A Universal English-German and German-English Dictionary: German and English - Felix Flügel 1891

A Dictionary of the English and German, and the German and English Language - Joseph Leonhard Hilpert 1857

Natural Burial - Andy Clayden 2014-07-17

This book unravels the many different experiences, meanings and realities of natural burial. Twenty years after the first natural burial ground opened there is an opportunity to reflect on how a concept for a very different approach to caring for our dead has become a reality: new providers, new landscapes and a hybrid of new and traditional rituals. In this short time the natural burial movement has flourished. In the UK there are more than 200 sites, and the concept has travelled to North America, Holland, Australia, New Zealand and Japan. This survey of natural burials draws on interviews with those involved in the natural burial process - including burial ground managers, celebrants, priests, bereaved family, funeral directors - providing a variety of viewpoints on the concept as a philosophy and landscape practice. Site surveys, design plans and case studies illustrate the challenges involved in creating a natural burial site, and a key longitudinal case study of a single site investigates the evolving nature of the practice. Natural Burial is the first book on this subject to bring together all the groups and individuals involved in the practice, explaining the facts behind this type of burial and exploring a topic which is attracting significant media interest and an upsurge of sites internationally. [Horse-shoes and Horse-shoeing: Their Origin, History, Uses, and Abuses. With ... Illustrations](#) - George Fleming (Veterinary Surgeon.) 1869

A dictionary of the English and German languages - Josef Leonhard Hilpert 1845

Plutarch's Lives of Illustrious Men - Plutarch 1880

The Second Funeral of Napoleon - William Makepeace Thackeray 2006

An interesting book about the re-burial of French emperor Napoleon Bonaparte in Paris.

Popular Catholicism in 20th-Century Ireland - Síle de Cléir 2017-10-05

For much of the 20th century, Catholics in Ireland spent significant amounts of time engaged in religious activities. This book documents their experience in Limerick city between the 1920s and 1960s, exploring the connections between that experience and the wider culture of an expanding and modernising urban environment. Síle de Cléir discusses topics including ritual activities in many contexts: the church, the home, the school, the neighbourhood and the workplace. The supernatural belief underpinning these activities is also important, along with creative forms of resistance to the high levels of social control exercised by the clergy in this environment. De Cléir uses a combination of in-depth interviews and historical ethnographic sources to reconstruct the day-to-day religious experience of Limerick city people during the period studied. This material is enriched by ideas drawn from anthropological studies of religion,

while perspectives from both history and ethnology also help to contextualise the discussion. With its unique focus on everyday experience, and combination of a traditional worldview with the modernising city of Limerick - all set against the backdrop of a newly-independent Ireland - *Popular Catholicism in 20th-century Ireland* presents a fascinating new perspective on 20th-century Irish social and religious history.

Dictionary of the English and German, and the German and English Language - Joseph Leonhard Hilpert 1857

Journal ... - Canada. Parliament. House of Commons 1878

Funerals for Horses - Catherine Ryan Hyde 1997

Ella Ginsberg embarks on a journey to find her missing brother and, while searching for him, comes to terms with the tragedies of her past, including her sister's suicide and her mother's descent into mental illness

Horse-and-buggy Mennonites - Donald B. Kraybill 2006

Examining how the Wengers have cautiously and incrementally adapted to the changes swirling around them, this book offers an invaluable case study of a traditional group caught in the throes of a postmodern world."--Jacket.

Lords and Lordship in the British Isles in the Late Middle Ages - Rees Davies 2009-06-11

It is well known that political, economic, and social power in the British Isles in the Middle Ages lay in the hands of a small group of domini-lords. In his final book, the late Sir Rees Davies explores the personalities of these magnates, the nature of their lordship, and the ways in which it was expressed in a diverse and divided region in the period 1272-1422. Although their right to rule was rarely questioned, the lords flaunted their identity and superiority through the promotion of heraldic lore, the use of elevated forms of address, and by the extravagant display of their wealth and power. Their domestic routine, furnishings, dress, diet, artistic preferences, and pastimes all spoke of a lifestyle of privilege and authority. Warfare was a constant element in their lives, affording access to riches and reputation, but also carrying the

danger of capture, ruin and even death, while their enthusiasm for crusades and tournaments testified to their energy and bellicose inclinations. Above all, underpinning the lords' control of land was their control of men-a complex system of dependence and reward that Davies restores to central significance by studying the British Isles as a whole. The exercise and experience of lordship was far more varied than the English model alone would suggest.

The Works of William Makepeace Thackeray: Roundabout papers and The second funeral of Napoleon - William Makepeace Thackeray 1879

British Royal and State Funerals - Matthias Range 2016

The first in-depth study of the ceremonial and music performed at British royal and state funerals over the past 400 years.

Pagan Magic of the Northern Tradition - Nigel Pennick 2015-05-21

A practical guide to the magical history, customs, and practices of pre-Christian Northern Europe • Details the everyday magic of the Northern Tradition, including household magic, protection spells, and the significance of the days of the week • Explores direct natural magic, such as shapeshifting and soul travel, and talismanic or sigil magic, including runes and rituals to unlock the power of crafted objects • Explains how many of these customs continue to the present day In the pre-Christian societies of Northern Europe, magic was embedded in the practical skills of everyday life. Everything in Nature was ensouled with an inner spirit, as was anything made by hand. People believed in magic because it worked and because it was part of the functionality of their day-to-day lives. Many of these practical observances and customs continue to the present day as rural traditions, folk customs, household magic, and celebrations of the high and holy days of the calendar. Exploring the magical pagan traditions of the people now called Celtic, Germanic, Scandinavian, Slavonic, and Baltic, Nigel Pennick examines the underlying principle of the Northern Tradition--the concept of Wyrd--and how it empowers the arts of operative magic, such as direct natural magic and talismanic or

sigil magic. Through direct natural magic, individuals can shape shift, journey out of the body, or send one of their three souls (fylgia or "fetch") ahead of them. Sigil magic involves the powers contained in objects, which can be channeled after the appropriate ritual. Runes are the most powerful sigils in the Northern Tradition and were used to ward off illness, danger, hostile magic, and malevolent spirits. Emphasizing the importance of the cycles of Nature to the tradition, Pennick explores the eightfold sun dials and the four ways the solar year is defined. He looks at the days of the week and their symbolic association with different deities as well as why particular acts are performed on certain days and what the customary lucky and unlucky days are. He also examines sacred spaces, household magic, protection spells, and the role of music in the Northern Tradition. Explaining all the traditional holidays and activities necessary to honor them, Pennick shows how anyone can participate authentically in the magic of the Northern Tradition if they take care to do things properly, with respect, and on the right day.

Neues vollständiges kritisches Wörterbuch der Englischen und Deutschen Sprache - Friedrich Wilhelm Thieme 1859
