**Under the Influence of Classic Country** - Sheree Homer 2019-09-26

The music today known as "classic country" originated in the South in the 1920s. Influenced by blues and folk music, instrumentation was typically guitar, fiddle, bass, steel guitar, and later drums, with lyrics and arrangements rooted in tradition. This book covers some of the genre's legendary artists, from its heyday in the 1940s to its decline in the early 1970s. Revivalists keeping the traditions alive in the 21st century are also explored. Drawing on original interviews with artists and their associates, biographical profiles chronicle their lives on the road and in the studio, as well as the stories behind popular songs. Thirty-six performers are profiled, including Ernest Tubb, Ray Price, Loretta Lynn, Bill Anderson, Faron Young, Mickey Gilley, Freddie Hart, Jerry Reed, Charley Pride, David Frizzell, The Cactus Blossoms, The Secret Sisters, and Pokey LaFarge. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px

**Inspirational Poetry** - E. Benjamin Williams 2015-12-30

This collection of inspirational poetry is a testimony of my personal challenges and experiences, biblical knowledge, occurrences throughout the community, as well as those of my friends, immediate and church family. I am grateful to be blessed with the gift of writing and singing, something I do not take for granted. I believe gifts and talents are to be used to help and encourage others near and far, known and unknown. My desire is that this book go to places I may never go, reach people I may never be able to physically reach, bring healing to the sick and shut-in, mend broken hearts, restore marriages, and cause its readers who do not have a relationship with Jesus Christ to come to know Him as their personal Lord and Savior. I believe there is something in this book for everyone. Many of the poems were written as songs and are being compiled into two CDs; the first is being recorded simultaneously with the publishing of this book. Poems such as "God Will Do it Again," "Delayed but Not Denied," "I am so Grateful" and "I'm in Love with a Man Called Jesus" are just a few poems in the form of songs written with the intent of reaching a listening audience with the message of the good news. Be blessed and encouraged as you read.

RIB - Artorius Rex 2015-12-13

One in every three women has been beaten, coerced into sex, date raped, murdered or otherwise abused by a man. There are more than 150 million women in the United States and at least one out of every three wants to know why they are abused by a man. RIB scripturally and secularly provides plausible answers to the reasons why man has been set up to abuse and destroy who a woman was created to be. After reading RIB, women will see how they lower themselves in character, spiritual standing, rank and reputation. This book is a depiction of behaviors that are seen, practiced and accepted by women on a daily basis, without any regards to the degradation it produces for all women. RIB leads you step by step into understandings who women are, what man has caused them to be, and the purpose they have been misled to serve. The wisdom contained in RIB has never been told or linked from so many perspectives. RIB is written with biblical and secular definitions, defining the actions of women who conduct themselves under the constructs of man.

"Absolutely Powerful! is a work of fiction; it is a story of an African leader who amasses power and wealth and the effect of this on ordinary citizens. Ochola tells his story through Professor Pangloss, an academician and a journalist who is detained, tortured and then flees to the US on release. In America, Pangloss enrolls for a course at the famous USC in Los Angeles and it is during that time that he realizes that he has to adjust his way of life radically to fit into the American society. Back in Kenya, the professor becomes one of the most popular broadcasting journalists in the country. With reliable sources working close to the president, Pangloss gets a reliable but rare insight into the operations of African Big Men. The novel is sprinkled with serious debate and dialogue among highly educated Kenyan middle class about their situation and how they can come out of it. To make the book both intellectually challenging and interesting, the story is sometimes told with a light touch of humor. Any reader will find the book educative and entertaining. The novel also tells the story a humorous but sometimes reckless young man, Evans Bosire, who is a close friend of Prof. Pangloss."

