On Gold Mountain - Lisa See
2011-05-04

In 1867, Lisa See's great-great-grandfather left China in search of riches on the 'Gold Mountain', the Chinese name for the promised land of America. His son Fong See later built a mercantile empire and married a Caucasian woman, in spite of laws that

prohibited unions between the races. Through sheer endeavour and entrepreneurial genius he became one of the most successful Chinese men in the country. Over the decades, each generation of the See family strived to grasp their dreams, realise their ambitions and overcome their disappointments and sorrows. This sweeping chronicle of five generations of a Chinese-American family encompasses stories of adventure and heartache, racism and romance, secret marriages and sibling rivalries. On Gold Mountain is a powerful social history of two cultures meeting in a new world.

 Last Run Frank Packard
 (1877-1942) was a Canadian
 novelist best known for his
 Jimmie Dale mystery series. As
 a young man he worked as a
 civil engineer for the Canadian
 Pacific Railway. His
 experiences working on the
 railroad led to his writing a

series of railroad stories and
 novels. Packard also wrote
 number of mystery novels, the
 most famous of which featured
 a character called Jimmie Dale,
 a wealthy playboy by day and a
 fearless crime fighter by night.
 Jimmie Dale novels brought the
 idea of a costume and mask for
 hero's secret identity, and also
 established the concept of a
 hero's secret hideout or lair.

Ikigai - Francesc Miralles
 2017-03-10

Das erste Buch zum neuen
 Trend IKIGAI! Worin liegt es,
 das Geheimnis für ein langes
 Leben? Den Japanern zufolge
 hat jeder Mensch ein Ikigai.
 Ikigai ist das, wofür es sich
 lohnt, morgens aufzustehen,
 oder auch ganz einfach: »der
 Sinn des Lebens«. Das Ikigai
 ist in uns verborgen, und wir
 müssen geduldig forschen, um
 es zu finden. Gelingt es uns,
 haben wir die Chance, gesund
 und glücklich alt zu werden.
 Vorbild hierfür sind die
 Einwohner der japanischen
 Insel Okinawa, auf der die

meisten Hundertjährigen leben. Die praktischen, schnell umsetzbaren Anleitungen in diesem Buch zeigen, wie man sein eigenes Ikigai entdeckt. Eine kleine Offenbarung sind zudem die zahlreich eingeflochtenen Erzählungen der Hundertjährigen, die ihr Ikigai-Geheimnis preisgeben. Eine Offenbarung für jeden, der auf der Suche nach dem Sinn des Lebens ist und für den Gesundheit ein hohes Gut ist.

Beckett's Eighteenth Century - F. Smith 2001-12-17

Beckett's Eighteenth Century is the first book-length study of Samuel Beckett's affinity with the British eighteenth century and of the influence of its writers on his work. Reading Swift, Pope, Defoe, Fielding, Sterne, Johnson, Gray, and other writers of this period, this study demonstrates how he was not only influenced by them but interprets them for us in a quite modern way.

Beckett's uniqueness is not questioned here, but this uniqueness is shown, paradoxically, to have its roots at least in part in his native literature of two centuries ago. *The United States Catalog* - 1906

Endgame Poker Strategy -

Dara O'Kearney 2021-09-27

Most poker players don't think they need to study ICM until they make a costly mistake at a big final table - don't be one of those players. The Independent Chip Model (ICM) is the most important strategy concept in multi table tournaments, yet very few players understand it, other than knowing they should play tighter on the bubble. Not only does ICM impact the single biggest monetary decisions you make in poker, it also influences everything in a tournament from game selection, staking, when to register, playing the early

levels, the bubble, the final table and much more.

Endgame Poker Strategy is the first book to take a deep dive into the subject of ICM and how it impacts how you should play in tournaments. This book contains groundbreaking insights that most professional poker players are not aware of, including:

- How to adjust your play in the late stages of tournaments
- When to ladder and when to play for the win
- How to negotiate profitable final table deals
- The optimal game selection, rebuy and late registration strategies
- How to play short, average and big stacks at the end of tournaments

Dara O'Kearney is a professional poker player, sponsored Unibet Pro and co-host of The Chip Race Podcast. He is regarded as one of the best satellite grinders in the world and professional poker players seek out his advice on ICM whenever they prepare for a big final table. He is the co-author of the best selling books *Poker Satellite Strategy* and *PKO Poker Strategy*. "In an era of solvers and preflop charts,

game states involving ICM pressure remain one of the few unsolved and untapped areas of poker. Endgame Poker Strategy does an excellent job of clearly explaining the most important ICM ideas and effects. Whether you are a beginning player looking to build an understanding of how ICM works, or a more advanced player looking to better internalise ICM concepts, there is something in this book for you." - Daniel Dvoress, high stakes poker player

Addressing Security Risks at the Ukrainian Border Through Best Practices on Good Governance - R. Kęsek 2016-12
With the current security crisis in the Ukraine, border security has become a pressing issue. Both the annexation of Crimea and the temporary occupation of the Donbas region represent serious violations of the country's territorial integrity and of the wider international legal order. This book contains 13 presentations delivered during the two-day NATO Advanced Research Workshop

(ARW) 'Addressing Security Risks at the Ukrainian Border through Best Practices on Good Governance - Sources and Counter Measures', which took place in Kyiv, Ukraine, in February 2016. The workshop consisted of 5 expert panels devoted to various aspects of building the integrity of the Ukrainian border management agencies to enhance the border security of the eastern flank of NATO. The topics of these panels were: the integrity of the security sector in Ukraine; corruption as a security risk in border management; institutional tools to combat corruption in border management; increasing preparedness for cross-border crises; and bilateral and multilateral dimensions of international cooperation to enhance the integrity of border management agencies. The workshop contributed to raising awareness of emerging border security challenges, as well as providing a forum for the close cooperation of and the exchange of knowledge between the most relevant

local and international agencies. It also made possible the discussion of issues such as the current refugee crisis and the implications - for security - of corruption in border management in a wider context.

A commonsense guide to nutrition for the growing years.
Autumn Dream: Thoughts in Verse on the Intermediate State of Happy Spirits ... - John Sheppard 1841

Fahrenheit 451 - Ray Bradbury 2020-07-22
Es ist eine Horrorversion des Internet-Zeitalters, die Bradbury vorausgesehen hat: Lesen ist geächtet, Wissen nicht erwünscht, auf Buchbesitz steht Strafe, und die Menschen werden mit Entertainment und

Dauerberieselung kleingehalten. Der ›Feuermann‹ Guy Montag, der an den staatlich angeordneten Bücherverbrennungen beteiligt ist, beginnt sich nach einem traumatischen Einsatz zu widersetzen und riskiert dabei sein Leben.

Cooper's Literary Offences by Mark Twain James Fenimore Cooper by Thomas R. Lounsbury James Fenimore Cooper by Mary E. Phillips James Fenimore Cooper (1789-1851) was a prolific and popular American writer of the early 19th century. His historical romances of frontier and Indian life in the early American days created a unique form of American literature. Before embarking on his career as a writer, Cooper served in the U.S. Navy, which greatly influenced many of his novels. The novel that launched his career was *The Spy*, tale of espionage in Revolutionary War. He also wrote numerous sea stories, and his best-known works are five historical novels of the frontier period known as the *Leatherstocking Tales*. Among his most famous works is the Romantic novel *The Last of the Mohicans*.
