**The Daniel Dilemma Study Guide** - Chris Hodges 2017-10-17

As Christians, we have real hope in Jesus that we have been called to share with others. But how we share that hope makes a difference. In a world that rejects everything we believe, we face a dilemma: how do we walk closely with God without caving in to pressure or alienating those we want to reach? In this six-session video Bible study, Chris Hodges looks at the lives of both Daniel and Jesus, showing how we can stand for

our biblical beliefs without being hostile or insulting to others. We can stand up for God's truth in a morally corrupt culture—while still loving others—because the goal is never about winning the argument but about winning hearts. As Jesus demonstrated, when we connect with others before we correct them, we can handle the hard questions without compromising God's grace or truth. Chris offers fresh insights and practical ideas to encourage Christians struggling with their cultural reality to hold God's standards high and to keep his grace deep—just as Jesus did, and just as his followers today are called to do. The Daniel Dilemma Study Guide includes video discussion questions, Bible exploration, and personal study and reflection materials for in-between sessions. Sessions include: In the World but Not of It Identity Theft You Are What You Worship Who's the Boss? Divided, Distracted, and Disturbed What the World Needs Now Designed for use with the Daniel Dilemma Video Study (sold separately).

**Study Guide to John E. H. Sherry, "The Laws of Innkeepers, Third Edition"** - Gwen Seaquist 2018-10-18

Here is the new, completely updated and expanded edition of the indispensable handbook used throughout the hospitality industry since The Laws of Innkeepers first appeared in 1972. Containing all the legal information essential to the successful operation of modern hotels, motels, inns, bed-and-breakfasts, clubs, restaurants, and resorts, the

book has been extensively revised by John E. H. Sherry to accommodate the far-reaching changes that have occurred since the publication of the revised edition in 1981. Sherry, a practicing lawyer and professor of hotel administration, carries over from the highly praised earlier editions detailed information on the rights and responsibilities of host and guest alike. He cites actual cases—ranging from the amusing and the bizarre to the tragic—as examples, and spells out in precise and readily understandable terms exactly what state and federal law says. Broadening the scope of the book to keep up with recent legal developments, the author includes many new case decisions and summaries from various jurisdictions. Three chapters devoted to employment law, environmental law and land use, and catastrophic risk liability are among the highlights of the new material. These new sections present recent rulings and case law on such timely topics as age, disability, and AIDS discrimination, as well as sexual harassment; government regulation of toxic and hazardous substances and hotel and resort development; and acts of God and the Public Enemy and terrorism.

*Mark: An Introduction and Study Guide* - Abraham Smith 2017-01-12

This Guide reads the Gospel of Mark as a 1st-century CE story about Jesus, for his followers, and against tyranny or the abusive use of power. First, the book shows students how the Gospel uses the form of a traditional laudatory biography (a 'Life') to reshape the memory of the shame-ridden trials and suffering of Jesus. Such a biography portrayed Jesus' descent (as a son of God), his deeds, and his heroic death, dispelling any notion that the teacher Jesus was a charlatan or huckster. Second, Smith demonstrates how the Gospel devotes a great deal of space to Jesus' training of his disciples - as he calls, commissions, and corrects them in preparation for the difficult moments of their journey.

Third, Smith highlights the Gospel's special characterizations of Jesus - as a prophetic envoy, a man of authority, and a philosophical hero - contrasting Jesus' use of power with the abusive use of power by Rome's representatives (Herod Antipas and Pilate).
