A Home for All Jews - Orit Rozin 2016-07-05

Orit Rozin's inspired scholarship focuses on the construction and negotiation of citizenship in Israel during the state's first decade. Positioning itself both within and against much of the critical sociological literature on the period, this work reveals the dire historical circumstances, the ideological and bureaucratic pressures, that limited the freedoms of Israeli citizens. At the same time it shows the capacity of the bureaucracy for flexibility and of the populace for protest against measures it found unjust and humiliating. Rozin sets her work within a solid analytical framework, drawing on a variety of historical sources portraying the voices, thoughts, and feelings of Israelis, as well as theoretical literature on the nature of modern citizenship and the relation between citizenship and nationality. She takes on both negative and positive freedoms (freedom from and freedom to) in her analysis of three discrete yet overlapping issues: the right to childhood (and freedom from coerced marriage at a tender age); the right to travel abroad (freedom of movement being a pillar of a liberal society); and the right to speak out - not only to protest without fear of reprisal, but to speak in the expectation of being heeded and recognized. This book will appeal to scholars and students of Israeli history, law, politics, and culture, and to scholars of nation building more generally.

Forced Migration, Human Rights and Security - Jane McAdam 2008-03-13

The international protection regime for refugees and other forced migrants seems increasingly at risk as measures designed to enhance security-of borders, of people, of institutions, and of national identity-encroach upon human rights. This timely edited collection responds to some of the contemporary challenges faced by the international protection regime, with a particular focus on the human rights of those displaced. The book begins by assessing the impact of anti-terrorism laws on refugee status, both at the international and domestic levels, before turning to examine the function of offshore immigration control mechanisms and extraterritorial processing on asylum seekers' access to territory and entitlements (both procedural and substantive). It considers the particular needs and rights of children as forced migrants, but also as children; the role of human rights law in protecting religious minorities in the context of debates about national identity; the approaches of refugee decision-makers in assessing the credibility of evidence; and the scope for an international judicial commission to provide consistent interpretative guidance on refugee law, so as to overcome (or at least diminish) the currently diverse and sometimes conflicting approaches of national courts. The last part of the book examines the status of people who benefit from 'complementary protection'-such as those who cannot be removed from a country because they face a risk of torture or cruel, inhuman or degrading treatment or punishment-and the scope for the broader concept of the 'responsibility to protect' to address gaps in the international protection regime.

The Rights of Refugees under International Law - James C. Hathaway 2021-04-22

Do states have a duty to assimilate refugees to their own citizens? Are refugees entitled to freedom of movement, to be allowed to work, to have access to public welfare programs, or to be reunited with family members? Indeed, is there even a duty to admit refugees at all? This fundamentally rewritten second edition of the award-winning treatise presents the only comprehensive analysis of the human rights of refugees set by the UN Refugee Convention and international human rights law. It follows the refugee's journey from flight to solution, examining every rights issue both historically and by reference to the decisions of senior courts from around the world. Nor is this a purely doctrinal book: Hathaway's incisive legal analysis is tested against and applied to hundreds of protection challenges around the world, ensuring the relevance of this book's analysis to responding to the hard facts of refugee life on the ground.

Country Reports on Human Rights Practices for 2007 - House, Committee on Foreign Affairs, and Senate, Committee on Foreign Relations

110th Congress, 2nd Session. Jacket 41-228PDF or 41-228 PDF. The promotion of human rights is an essential piece of our foreign policy. This effort will be a global one that reaches beyond government alone. The reports in this volume will be used as a resource for shaping policy, conducting diplomacy, and arranging assistance, training, and other resource allocations. The reports will also serve as a basis for the U.S. Government's cooperation with private groups to promote the observance of internationally-recognized human rights. The Country Reports on Human Rights Practices cover internationally-recognized civil, political and worker rights, as set forth in the Universal Declaration of Human Rights. These rights include freedom from torture or other cruel, inhuman or degrading treatment or punishment; from prolonged detention without charges; from disappearance or clandestine detention; and from other flagrant violations of the right to life, liberty and the security of the person.

Canada Immigration Success Guide - Ojula Technology Innovations 2022-01-13

It's a very exciting opportunity coming to Canada as an immigrant. Canada is one of the top countries in the world in which you can live and work. It's one of the most popular immigration destinations in the world because it attracts immigrants world-wide. Canada has stable economy, a very high standard of living, educated population and very low crime rates. All this make Canada a preferred choice for immigrants all over the world. Despite the Coronavirus pandemic, Canadian Immigration is still open! Canada is accepting thousands of immigrants every month. Therefore, this is a good time to apply for Canadian Immigration permanent residency or temporary visa. The federal government of Canada is looking to bring over 340,000 permanent resident newcomers to Canada this year, and 100,000 more temporary residents! This book will teach you exactly how to become one of them. When you become a permanent resident of Canada, you can

work and live anywhere in the country. You will also have access to social services and free healthcare. You will enjoy an excellent quality of life that's filled with many job opportunities and amenities. There are more than 100 visa and immigration programs available in Canada. Some of them are based on points, and select the candidates with the highest scores for permanent residency in Canada. There are other programs that are employer-driven. This means that the main requirement is you must arrange employment in Canada. What's more, people with Canadian education and work experience qualify for even more immigration programs! Therefore, if you're looking to apply for Canada permanent residency, study or work in Canada,

this book has a ton of the information you need. It will teach you all the steps you should take and so much more!
