Family Health From A to Z (Reference) - Marshall Cavendish Reference Staff 2012-01-15

This encyclopedia offers quick access to to key information on all aspects of family health care.

Sister Outsider - Audre Lorde 2021-04-19

Audre Lorde ist die revolutionäre Denkerin und Ikone des Schwarzen Feminismus Audre Lorde wusste, was es heißt, als Bedrohung zu gelten: als feministische Dichterin, als Schwarze Frau in einer weißen akademischen Welt, als lesbische Mutter eines Sohnes. Viele „Formen menschlicher Verblendung haben ein und dieselbe Wurzel: die Unfähigkeit, Unterschiedlichkeit als eine dynamische Kraft zu begreifen, die bereichernd ist, nicht bedrohlich“. Lorde widmete ihr Schaffen dem Kampf gegen Unterdrückung. Verschiedenheit und Schwesternschaft, Zorn, Erotik und Sprache wurden zu kraftvollen Waffen. In ihren Texten über Rassismus, Patriarchat und Klasse finden wir Antworten auf die brennenden Fragen der Gegenwart – ein halbes Jahrhundert nach Erscheinen beweist der Band seine erschreckende Aktualität.

Die fünf Sprachen der Liebe Gottes - Gary Chapman 2020-06-10

Entdecken Sie, wie Gott Sie in Ihrer ganz persönlichen Liebessprache anspricht. Um es Menschen leichter zu machen, seine Nähe wahrzunehmen, auf ihn zu hören, bedient sich Gott meist einer persönlichen Sprache der Liebe, die direkt ins Herz der Angesprochenen

führt. So erfahren viele Menschen seine Gegenwart besonders im Gottesdienst, andere bei praktischen Taten der Nächstenliebe, wieder andere, indem sie in der Stille ein Wort der Bibel auf sich wirken lassen. Das Buch "Die fünf Sprachen der Liebe Gottes" von Gary Chapman ist eine persönliche Einladung an Sie, Gottes Stimme in Ihrem Leben wahrzunehmen und sich von ihm leiten zu lassen.

How to Pick Up Women and Talk to Them - Tiago Pereira 2015-09-08

This is a comprehensive book on not only how to pick up women but also how to talk, dress and think when introducing yourself. This guide will give you that confidence that you need to approach women because that is the hardest part sometimes.

How to text women - Love Academy 2021-10-20

You met a girl you like, have a nice chat with her and you get her number. Now what next? If you are too nervous or anxious to call her, then the next best thing would be to text her. But, how are you going to do that without coming off too strong or boring? What words should you use and how do you use them? How do you increase your odds of possibly moving forward to ask the girl out on a date through text? If you'd like to learn how to text a girl you like and win her over, then keep reading... You Are About To Discover How To Master The Art Of Texting Spellbinding Texts That Will Wow Any Girl And Make Her Fall Head Over Heels For You In No Time! The dating world has evolved so much

especially in this 21st century. Online dating has become the new way of finding soul mates and meeting new interesting people. This has been made possible through texts, which have become the norm in today's society due to the introduction of new social media and mobile apps. However, even with all the apps that exist, if you don't know how to text a lady in the right way then you will not stand a chance with her. Women are sensitive people and therefore everything you do or say to them will determine how she responds to you. Fortunately, texting gives you an edge with any woman because it allows you to come up with enticing and witty responses at the comfort of where you are. By virtue that you are here, it is likely you already know all this and want to cut the chase in the learning process, with all the questions going through your mind. Perhaps you are wondering... What exactly do you text a girl to make her like you? How long should you take before texting her? How can you know if she's into you by the way she's texting? If you have any of these and other related questions, this will be subject to discussion in this book. Here is a preview of what to expect: Ways to text a girl properly and build rapport with her and the three main texting styles you can use The most important ground rules for texting a girl How you can learn and know the girl by how she texts and responds to your messages Things that lead to unreturned texts and what to do if she doesn't text back How to split between calls and texts so that they don't interfere with each other The 5 most damaging mistakes to avoid when texting a girl and how you can avoid them The myths about women you should ignore and what to avoid texting her Sure fire texting tips that will make you very attractive and how to react to the different texting styles of women And much more One wrong move or word and she will lose interest faster than the snap of a finger. But with this comprehensive and easy to follow guide, you can be rest assured that you will be able to get the woman you like, even if you consider yourself shy and not so good with women. Are you ready to discover how mastery of texting women can turn your love life around? If you are, Scroll up and click Buy Now With 1-Click or Buy Now to get started today!

