurses is a complete book package to help nurses find a job. This book is short and to the point, and the entire package includes 10 premium resume templates (see inside book for a preview), 10 premium cover letter templates (they match the resume templates), a few basic traditional resume templates, and a sample resignation (or two weeks' notice) template. All templates are in .docx format and are best edited in the Microsoft Word software. If you do not have Microsoft Word, you can usually download a free trial. Google Docs may also work; however, formatting errors may occur if you use other programs other than Microsoft Word. These templates must be downloaded online using information at the end of this book. Why Do You Need a Custom Resume Template? Your resume is the very first step in

getting a job. When you begin searching for a job, you'll ultimately be uploading or submitting resumes to various employers. If you turn in a poorly constructed resume—it could get tossed in the trash. You want a resume that will stand out and grab the hiring manager's attention. That's why I contracted a graphic designer to create 10 professionally designed resumes—all with nursing/healthcare themes. These resumes include all of the major sections. All you have to do is fill in your own information. They are completely customizable, and you can edit the text, add sections, or change them any way you want. You also get the 10 beautifully designed cover letters that match the resumes. You also receive a resignation template—for occasions when you need to leave your current job for a better opportunity. One resume template alone would be worth the price. However, you're going to receive all 10 professionally designed resume covers, along with cover letters and this short job guide. About the Book This book was designed to give you the information you need to strategically find a job. You'll get information on compiling your resume, tips on how and where to submit your resume, tips when sitting for an interview, tips on leaving your old job, and tips on advancing your career. This is not just a book—this is a job tune-up. The guide is short and to the point, and focuses on the information you need to start finding a job immediately. The author, S.L. Page, shares her insights into getting a job. She combines her personal experiences along with the advice of nurse managers she's spoken with through the years. What This Book Package Includes: -10 beautifully designed resume templates -10 matching cover letter templates -A resignation/two weeks' notice template - The paperback book (to help you find a job). Template Requirements Templates are in .docx format. It is best to use Microsoft Word to edit them. Google Docs, a free alternative, may work okay—but some minor formatting errors may occur. For absolute best results, we recommend using Microsoft Word to edit the templates. Template Licensing Terms The templates may be used an unlimited number of times for your own personal use. You may not resell, redistribute, or give away for free any of the templates included with this package.

Success in Practical/Vocational Nursing - E-Book - Signe S. Hill 2013-12-27

Part of the LPN Threads series, *Success in Practical/Vocational Nursing: From Student to Leader*, 7th Edition helps you develop the practical knowledge and problem-solving skills you need for a successful career as an LPN/LVN. This edition features up-to-date content that is logically organized with concepts that build on each other as you progress through the material. 1-2-3-approach walks you through the steps of what you need to do and how to do it. A separate chapter on critical thinking and plentiful critical thinking exercises encourage you to apply your knowledge to solve problems in both academic and personal situations. Coverage of Medicare helps you understand the costs of managed care, especially in long-term settings for older adults, and how it affects LPN/LVN practice and patients. Keep In Mind boxes prompt you to consider the underlying theme as you read the chapter. New Research and Evidence Based Practice chapter addresses topics commonly encountered in LPN/LVN practice. New technology content helps you understand the role of simulation in nursing education and the proper etiquette for using electronic devices. Content reflects the concepts contained in the most current NCLEX-PN test plan. Professional Pointers throughout the text offer valuable advice on expectations in the professional arena during and after nursing school. Revised chapter on Health Care Systems reflects the implementation of dramatic changes. Updated nutrition and dietary information includes new MyPlate information. The latest protocols from the NAPNES, including student confidentiality, keeps you updated on your national association's practice standards. Revised, updated, and expanded culture content allows you to provide culturally sensitive care.

Counseling the Nursing Mother - Judith Lauwers 2005

Counseling the Nursing Mother thoroughly covers counseling techniques and how style and approach can enhance interactions with mothers, and thus the effectiveness in helping them breastfeed. By presenting topics within a counseling framework, and including practical suggestions for working with mothers, the reader will gain insights into applying knowledge and research into everyday practice, as well as understand counseling challenges and how to meet them.

