Paul: Christianity's Premier Apostolic Mystic - Harvey D. Egan 2021-03-26

Harvey Egan argues that the apostle Paul was Christianity's earliest mystic, and the world's greatest missionary, one whom scholars estimate walked over fifteen hundred miles—not to mention his dangerous sea journeys—to plant the flag of Lord Jesus in Roman colonies where Caesar was supposedly lord. This book stresses Paul's mystical consciousness and mystical life—the explicit and direct consciousness of the immediate and direct presence of the Trinity and/or Jesus-Messiah. It underscores mystical experience not only as discrete, individual experiences but also as experience in the sense that an experienced musician instinctively knows and loves music. From the light issuing from the risen Jesus-Messiah, whom he encountered on the Damascus road, Paul mystically read the Jewish Scriptures and comprehended that God consummated Israel's history through the sending of Jesus-Messiah and the Holy Spirit. Paul's letters are paradigmatic of the earliest use of the word "mystical," that is, how the Jewish Scriptures disclose Jesus-Messiah. Thus, Paul, the zealous Jewish Pharisee, grew to understand Christianity as Judaism perfected.

Stearns 2 in 1 - Richard Stearns 2014-10-28

Read the book that has inspired hundreds of thousands to change the world and the book that shows how best to accomplish that change. Together for the first time in one volume, *The Hole in Our Gospel*, revised and updated, and

Unfinished take us on a breathtaking journey to rediscover the critical mission of Christ in our world today and the richness of God's calling on our lives. *The Hole in Our Gospel* is a compelling true story of a corporate CEO who set aside worldly success for something far more significant and discovered the full power the gospel of Jesus Christ to change his own life. He uses his journey to demonstrate how the gospel—the whole gospel—was always meant to be a world-changing social revolution, a revolution that begins with us. This special edition of *The Hole in Our Gospel* includes a new epilogue from author Richard Stearns, a church resource guide, color charts and graphs on the needs of the world, and a concordance on poverty and justice. "Unfinished might just challenge everything you thought you understood about your Christian faith," says Bill Hybels, senior pastor of the Willow Creek Community Church. "If every Christian read this book and took it seriously, the world would never be the same again." Just before he left, Jesus sent his followers into the world with a revolutionary mission: to change the world by proclaiming God's truth and demonstrating his incredible love. But the single task he gave us to accomplish remains unfinished. "Just when I dare think my work is done, Rich reminds me that we are just getting started," says Max Lucado, pastor and best-selling author. Why are we here, what is our purpose, and where do we fit in the bigger story that God is writing? How should our faith affect our careers, our money, our families, and our lives? And why does it matter? We will find our deepest purpose only

when we discover the unique role God created for us to play in his unfolding story.

It covers all of the most important topics and questions engaging the church today, such as the reality of decline, the changing nature of domestic mission, the response of the Church to change, and the different models of mission that are being used today. Describing and analysing a wealth of concrete examples from a Scottish context, this study gives practical guidance to church leaders engaged in Fresh Expressions and church planting in a Scottish context. A major contribution of the book is to envisage ways in which the institutional Church can respond imaginatively to its secular and pluralist context. This is the first work of its kind and fills a significant gap in the market.

The Four Keys to the Millennium - Jay Rogers
2010-03-29

All Christians believe that their great God and Saviour, Jesus Christ, will one day return. Although we cannot know the exact time of his return, what exactly did Jesus mean when he spoke of the signs of his coming (Matthew 24)? How are we to interpret the prophecies in Isaiah regarding the time when 'the earth will be full of the knowledge of the LORD as the waters cover the sea' (Isaiah 11:9)? Should we expect a time of great tribulation or reformation and revival before the Lord returns? How do we approach this inspired prophetic book? In what way do these approaches affect our interpretation of the thousand years of Revelation 20? Is the devil bound now, and are the saints reigning with Christ? These, and many more questions, are dealt with by the four authors in *The Four Keys to the Millennium*. The editor, Michael Meiring, also makes an analysis of the four essays, identifying the strengths and weaknesses of each view.

The Angel's Riddle - James V. Head 2017-09-29

First century Christians endured severe persecution, including death, from both the Jews and Romans. The Revelation of Jesus Christ was recorded by the Apostle John primarily to give those beleaguered souls strength and hope as their world became increasingly intolerable. They needed to know that God had not forgotten them. The Angels Riddle is the result of an exhaustive critical analysis of the symbolism and imagery Jesus used to convey His message of hope. A progressive process was used to analyze and decode each part of the message into a clear and concise format. This is a deep study meant to be used with your Bible and suitable materials to record any crib notes you may desire to make along the way. Commentary is provided as you progress through the book. Details, symbols, and difficult language are broken down into manageable groups through analysis and comparison to multiple Bible passages; backed

up by only the Word of God. The Angels Riddle is a critical analysis and study of the most difficult book in the Bible. Don't hurry; your patience will be rewarded. I will attest that, though many have tried, few could have succeeded as Jim has in peeling back Revelations many layers. Jim has summarized centuries of biblical scholarship, and pulled together a deep and impressive bibliography. In the process, he became a Revelation scholar himself. - Larry Prescott, PhD.

Early Chinese Religion: Part One: Shang Through Han (1250 BC-220 AD) (2 Vols) -

John Lagerwey 2008-12-24

Together, and for the first time in any language, the 24 essays gathered in these volumes provide a composite picture of the history of religion in ancient China from the emergence of writing ca. 1250 BC to the collapse of the first major imperial dynasty in 220 AD. It is a multi-faceted tale of changing gods and rituals that includes the emergence of a form of "secular humanism" that doubts the existence of the gods and the efficacy of ritual and of an imperial orthodoxy that founds its legitimacy on a distinction between licit and illicit sacrifices. Written by specialists in a variety of disciplines, the essays cover such subjects as divination and cosmology, exorcism and medicine, ethics and self-cultivation, mythology, taboos, sacrifice, shamanism, burial practices, iconography, and political philosophy. Produced under the aegis of the Centre de recherche sur les civilisations