Program Aid - 1968

Die Wim-Hof-Methode - Wim Hof 2021-04-26

»Mit der Wim-Hof-Methode erwachst du zu deiner inneren Quelle von Kraft und Erfüllung. Du wirst feststellen, dass du dein Schicksal selbst in die Hand nehmen kannst.« Wim Hof Er saß knapp zwei Stunden in einem Eisbad, bestieg den Kilimandscharo lediglich in Shorts und Schuhen und lief bei minus 20 Grad einen Halbmarathon barfuß durch arktische Eisfelder: Wim Hof ist davon überzeugt, dass er kein Ausnahmefall ist – jeder Mensch kann das scheinbar Unmögliche schaffen! Leidenschaftlich und fesselnd schildert Wim Hof seinen Weg zum weltbekannten »Iceman« und legt erstmals umfassend seine revolutionäre Methode dar. Diese basiert auf drei Säulen: die Kraft der Kälte, bewusstes Atmen und Mentaltraining. Die Wim-Hof-Methode wird weltweit an acht Universitäten wissenschaftlich begleitet. Neueste Forschungserkenntnisse und erstaunliche Erfahrungsberichte zeigen, dass sie bereits innerhalb weniger Tage die Gesundheit entscheidend verbessert: Sie stärkt das Immunsystem, steigert die Stressresistenz, verbessert das Schlafverhalten und ermöglicht höhere sportliche und mentale Leistungen. Ob jung oder alt – jeder kann die Wim-Hof-Methode anwenden und Zugang zu ungeahnten Energiequellen erschließen, Selbstheilungskräfte aktivieren und innere Grenzen sprengen.

When Women Ask the Questions - Marilyn Jacoby Boxer 2001-09-28
In *When Women Ask the Questions*, Marilyn Boxer traces the successes and failures of women's studies, examines the field's enduring impact on the world of higher education, and concludes that the rise of women's studies has challenged the university in the same way that feminism has challenged society at large. Drawing on her experiences as a historian, feminist, academic administrator, and former chair of a women's studies program, Boxer observes that by working for justice—and for changes necessary to make the attainment of justice a practical possibility—women's studies ensures that women are heard in the processes and places where knowledge is created, taught, and preserved. The intellectual transformation behind the emergence of women's studies, Boxer concludes, is one of historic proportions. Like other great moments in human experience, it has given rise to a

flowering of art, literature, and science, and to the challenging of previously accepted authorities of text and tradition.

Interpersonal Edge - Daneen Skube, Ph.D. 2007-03-01

Up till now, the cutting-edge tools in this book have only been available to management teams, high-level executives, and select clients. You've no doubt picked it up because you want to be the CEO of your own life—with a greater sense of empowerment and confidence. Written by Daneen Skube, syndicated columnist, sought-after executive coach, and innovative therapist, this practical and humorous work provides simple tools you can use today to gain respect, get immediate results, and turn the lemons of life into big opportunities. Readers of Daneen's wildly popular column have been clamoring for a decade for a book of this kind, which offers an in-depth look at her advice and methods. Whether you're dealing with a backstabbing co-worker, trying to get a promotion, or want to rekindle a romance, you'll do it all better with an interpersonal edge. In all situations, you'll have in your possession reliable tools to make almost anything you want to happen. The keys to the life you've longed for are within these pages—just add you and stir.

Summary of Linda Babcock & Sara Laschever's Women Don't Ask - Everest Media, 2022-05-24T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book Insights: #1 Heather's response illustrates the fatalistic mindset many women have, believing that their circumstances are more fixed and absolute than they really are. #2 The belief that opportunity only knocks once can be a barrier for women, who may assume that they must wait to be given the things they want or need. But the truth is that opportunity doesn't always knock. #3 The turnip to oyster scale measured peoples' propensity to see possibilities for change in their circumstances. Low scorers were people who saw little benefit to asking for what they wanted because they believed their environment was unchangeable. High scorers were people who saw most situations as adaptable to their needs and regularly looked for ways to improve their circumstances. #4 Women were 45 percent more likely than men to score low on the oyster-turnip scale, indicating that women are much less likely than men to see

the benefits and importance of asking for what they want.