Hamric & Hanson's Advanced Practice Nursing - E-Book - Mary Fran Tracy 2018-01-03

Edited and written by a Who's Who of internationally known advanced practice nursing experts, Hamric and Hanson's *Advanced Practice Nursing: An Integrative Approach*, 6th Edition helps you develop an

understanding of the various advanced practice registered nursing (APRN) roles. This bestselling textbook provides a clear, comprehensive, and contemporary introduction to advanced practice nursing today, addressing all major APRN competencies, roles, and issues. It covers topics ranging from the evolution of advanced practice nursing to evidence-based practice, leadership, ethical decision-making, and health policy. New to this edition is expanded coverage of interprofessional collaborative practice, updated coverage of APRN roles related to implementation of healthcare reform in the U.S., updated and expanded coverage of IOM and QSEN, a global focus on international advanced practice nursing, and much more! Coverage of all APN core competencies defines and describes all competencies, including direct clinical practice, guidance and coaching, consultation, evidence-based practice, leadership, collaboration, and ethical decision-making. Operationalizes and applies the APN core competencies to the major APN specialties including the Clinical Nurse Specialist, the Primary Care Nurse Practitioner, the Acute Care Nurse Practitioner, the Certified Nurse-Midwife, and the Certified Registered Nurse Anesthetist. Content on managing APN environments addresses such factors as business planning and reimbursement; marketing, negotiating, and contracting; regulatory, legal, and credentialing requirements; health policy; and nursing outcomes and performance improvement research. UNIQUE! Exemplar boxes (case studies), including Day in the Life vignettes of each APN specialty, emphasize innovative practices and coverage of advanced practice roles. In-depth discussions of educational strategies for APN competency development show how nurses develop competencies as they progress into advanced practice. NEW and UNIQUE! Expanded coverage of interprofessional collaborative practice includes the latest Interprofessional Education Collaborative (IPEC) Core Competencies for Interprofessional Collaborative Practice. NEW! Updated coverage of APRN roles related to implementation of healthcare in the U.S. reflects current and anticipated changes in APRN roles related to healthcare reform. NEW! Coverage of IOM and QSEN has been updated and expanded. NEW! Refocused International Development of Advanced Practice Nursing chapter has been rewritten to be more global and inclusive in focus, to reflect the state of advanced practice nursing practice throughout all major regions of the world. NEW! Expanded content on the role of advanced practice nurses in teaching/education/mentoring and health policy related to the APRN role is featured in the 6th edition.

How to Pass Nursing School - S. L. Page 2013-11-25

"How to Pass Nursing School" is a comprehensive book that covers all of the important aspects of nursing school. Unlike other books on this topic, this book will tell you all about nursing school—from A to Z! Nursing students often enter nursing school not knowing what to expect, and sometimes find themselves struggling to pass. Some students even become discouraged to the point of questioning whether or not they should quit or pursue a different degree. This guide was written to give students tips to pass, and to tell them exactly what to expect when attending nursing school. The author, S.L. Page, BSN, RN, currently works as a cardiac nurse, and graduated from nursing school with honors. She passed the NCLEX test on her first try, and later went on to start a popular website, where she's helped thousands of people learn more about nursing. In this book, Sarah guides the reader through what to expect in nursing school from beginning to end, covering all of the things students can expect to face, and sharing all the tips, tricks, and resources she used along the way. Whether you're a current nursing student looking for ways to boost your performance, a high school student interested in preparing for nursing school, an adult looking to return for a nursing degree, or a recent graduate looking for tips to transition into your first job—this book can equip you with the tools and resources to help you succeed. Aside from this nursing school guide, you'll also receive a bundle of professionally designed resume and cover letter templates for submitting resumes after graduation, a printable weekly planner template to help you stay organized, and a printable flashcard template for making flashcards. All templates are in .doc or .docx format, and must be downloaded separately following instructions in the book itself. All of these resources are included with your purchase of "How to Pass Nursing School." These resources alone are worth the purchase price, but you'll get them free as a special gift when you purchase this book. It doesn't matter whether you know nothing about nursing school, or whether you're already in nursing school—this book has something for everyone. To see all of the topics covered in this book, use the "Look Inside" feature on Amazon. Here's just a sample of some of the topics covered: How to prepare for nursing school Tips for international students and returning

adults Different types of nurses and degrees (LPN, RN, etc.) Sample curriculum and classes Paying for nursing school (scholarships, financial aid, etc.) Saving money on textbooks Information on care plans, clinicals, and nursing skills Nursing entrance, mid-curricular, and exit exams Studying and test-taking strategies NCLEX Nursing career information Common nursing specialties Preparing for interviews Preparing resumes and cover letters (you'll receive cover letter and resume templates) Tips to get a job and advance in your career and more Who will benefit most from this book? "How to Pass Nursing School" will best benefit the following readers: Adults or international student interested in returning to nursing school, or becoming a nurse in the U.S.(this guide will tell you what to expect) High school students planning to enter nursing school (you'll learn what to expect and how to prepare) For current nursing students, this guide will offer study tips, NCLEX tips, how to save money on books, scholarship resources, and more. If you're about to graduate nursing school (or a recent graduate)--you'll benefit from the professionally designed resume templates and cover letters, and advice on finding jobs and performing well in interviews.

