Als die Fische spazieren gingen

... - Eva Muggenthaler 2010
Ein Erzählbilderbuch: Ein Buch mit wenig Text, könnte man diesen Band nennen. Keine vorgegebene Erzählung wird hier angeboten, vielmehr werden die Lesenden aufgefordert, selbst eine Geschichte zu entdecken und zu formulieren. Jede Doppelseite beinhaltet ein Leitthema, sei es "Angst haben - Mut zeigen", "Allein sein -

Zusammenhalten" oder " Vor Glück strahlen - Traurig sein". Kinder bringen eine hohes Mass an natürlicher Neugierde, Aufmerksamkeit und Unbefangenheit mit und werden beim Betrachten dieses aussergewöhnlichen Bandes ihren Gedanken freien Lauf lassen können. Die lebendigen, grossflächigen Illustrationen stellen Tiergestalten dar, die sich aber wie Menschen verhalten. Sie lassen Kinder ebenso wie Erwachsene in eine eigene Welt eintauchen, in der - je nach Betrachtungsweise - gemeinsam die unterschiedlichsten Geschichten erfunden werden und sich spannende Gespräche entwickeln können. Eva Muggenthaler nennt ihr neuestes Buch "Erzählbilder"; sie will damit die Betrachtenden animieren, ihre persönliche Fantasie spielen zu lassen, Einzelheiten zu entdecken und ihre Ideen in eigene Worte zu fassen. How to Raise a Chatterbox - Sandy Chappell 2021-11-09 who likes to chat'. Isn't that what we all want for our children? A love of language and talking? How to Raise a Chatterbox guides parents through the stages of speech and language development from age 0-5, providing information, strategies, and tips that will help children to learn to talk more easily and more confidently. The book discusses the reasons behind the advice and the research studies that support it so that parents can make an informed decision about which advice they choose to follow. The book includes hundreds of suggestions for games and activities. Parents don't need to make any more time in their day; they can simply adapt daily activities such as getting dressed, eating meals, travelling in the car etc. Sandy has also included lots of games and activities that they can do with their child to give them an extra boost, if they have the time. Parents don't need to buy any special materials; she gives

suggestions of how household objects and simple toys can be used to make great speech and language activities. A child's speech and language skills may be developing as parents would expect but they simply want them to be the best they can be before they start school; or parents may feel they are behind in certain areas and would like specific guidance to help them to catch up. This book is for all parents, grandparents and carers of pre-school children who want to make the most of those precious pre-school years that fly by, and that we now know give us the best opportunity to 'Raise a Chatterbox'.