Women Don't Ask - Linda Babcock 2021-01-05

The groundbreaking classic that explores how women can and should negotiate for parity in their workplaces, homes, and beyond When Linda Babcock wanted to know why male graduate students were teaching their own courses while female students were always assigned as assistants, her dean said: "More men ask. The women just don't ask." Drawing on psychology, sociology, economics, and organizational behavior as well as dozens of interviews with men and women in different fields and at all stages in their careers, *Women Don't Ask* explores how our institutions, child-rearing practices, and implicit assumptions discourage women from asking for the opportunities and resources that they have earned and deserve—perpetuating inequalities that are fundamentally unfair and economically unsound. *Women Don't Ask* tells women how to ask, and why they should.

Why Men Don't Listen and Women Can't Read Maps - Allan Pease 2001-06-19

Have you ever wished your partner came with an instruction booklet? This international bestseller is the answer to all the things you've ever wondered about the opposite sex. For their controversial new book on the differences between the way men and women think and communicate, Barbara and Allan Pease spent three years traveling around the world, collecting the dramatic findings of new research on the brain, investigating evolutionary biology, analyzing psychologists, studying social changes, and annoying the locals. The result is a sometimes shocking, always illuminating, and frequently hilarious look at where the battle line is drawn between the sexes, why it was drawn, and how to cross it. Read this book and understand--at last!--why men never listen, why women can't read maps, and why learning each other's secrets means you'll never have to say sorry again.

Just Ask a Woman - Mary Lou Quinlan 2003-05-26

An enlightening blueprint of the secrets of reaching female consumers from the expert *Just Ask a Woman* is a powerful book about how to tap into female consumers' needs. Mary Quinlan, the founder of the premiere

consultancy dedicated to marketing to women, has personally interviewed 3,000 women in the course of her research for Just Ask a Woman. Women are the decision-makers in an estimated eighty-five percent of household buying decisions, and yet far too often, products marketed specifically to them fail to connect with their needs. Here, Quinlan explores topics such as how women judge brands and advertising, how they make decisions, the effects of stress on their consumer behavior, and their increasing demands for service and communication. Quinlan rejects the traditional focus group approach in favor of highly energized and intimate talk sessions where women reveal their deeper feelings about products and services. In Just Ask a Woman marketers, brand managers, and advertisers will find a revelatory resource filled with ideas and action steps for building your brand with women—from a woman who has walked in a marketer's shoes. Mary Lou Quinlan (New York, NY) is the founder and CEO of Just Ask a Woman, a marketing consultancy dedicated to building business with women. Just Ask a Woman is a division of bcom3, a \$15 billion global communications firm whose clients include Citigroup/Women & Co., Lifetime, Saks, Hearst Magazines, Toys "R" Us, and Time Inc. Known as a brand-turnaround expert, she has helped to remake brands like Avon and Continental Airlines. Quinlan has been quoted in The New York Times, The Wall Street Journal, Fortune, Fast Company and Advertising Age and appeared on ABC, CNN, CNBC, Lifetime LIVE, Fox and nationally syndicated news shows. Her articles have been published in Marie Claire, Good Housekeeping, Redbook, and More, among others.

Why Women Wear What They Wear - Sophie Woodward 2007-11-01
Presents an intimate ethnography of clothing choice. This book uses real women's lives and clothing decisions—observed and discussed at the moment of getting dressed - to illustrate theories of clothing, the body, and identity. It provides students of anthropology and fashion with a fresh perspective on the social issues and constraints.