Foundations of Nursing E-Book - Kim Cooper 2018-10-23

Make sure you have the foundation you need to begin a successful nursing career! Foundations of Nursing, 8th Edition covers the skills needed for clinical practice, from nursing interventions to maternity, neonatal, pediatric, geriatric, mental health, and community health care. Guidelines for patient care are presented within the framework of the nursing process; Nursing Care Plans are described within a case-study format to help you develop skills in clinical decision-making. The accessible, friendly overall style and clearly written review questions also helps you prepare for the NCLEX-PN® examination! Clear coverage of skills across the human lifespan includes maternity, pediatrics, adults, and older adults. Full-color, step-by-step instructions for over 110 skills show nursing techniques and procedures along with rationales for each. Tenth grade reading level helps you to understand complex topics. Expanded and updated Cultural Considerations boxes explore specific health and cultural issues to help you address the needs of the increasingly diverse patient and resident populations. Skills are presented in a step-by-step format with clearly defined nursing actions and rationales. Mathematics review in Dosage Calculation and Medication Administration chapter covers basic arithmetic skills prior to the discussion of medication administration. Safety Alerts cover issues related to safe patient care in a variety of settings. Health Promotion Considerations boxes highlight information on wellness and disease prevention, including infection control, diet, and pregnancy. Nursing Care Plans emphasize patient goals and outcomes within a case-study format, and promotes clinical decision-making with critical thinking questions at the end of each care plan. Patient Teaching boxes include post-hospital discharge guidelines and disease prevention instructions with a strong focus on three-way communication among the nurse, patient, and family members. Communication boxes illustrate communication strategies using real-life examples of nurse-patient dialogue. Lifespan Consideration boxes provide you with age-specific information for the care of the patient. Home Health Considerations boxes discuss issues facing patients and their caregivers in the home setting. Get Ready for the NCLEX® Examination section at the end of each chapter provides Key Points, Review Questions, and Critical Thinking Activities to reinforce learning. Coordinated Care boxes promote comprehensive patient care with other members of the health care team, focusing on prioritization, assignment, supervision, collaboration, delegation, and leadership topics.

Success in Practical/Vocational Nursing - E-Book - Lisa Carroll 2022-06-08

Take an exciting journey to success in your LPN/LVN career! Emphasizing leadership and clinical judgment skills, Success in Practical / Vocational Nursing: From Student to Leader, 10th Edition helps you navigate your way through nursing school, examinations, the job search, and success in professional practice. It describes the building blocks essential to a successful career, such as critical thinking, ethics, effective communication, and an understanding of your role in the nursing process. Also useful are review questions to help you get ready for the NCLEX-PN® examination. Written by educators Lisa Falgiatore Carroll and

Janyce Collier, this edition adds new insight into the ways self-empowerment can help you achieve positive outcomes in class and on the job. Basic career information includes the value of the LPN, workforce trends, state regulations governing LPN practice, and insight into safe practice and NCLEX-PN® success. Learning features in each chapter include objectives and key terms with phonetic pronunciations, with definitions in the text and in the glossary. Storytelling narratives at the beginning of specific chapters use real-life scenarios to provide context for the topic. Get Ready for the NCLEX-PN® Examination section at the end of each chapter includes key points, critical thinking scenarios, additional learning resources, and review questions with answers at the back of the book. Test-taking and interview preparation tips prepare students to take the NCLEX-PN Examination and guide you through the job search, applications, and interviews — including electronic resumes. Critical Thinking boxes provide opportunities to practice problem solving. Coordinated Care boxes develop leadership and management skills with hints, tools, and activities. Keep in Mind boxes introduce the underlying theme of each chapter. Professional Pointers boxes give advice on nursing best practices in practice settings. Try This! boxes challenge students to imagine, visualize, and think outside the box. Full-color design makes this text visually appealing and easy to read. References cite evidence-based information and can be found in the back of the book. NEW! Next-Generation NCLEX® (NGN) Examination-style questions are provided at the end of each chapter. NEW! Empowerment boxes introduce tools that can affect positive outcomes in class, clinicals, and professional practice. NEW! Updated content includes delegation, preparing students for leadership positions immediately upon graduation, and the latest on clinical judgment.