*Beyond Memory* - Max Mojapelo 2008

"South Africa possesses one of the richest popular music traditions in the world - from marabi to mbaqanga, from boeremusiek to bubblegum, from kwela to kwaito. Yet the risk that future generations of South Africans will not know their musical roots is very real. Of all the recordings made here since the 1930s, thousands have been lost for ever, for the powers-that-be never deemed them worthy of preservation. If one peruses the books that exist on South African popular music, one still finds that their authors have on occasion jumped to conclusions that were not as foregone as they had assumed. Yet the fault lies not with them, rather in the fact that there has been precious little documentation in South Africa of who played what, or who recorded what, with whom, and when. This is true of all music-making in this country, though it is most striking in the

music of the black communities. Beyond memory: recording the history, moments and memories of South African music is an invaluable publication because it offers a first-hand account of the South African music scene of the past decades from the pen of Max Thamagana Mojapelo, who was situated in the very thick of things, thanks to his job as a DJ at the South African Broadcasting Corporation. This book - astonishing for the breadth of its coverage - is based on his diaries, on interviews he conducted and on numerous other sources, and we find in it not only the well-known names of recent South African music but a countless host of others whose contribution must be recorded if we and future generations are to gain an accurate picture of South African music history of the late 20th and early 21st centuries"--Publisher's description.

Diaries of a Forgotten Parent - Wendy A. Paterson 2010-02-19

Diaries of a Forgotten Parent: Divorced Dads on Fathering Through and Beyond Divorce opens an intimate window on the lives of divorced men. Literature on divorce focuses primarily on its effects on women and

children, but fair and personal accounts of the lived experiences of custodial and non-custodial fathers are less available. In this highly accessible text, ten American men share intensely personal reflections of guilt, pain, frustration, sacrifice, loneliness and pride. The men do not see themselves as exemplary; rather, their stories are graphically honest, revealing what Paterson calls ordinary men “with all their warts.” The author reviews significant works on the male experience of divorce from psychological, legal, educational and sociological experts, interspersing commentary and research with the men’s own voices. From the initial discussion of why men marry and why they divorce through the men’s painful memories of being pushed out of their children’s lives by angry and resentful mothers, the author illuminates the legal, fiscal, emotional and practical experiences of men struggling to reinvent their fathering while they find themselves reconfigured into deserters, deadbeats and visitors. The societal myth that fathers are less valuable parents than mothers is thoroughly deconstructed in this text. The book will help divorced and divorcing men and those who work with them to fully understand the experiences of fathers who never stopped loving and caring for their children, in spite of the fact that the contributions of fathers are still largely discounted by schools, courts, and worst of all, by their children’s mothers. From this book, readers will understand that there are just too many reasons why fathers must never be forgotten in the lives of their children.

He shares a fictional story about Ethan and Annie Hudson, a just-married couple who are in search of a church home and a spiritual life. Through the Hudson's story, Heart focuses on the churchgoers and the issues they may encounter in their Christian walk, while highlighting the minister and his effect on the congregation. *Ethan and Annie's Spiritual Journey* serves as an illuminating force to encourage and restore those who may have walked away from Christ, and it seeks to strengthen those who are striving to stay on the right path. Many view death as life's greatest tragedy, but Heart maintains that a life without Christ and a purpose is the ultimate tragedy.

*Loving God's Way* - Klaas H Baloyi 2016-02-29

Love is not an expression but a powerful act to be demonstrated by those who choose to engage in or share it. Society has socialized people into believing love as something they do not have control over. Love continues to be viewed as a sudden occurrence that ambushes those who share it, without them giving a deep thought of what they are engaging themselves into. As the phrase "falling in love" connotes, people have taken it for what it sounds on face value than an expressive phrase it actually is. Love cannot be a feeling but a choice. It is a conscious decision that one takes at a particular point. This book, therefore, seeks to demystify how love is not a feeling but a decision. Yes! True love does exist. For one to experience it, it is important to understand its essence and how it unfolds. God's philosophy of love provides a basis from which to understand and experience the beauty of love. That love which regards not of its own but of the other. Love is a peculiar partnership, which neither anticipates nor forces a contribution of the other partner. Engaging in a love relationship however, can set you on a path that determines whether you will experience heaven or hell on earth. Choosing right is therefore vital.