Schwierige Verhandlungen - William Ury 1995

Roach's Introductory Clinical Pharmacology - Susan M. Ford

2013-10-07

The only pharmacology textbook truly written for the LPN student, Roach's Introductory Clinical Pharmacology, helps nursing students every step of the way to master one of the most challenging content areas in the pharmacology curriculum. Organized by body system, the book provides a clear, concise introduction to pharmacology, focusing on basic principles and the nurse's responsibility in drug administration. This Tenth Edition is enhanced by an updated art program, new patient case study scenarios, new chapter-opening Drug Classes boxes, an all-new chapter on drugs in aging, and more.

How to Beat A Woman at Her Own Games - Ralph Hemphill

2020-09-01

In today's world, much unlike the world of long ago, before the 1980s—where women probably and seemingly didn't play as many games and didn't scheme as much as the women of today—one can clearly see, witness, and attest to the ever-present and overwhelming amount of game playing and scheming ways of most of the females we know, know of, see, and interact with on a day-to-day basis. Most every man, at one point or some point in his life, has fallen victim to a game or scheme of a female whom he has either tried to get with or hook up with, and many guys get hit with games and schemes even with those that they are married to or in relationships with. Practically no man is exempt. We all at some point will find ourselves faced with a woman whose sole purpose is to either go for what's in our pockets or bank accounts, or to try to get us to do something for them for free or to get us to buy them stuff without them appreciating it and then turning around and buying us stuff too as well. That's a big part of the world we live in as far as men interacting with women, and the sole purpose of this book is to at least get guys to recognize when they are being played and to not fall for the simple games that women play twenty-four hours a day.

Frag einen Mann (Filmausgabe) - Steve Harvey 2012-08-10

Das Buch zum Film. Der Mega-Hit von Platz 1 der New York Times-Bestsellerliste wurde nun verfilmt! Millionen Frauen sind bereits dem Rat von Steve Harvey gefolgt, denn er erklärt endlich, wie Frauen

verlässlich den richtigen Partner auswählen und langfristig eine glückliche Beziehung führen können. Beste Freundinnen, Mütter und Schwestern können in Männerfragen nur wenig ausrichten. Wenn es um Männer geht, kann nur ein Mann richtig helfen!

Lean In - Sheryl Sandberg 2013-03-30

In Deutschland sitzen in den Vorständen der 100 umsatzstärksten Firmen gerade einmal drei Prozent Frauen. International sieht es nicht viel besser aus. Sheryl Sandberg ist COO von Facebook und gehörte davor zur Führungsmannschaft bei Google. Zusammen mit ihrem Mann Dave erzieht sie zwei kleine Kinder. Sie ist eine der wenigen sichtbaren Top-Managerinnen weltweit und ein Vorbild für Frauen aller Generationen. In ihrem Buch widmet sie sich ihrem Herzensthema: Wie können mehr Frauen in anspruchsvollen Jobs an die Spitze gelangen? Sie beschreibt äußere und innere Barrieren, die Frauen den Aufstieg verwehren. Sandberg zeigt, wie jede Frau ihre Ziele erreichen kann.

Dr. Susan Love's Breast Book - Susan M. Love 2015-09-08

"The Bible for women with breast cancer" --New York Times For more than two decades, readers faced with a diagnosis of breast cancer have relied on Dr. Susan Love's Breast Book to guide them through the frightening thicket of research and opinion to find the best options for their particular situations. This sixth edition explains advances in targeted treatments, hormonal therapies, safer chemotherapy, and immunologic approaches as well as new forms of surgery and radiation. There is extensive guidance for the many women now living for years with metastatic breast cancer. With Dr. Love's warm support, readers can sort the facts from the fads, ask the right questions, and recognize when a second opinion might be wise.

Summary of Linda Babcock & Sara Laschever's Ask For It - Everest Media, 2022-05-24T22:59:00Z

Please note: This is a companion version & not the original book. Sample Book Insights: #1 If you're a woman, you may have a voice in your head that whispers, Are you sure you're as good as you think you are. or Why can't you be happy with what you've got. The voice of a society that hasn't progressed nearly as far as we'd like to think. #2 Women don't

ask for what they want and need, and as a result, they suffer severe consequences. The difference in the rate of asking between male and female students in Linda's negotiation class indicates that women aren't using negotiation to promote their careers as much as they could be. #3 Linda found that men initiate negotiations to advance their own interests about four times as frequently as women do. She also found that men use negotiation to improve their positions much more than women do. #4 Women are often not negotiating their salaries, and this can be extremely costly for them. Not negotiating your salary can lead to outrageously expensive consequences down the road.