The "Learning During School, for the NCLEX-PN, and Beyond" chapter includes new content on the role of simulation in nursing education and etiquette for electronic device use, such as cell phones and iPods. UNIQUE! The "Personal Health Promotion" chapter helps you provide a positive role model for patients with new content on MyPyramid, the benefits of exercise, personal steps to help prevent hospital-acquired infections, burnout versus stress, and tips for personal safety. UNIQUE! Culture content has been expanded content addressing the growing needs of patient care for special populations and to help students develop cultural sensitivity. Includes the latest protocols from NAPNES regarding standards of practice and educational competencies that LPN/LVN nursing students need to know.

Advances in Health Telematics Education - John Mantas 1998

Get a head-start! The Student Workbook, which contains all of the Assessments, Activities, and Worksheets from the Instructor's Resource Binder. Use it for classroom discussions, in-class activities, and group work.

Leadership Roles and Management Functions in Nursing - Bessie L. Marquis 2009

Now in its Sixth Edition, this foremost leadership and management text incorporates application with theory and emphasizes critical thinking, problem solving, and decision making. More than 225 case studies and learning exercises promote critical thinking and interactive discussion. Case studies cover a variety of settings, including acute care, ambulatory care, long-term care, and community health. The book addresses timely issues such as leadership development, staffing, delegation, ethics and law, organizational, political, and personal power, management and technology, and more. Web links and learning exercises appear in each chapter. An Instructor's CD-ROM includes a testbank and PowerPoint slides.

Today's Nursing Leader - Marilyn Klainberg 2010-08-24

This unique text is the perfect fit for courses in nursing management and leadership or for nursing capstone courses. It takes traditional topics and frames them within the authors' personal approach - based on years of preparing students for professional nursing practice. This book also discusses the many ways that nurses can become leaders, as well as the many roles they can take. The material has been organized and written especially for today's students and uses real-life vignettes to showcase leadership and humanize nursing leaders. The book covers such specific topics such as IT best practices, leadership theories, legal aspects, and development of strong leadership. The questions at the end of each chapter help focus the student to key points in the book and topics are intended to spark interest and encourage students to pursue leadership roles.

Ultimate Cover Letters - Martin John Yate 2018-08-03

Does your cover letter have the X factor? How can you make sure that it communicates what employers really want? Ultimate Cover Letters, from best-selling author and careers expert Martin John Yate, describes how to write the very best cover letters, helping you to open doors to job interviews and offers of employment, and outshine all other candidates. From the very popular Ultimate series, the book offers sound advice on assembling letters and how to use key 'power phrases' to get results, as well as over 100 sample letters to cover a variety of situations. These include e-mail responses to online applications, speculative letters, letters to answer advertised vacancies, follow-up letters, networking letters and even acceptance and resignation letters. Now including a chapter on how to develop your professional image and integrate it into your job search letter, Ultimate Cover Letters 5th edition covers all aspects of this crucial part of the job-hunting process in an engaging and approachable way, ensuring you put every chance of success by your side. Ultimate Cover Letters will help you make the perfect first impression. About the Ultimate series... The Ultimate series contains practical advice on essential job search skills to give you the best chance of getting the job you want. Taking you all the way from starting your job search to completing an interview, it includes guidance on CV or résumé and cover letter writing, practice questions for passing aptitude, psychometric and other employment tests, and reliable advice for interviewing.

