DK Eyewitness Greece: Athens and the Mainland - DK Eyewitness 2022-04-18

World-class museums and archaeological sites may be the first things that come to mind when you think of Greece, but the country is home to both old and new. Take Europe's oldest city, for example: Athens has a youthful vibe and buzzing nightlife, where upmarket restaurants stand alongside traditional grill eateries and old-school ouzeris jostle with the trendy cocktail bars of up-and-coming urban neighbourhoods. Meanwhile Thessaloniki, Greece's second city, seduces visitors with its array of Byzantine churches and vibrant contemporary art scene. But it's not all about the cities. Kissed by three seas and stretching from the barren peaks of the northern Pindos to the sunny vineyards of Attica and the

Peloponnese, the rural landscapes of mainland Greece are stunningly diverse. Outdoor adventurers can trek the dramatic Víkos and Lóusios gorges and climb the craggy peaks of Mount Olympos. Whether you want to watch the sun sink behind the marble columns of the Parthenon in Athens, visit iconic archaeological sites such as Delphi and Olympia, or simply soak up the sun on the sandy beaches of Halkidikí, your DK Eyewitness travel guide makes sure you experience all that mainland Greece has to offer. Our newly updated guide brings Athens and the mainland to life, transporting you there like no other travel guide does with expert-led insights, trusted travel advice, detailed breakdowns of all the must-see sights, photographs on practically every page, and our hand-drawn illustrations which place you inside the region's iconic buildings and neighbourhoods. Rome - Dorling Kindersley Publishing Staff

David Dyer's astonishing novel *The Midnight Watch* is based on the true story of the SS

Californian, the ship that saw the Titanic's distress rockets and yet, unfathomably, did nothing. A psychological thriller. Sometimes the smallest of human failings can lead to the greatest of disasters. On a wretchedly cold night in the North Atlantic, a steamer stopped in an icefield sees the glow of another ship on the horizon. Just after midnight the first of eight distress rockets is fired. Why did the Californian look on while the Titanic sank? As soon as Boston American reporter John Steadman lays eyes on the man who stood the midnight watch on the Californian, he knows there's another story lurking behind the official one. Herbert Stone must have seen something, and yet his ship did nothing while the calamity took place. Now Stone, under his captain's orders, must carry his secret in silence, while Steadman is determined to find it out. So begins a strange dance around the truth by these three men. Haunted by the fifteen hundred who went to their deaths in those icy waters, and by the loss of his own baby

son years earlier, Steadman must either find redemption in the Titanic's tragedy or lose himself. Based on true events, *The Midnight Watch* is at once a heart-stopping mystery and a deeply knowing novel - about the frailty of men, the strength of women, the capriciousness of fate and the price of loyalty.