Women's Voices and the Practice of Preaching - Nancy Lammers Gross 2017-07-01

Expert, practical help for women who preach or lead worship Many women preachers and worship leaders have trouble speaking; they struggle to fully use their physical voices. Maintaining that there is often a disconnect between the woman's self-understanding as a preacher and her own body, Nancy Lammers Gross presents not only techniques but also a theologically empowering paradigm shift to help women fully embody their God-given preaching vocations. Grounding her work in the biblical story of Miriam, Gross begins with a discussion of how women are instrumental in the work of God. She then tells stories, including her own, of women's experiences in losing connection to their bodies and their physical voices. Finally, Gross presents a constructive resolution with exercises for discovering and developing a full-body voice.

Kompromisslos verhandeln - Chris Voss 2017-06-10

Die deutsche Ausgabe des Bestsellers Never Split the Difference Über viele Jahre war Chris Voss beim FBI als Verhandlungsführer bei Geiselnahmen aktiv. Er verhandelte während seiner Tätigkeit mit einer Vielzahl von Kriminellen wie Bankräubern und Terroristen. In seinem Buch Keine Kompromisse führt der Experte für Extremsituationen die Leser in die Welt der knallharten Verhandlungen ein. Und zeigt, worauf es ankommt, wenn es ums Ganze geht. Das Leben besteht schließlich aus Verhandlungen, auf die man besser gut vorbereitet ist: angefangen beim Autokauf, über Gehalts- oder Mietverhandlungen, berufliche

Verhandlungen bis hin zu Diskussionen mit dem Partner. Dieses Buch mit seinem Fokus auf emotionale Intelligenz und Intuition verschafft den Lesern bei Diskussionen den entscheidenden Vorteil: Neun effektive Prinzipien wie aktives Zuhören und taktische Empathie, sorgen dafür, dass man privat und beruflich alles im Griff hat und immer überzeugt. *Die subtile Kunst des Daraufscheißens* - Mark Manson 2017-05-08 Scheiß auf positives Denken sagt Mark Manson. Die ungeschönte Perspektive ist ihm lieber. Wenn etwas scheiße ist, dann ist es das eben. Und wenn man etwas nicht kann, dann sollte man dazu stehen. Nicht jeder kann in allem außergewöhnlich sein und das ist gut so. Wenn man seine Grenzen akzeptiert, findet man die Stärke, die man braucht. Denn es gibt so viele Dinge, auf die man im Gegenzug scheißen kann. Man muss nur herausfinden, welche das sind und wie man sie sich richtig am Arsch vorbeigehen lässt. So kann man sich dann auf die eigenen Stärken und die wichtigen Dinge besinnen und hat mehr Zeit, sein Potential gänzlich auszuschöpfen. Die subtile Kunst des darauf Scheißens verbindet unterhaltsame Geschichten und schonungslosen Humor mit hilfreichen Tipps für ein entspannteres und besseres Leben. Damit man seine Energie für sinnvollerer verwendet als für Dinge, die einem egal sein können.

Menopause: The One-Stop Guide - Kathy Abernethy 2019-10-03 Practical advice from an award-winning specialist nurse. Highly Commended, British Medical Association Book Awards Designed to help determine what will work best for you, *Menopause: The One-Stop Guide* offers detailed knowledge about the physiological and psychological effects of the menopause and its treatments, so you can make confident decisions about your health. It includes: - What to expect and what's 'normal' - How to manage symptoms with lifestyle changes - Everything you need to know about hormone replacement therapy, including body-identical HRT - Specific chapters on young menopause and menopause after cancer. With clear guidance on recognising symptoms, getting help and staying positive, this companion will inform and reassure you through your menopause and beyond.