The Nurse Professional - Deborah Dolan Hunt, PhD, RN 2014-10-24

"Nursing school did not adequately prepare me for this role" and "Why didn't anyone tell me about this

when I was a student?" are commonly heard complaints from new nurses during their first two "rite of passage" years following graduation. But this transition to professional practice—fraught with challenges, anxiety, triumphs, and tears—does not have to be so difficult. The Nurse Professional helps novices prepare for their transition into a "real world" role from being a student through graduation, NCLEX success, job search, first job, and beyond. It is the only book to cover all of the steps that new nurses must take to ensure a smooth transition into the professional role. The author is a nurse educator and mentor with extensive experience in recruiting and orienting nurses. Dr. Hunt is also co-founder of the Nurse Advocacy Forum, providing advocacy, support, networking, professional development, leadership, and mentoring to students and new graduate nurses. She offers sound advice regarding the most current issues facing new nurses and practical strategies for obtaining a job of one's choice, describes steps to take well before graduation to ensure a smooth transition to professional practice, and addresses the various indicators of academic achievement that are required for employment at some nursing facilities. She also discusses the benefits of externships, internships, professional development, and networking, how to develop a winning portfolio, and how to successfully transition into professional practice. This book provides information on workplace bullying and how to deal with it; the importance of self-care, self-advocacy, and networking; writing a résumé; interview skills; and much more. "Top 10 Tips" in each chapter concisely highlight important topics. Samples of useful forms and documents are available in chapter appendices. A PowerPoint presentation and templates for role play/simulation scenarios for faculty use are also available. Key Features: • "Top 10 Tips" in chapters concisely highlight important topics • Samples of useful forms and documents are available in chapter appendices • Delivers specific, practical strategies and exercises for a successful transition and entry into practice • Written by an experienced nurse/educator and nurse mentor who has extensive experience regarding how new nurses transition into practice
Practices - Springhouse Corporation 1984

The New Nurse Handbook - Jay Nichols 2019-09-17

After my first year as a new graduate nurse I felt inspired and encouraged to continue on in my professional career, unfortunately, that isn't the case for everyone. Nearly 1 in 5 nurses leave the profession after their first year, I don't want that to be you! I have created this guide to help you be well prepared in securing that new job, managing your work environment, caring for yourself and handling all the challenges that can seem overwhelming for new grad nurses during their first year! Your journey will be paved with moments of great joy and even immense sorrow, you will develop a deep appreciation for life and a respect for death. I personally want to welcome you in into the nursing profession and wish you immense success as you follow and pursue your dreams.

Creative Teaching Strategies for the Nurse Educator - Judith W Herrman 2019-10-22

Be more creative in any setting. Here are nearly 200 practical, relevant, and easy-to-implement teaching strategies that will help engage your students in any classroom setting. Dr. Judith Herrman offers techniques gathered over many years from her own teaching experiences that are adaptable to personal teaching content, meet the needs of a variety of learning styles, and demonstrate innovation in nursing education.

Foundations and Adult Health Nursing - E-Book - Kim Cooper 2022-02-23

Build the nursing knowledge and skills you need to care for patients of all ages! Combining two leading LPN/LVN textbooks into one volume, Foundations and Adult Health Nursing, 9th Edition covers the fundamental skills and medical-surgical content essential to providing quality care for patients across the lifespan, including pediatric, maternity, adult, and older adult patients. Case studies provide practice with critical thinking and clinical judgment, and new Next Generation NCLEX®-format questions help you apply theory to practice. Written by nursing educators Kim Cooper and Kelly Gosnell, this text also helps you prepare for success on the NCLEX-PN® examination.

Foundations and Adult Health Nursing - E-Book - Barbara Lauritsen Christensen 2013-12-27

Part of the popular LPN Threads series, this comprehensive text includes in-depth discussions of fundamental concepts and skills, plus medical-surgical content to help you provide safe and effective care in the fast-paced healthcare environment. Easy-to-read content, an enhanced focus on preparing for the

NCLEX® Examination, and a wealth of tips and study tools make Foundations and Adult Health Nursing, 6th Edition, your must-have text!

Career Coach - Getting The Right Job Right Now! - Linda Conklin 2008-10-01

Consider this Fact: Did you know that you will likely change jobs a minimum of 7 times during your career? That's mind-blowing. Finding a job that you like can be an overwhelming process. It's like searching for a needle in a haystack. Would you like to understand the secret methods behind the madness? That's only the tip of the iceberg. I hate to say this but Corporate restructuring, Global competition, and inevitable change have had an immense impact on the way we all live and work. That's because lifetime employment with just one employer is a thing of the past. That could be considered bad news. But the good news for you is that the Career Coach Guide can help you eliminate many of the bumps in the road that you will encounter. This straight to the point book is jam packed with 112 pages of common sense strategies, clever tips, and useable examples. You can gain a better advantage right now for less than the cost of dinner and a movie. You will be impressed with your copy of this book.