[New Directions in Queer Oral History](#) - Clare Summerskill 2022-04-26

This comprehensive international collection reflects on the practice, purpose, and functionality of queer oral history, and in doing so demonstrates the vibrancy and innovation of this rapidly evolving field. Drawing on the roots of oral history's original commitment to "history from " queer oral history has become an indispensable methodology at the heart of queer studies. Expanding and extending the existing canon, this book offers up key observations about queer oral history as a methodology, and how it might be advanced through cutting edge approaches. The collection contains a mix of contributions from established scholars, early career researchers, postgraduate students, archivists, and activists, ensuring its accessibility and wide appeal. The go-to reference for queer oral history for scholars, undergraduate and postgraduate students, and community-engaged practitioners, *New Directions in Queer Oral History* advances rigorous methodological and theoretical debates and constitutes a significant intervention in the world of oral history.

[The Dating Blueprint](#) - Jason Evert 2019-10-11

Women don't feel comfortable telling a man what they wish he knew about dating. He's expected to know it. Unfortunately, the only time men receive specific guidelines is when they're being told what they're not supposed to do. As a result, very few know what they are supposed to do! What men want is a clear blueprint. Imagine how much simpler dating would be if women could just speak their minds! Therefore, Jason Evert surveyed more than a thousand women and asked them questions such as: · How would you want a man to ask you out? · How do you not want to be asked on a date? This book reveals their surprising answers, plus: · How to know if she's the right one · Where women don't want to go on a first date · What word they want a man to say when he asks · When, where, and how he should ask · What she hopes the date will include · How a man can save his marriage before he's married Dating doesn't need to become a relic of the past. It needs to be revived. For this to happen, men need to put down their screens, look a woman in the eye, and ask her on a date. The Dating Blueprint explains how.

[Online Anti-Rape Activism](#) - Rachel Loney-Howes 2020-08-17

The ebook edition of this title is Open Access, thanks to Knowledge Unlatched funding, and freely available to read online. This book examines the nature, use and scope of online spaces for anti-rape activism, offering a critical commentary on its limitations and potentials.

Ask for it - Linda Babcock 2008

To research this groundbreaking book, Linda Babcock and Sara Laschever spent several years talking to thousands of women about the high cost of failing to ask for what they want. Through that research, one thing became abundantly clear: feelings of self doubt - that voice inside your head that says 'Don't get pushy. Do you really deserve more?' - consistently prevent women from getting the things they desire most, whether it's a pay rise, a nicer office, or even just some help around the house. In *Ask for It*, Babcock and Laschever have developed a unique, cooperative approach to negotiating that begins before you ever get to a bargaining table, one that will help women realise their self-worth and identify their goals as well as maximise their bargaining power. It will help propel you to new places both professionally and personally - and open doors you thought were closed. Essential reading for women everywhere, *Ask For It* will help you recognise how much more you deserve - and show you how to get it.

Winning Gifts - Thomas C. Wilson 2008-04-04

The secret to getting gifts and making donors feel like winners. Know the best approaches to people-centered fundraising. Understand the role of executive director, fundraisers, program managers, and volunteers in the win-win framework, the importance of listening, the case for a donor-centered approach, and the direct ways these concepts can be applied in a variety of fundraising settings. Includes numerous real-world examples taken from the author's own experience as chief philanthropy officer in nonprofits and as a leader in a well-known national nonprofit consulting company. Thomas D. Wilson is the vice president and western regional manager for Campbell & Company. His career in fundraising spans more than 25 years and includes building successful campaigns from inception, reinvigorating stalled initiatives, and board/staff training.

My Gender Workbook - Kate Bornstein 2013-06-19

Gender isn't just about "male" or "female" anymore - if you have any doubts, just turn on your television. RuPaul is as familiar as tomato ketchup with national radio and television shows, and transgendered folk are as common to talk-shows as screaming and yelling. But if the popularization of gender bending is revealing that "male" and "female" aren't enough, where are we supposed to go from here? Cultural theorists have written loads of smart but difficult-to-fathom texts on gender, but none provide a hands-on, accessible guide to having your own unique gender. With *My Gender Workbook*, Kate Bornstein brings theory down to Earth and provides a practical approach to living with or without a gender. Bornstein starts from the premise that there are not just two genders performed in today's world, but countless genders lumped under the two-gender framework. Using a unique, deceptively simple and always entertaining workbook format, Bornstein gently but firmly guides you to discover your own unique gender identity. Whether she's using the USFDA's food group triangle to explain gender, or quoting one-liners from real "gender transgressors", Bornstein's first and foremost concern is making information on gender bending truly accessible. With quizzes and exercises that determine how much of a man or woman you are, *My Gender Workbook* gives you the tools to reach whatever point you desire on the gender continuum. Bornstein also takes aim at the recent flurry of books that attempt to naturalize gender difference, and puts books like *Men are from Mars, Women are from Venus* squarely where they belong: on Uranus. If you don't think you are transgendered when you sit down to read this book, you will be by the time you finish it!

Votes and Proceedings - Great Britain. Parliament. House of Commons 1941

Includes Notices of motions and orders of the day, Notices of bills, Divisions, Public and Private bills, Standing Committees Notices.

Mein Herz und deine Krone - Heather Cocks 2017-02-20

Plötzlich Prinzessin - oder doch nicht? Eigentlich wollte Rebecca Porter, genannt Bex, sich in Oxford ganz auf die Uni konzentrieren. Doch als sie in das gleiche exklusive Wohnheim wie Prinz Nicholas, zukünftiger König

von England, einquartiert wird, kommt alles anders. Trotz seiner allgegenwärtigen Bodyguards und überbesorgter Freunde kommen Bex und Nicholas sich näher - und Bex wird in eine Welt geworfen, die ihr völlig fremd ist, sowohl die guten Seiten (tolle Urlaube, Dinner im Palast) als auch die schlechten (Klatschpresse, nervige Familie). Und am Abend vor der Hochzeit des Jahrhunderts muss Bex sich fragen, ob sie für ihre große Liebe Nicholas wirklich ihr ganzes Leben aufgeben kann ...

Real Knockouts - Martha McCaughey 1997-07

Unprecedented numbers of American women are today learning how to knock out, maim, even kill men who assault them. From behind the scenes of gun ranges, martial arts dojos, fitness centers offering "Cardio Combat," and in padded attacker courses like "Model Mugging," Real Knockouts demonstrates how self-defense trains women out of the femininity that makes them easy targets for men's abuse. And yet much feminist thought, like the broader American culture, seems deeply ambivalent about women's embrace of violence, even in self-defense. Investigating the connection between feminist theory and a woman's balled fist, McCaughey found self-defense culture to embody, literally, a new kind of feminism, one that will change forever the way we think of gender politics, the female body, and feminism itself.

Reshaping the Work-Family Debate - Joan C. Williams 2012-01-01

The United States has the most family-hostile public policy in the developed world. Despite what is often reported, new mothers don't opt out of work. They are pushed out by discriminating and inflexible workplaces. Today's workplaces continue to idealize the worker who has someone other than parents caring for their children. Conventional wisdom attributes women's decision to leave work to their maternal traits and desires. In this thought-provoking book, Joan Williams shows why that view is misguided and how workplace practice disadvantages men—both those who seek to avoid the breadwinner role and those who embrace it—as well as women. Faced with masculine norms that define the workplace, women must play the tomboy or the femme. Both paths result in a gender bias that is exacerbated when the two groups end up pitted against each other. And although work-family issues long have

been seen strictly through a gender lens, we ignore class at our peril. The dysfunctional relationship between the professional-managerial class and the white working class must be addressed before real reform can take root. Contesting the idea that women need to negotiate better within the family, and redefining the notion of success in the workplace, Williams reinvigorates the work-family debate and offers the first steps to making life manageable for all American families.

The Internet of Women - Nada Anid 2016-09-09

Female scientists, technologists, engineers, and mathematicians worldwide are making historic contributions to their fields. The modern workforce is closer to gender-equal than it has ever been, and many efforts are in place to support further progress. The Internet of Women provides an exciting look at personal narratives and case studies of female leaders and cultural shifts around the globe that illustrate this promising trend. From the United Nations' emphasis on girls and technology education in the SDGs (Sustainable Development Goals) to the increased female labor force in Zambia, a policy change that was inspired by the MDGs (UN Millennium Development Goals), The Internet of Women captures stunning examples of progress from around the world and men working hand in hand with women advocating for cultural change. Scholars and practitioners lament the lack of women leading and working in leading organizations in the technology industry. Gender equality and female participation in the tech field is critical to both developing and developed economies; nevertheless, this gap remains a global phenomenon. The lack of female leadership is particularly extreme at the highest echelons of leading technology organizations. Few publicly traded tech companies have female CEOs - in fact, most nations have zero female leadership in the tech industry. This gap indicates a slow pace of progress for gender equality in tech employment. Women's pay still lags nearly a decade behind, according to the World Economic Forum, meaning that women's on average pay today is the equivalent to that of similarly qualified and similarly employed men in 2006. Without significant progress, the current rate of change will not lead to parity for 118 years, according to the World Economic Forum (WEF). However

there's significant work being done to shift this tide. Take for instance Michelle Lee, the first female Under Secretary of Commerce for Intellectual Property and Director of the United States Patent and Trademark Office (USPTO), reflects on her childhood Girl Scout badge in sewing and cooking and how that memory inspired her to create an IP badge that exposes young women to the process of invention. Social entrepreneur, investor, and Malala Fund co-founder Shiza Shahid shares her efforts beginning from mentoring young women in Pakistan to her current work directing more investment to women innovators around the globe. And Elizabeth Isele, a senior fellow in Social Innovation at Babson College, shares her research on women and ageism saying we need to retire the word retirement. The book is divided into six parts, each with unique areas of focus: * Millennials Leading: Exploring Challenges and Opportunities Facing the Next Generation of Women in Technology * Men and Women Empowering One Another * Bold Leadership: Women Changing the Culture of Investment and Entrepreneurship * Educating for the 21st Century * Breaking the Glass Ceiling: A Generation of Women Forging into Technology Leadership * Emerging Fields of Technology The Internet of Women gathers examples about the increasingly inclusive and progressive gender culture in technology from over 30 countries. Stories range from an entrepreneur in Dubai partnering with private and public sector entities to accelerate blockchain technology to a young British woman moving to Silicon Valley to launch an artificial intelligence platform and incubator. The book is intended for corporations, academic institutions, the private sector, government agencies, gender experts, and the general public, and its key benefit is to let the reader understand a path towards implementing diversity overall globally. It also showcases the strategies, tools, and tactical execution on how to create cultural change in all parts of the world.

Mädchen, Frau, etc. - Bernardine Evaristo 2022-08-08

Sehnsucht nach Gott - John Piper 2005

12 Rules For Life - Jordan B. Peterson 2019-08-19

Aktualisierte Neuauflage Wie können wir in der modernen Welt überleben? Bestsellerautor Jordan B. Peterson beantwortet diese Frage humorvoll, überraschend und informativ. Er erklärt, warum wir Kinder beim Skateboarden alleine lassen sollten, welches grausame Schicksal diejenigen ereilt, die alles allzu schnell kritisieren und warum wir Katzen, die wir auf der Straße antreffen, immer streicheln sollten. Doch was bitte erklärt uns das Nervensystem eines Hummers über unsere Erfolgchancen im Leben? Dr. Peterson diskutiert Begriffe wie Disziplin, Freiheit, Abenteuer und Verantwortung und kondensiert Wahrheit und Weisheit der Welt in 12 praktischen Lebensregeln. Der SPIEGEL-Bestseller jetzt in überarbeiteter Neuauflage.

Ask For It - Linda Babcock 2009-01-27

From the authors of *Women Don't Ask*, the groundbreaking book that revealed just how much women lose when they avoid negotiation, here is the action plan that women all over the country requested—a guide to negotiating anything effectively using strategies that feel comfortable to you as a woman. Whether it's a raise, that overdue promotion, an exciting new assignment, or even extra help around the house, this four-phase program, backed by years of research and practical success, will show you how to recognize how much more you really deserve, maximize your bargaining power, develop the best strategy for your situation, and manage the reactions and emotions that may arise—on both sides. Guided step-by-step, you'll learn how to draw on your special strengths to reach agreements that benefit everyone involved. This collaborative, problem-solving approach will propel you to new places both professionally and personally—and open doors you thought were closed.
