Infant Play Therapy - Janet A. Courtney 2020-03-12

Infant Play Therapy is a groundbreaking resource for practitioners interested in the varied play therapy theories, models, and programs available for the unique developmental needs of infants and children under the age of three. The impressive list of expert contributors in the fields of play therapy and infant mental health cover a wide range of early intervention play-based models and topics. Chapters explore areas including: neurobiology, developmental trauma, parent-infant attachment relationships, neurosensory play, affective touch, grief and loss, perinatal depression, adoption, autism, domestic violence, sociocultural factors, and more. Chapter case studies highlight leading approaches and offer techniques to provide a comprehensive understanding of both play therapy and the ways we understand and recognize the therapeutic role of play with infants. In these pages professionals and students alike will find valuable clinical resources to bring healing to family systems with young children.

Connecting with Kids Through Stories - Denise B. Lacher 2012

This is an accessible guide to using therapeutic stories to help connect with troubled adopted children. It demonstrates how parents and professionals can create their own stories to help children heal, and explains the theory behind the therapy. This second edition includes updated research and full sample stories.

Denied! Failing Cordelia - Simon Cambridge 2014-08-30

The Cankered Rose and Esther's Revenge begins the author's dramatic journey of adopting his teenage daughter with severe attachment issues in Seattle. The heartbreak of then seeing Cordelia "stolen" by the efforts of his former wife and the child-welfare legal complex in Los Angeles, alongside that of the trauma of being denied during efforts to reunify with her are each foreshadowed here. Issues surrounding adoption trauma, parenting children with reactive attachment disorder, and the author's own struggles with Asperger's syndrome will be his constant companions on this perilous journey of adopting, losing, and then trying to reunite with his beloved daughter. In this and subsequent volumes, the author will also be questioning the ability of the child-welfare legal complex and the Los Angeles Juvenile Dependency Court to understand the nature of damaged child attachment or the therapeutic parenting needed to heal children with "special needs." Ultimately, each would be as responsible for "failing Cordelia" as the breaking of the violent waves for the shattering movement of the rocks on the beach.

IFS Das System der Inneren Familie - Richard C. Schwartz 2008

Mit diesem Buch führt Richard Schwartz, Begründer des Internal Family Systems (IFS), den Leser auf leicht verständliche Art und Weise in die grundlegenden Konzepte und Methoden dieses therapeutischen Modells ein. Es hilft Therapeuten, ihr professionelles Verständnis zu vertiefen, und Klienten, ihren eigenen therapeutischen Prozess besser zu verstehen. Die IFS-Therapie ist in Amerika ein schnell wachsender Zweig der Systemischen Psychotherapie. Im Lauf der letzten 20 Jahre hat sich dieser Ansatz zu einer sehr effektiven Methode entwickelt, die das Verstehen und die Behandlung menschlicher Probleme ermöglicht, und zwar auf eine stärkende und nicht pathologisierende Weise. IFS trägt zur inneren Heilung bei, indem es Menschen befähigt, sich dem eigenen Inneren so zuzuwenden, dass positive und nachhaltige Veränderungen stattfinden können. Wertschätzung, Achtsamkeit und Selbstführung spielen dabei eine zentrale Rolle.

Securely Attached - Kristin Berry 2020-10-06

Has Trauma Affected the Child You're Caring For? Just as you prepared your home to welcome a new child, it is important to prepare your heart and mind—especially if the child has suffered from a background of trauma. Perhaps your invitation for love is met with hostility, and you find that this new member of your family rejects connection. If so, then it's critical to acknowledge the effects of trauma on a child's ability to attach. Mike and Kristin Berry realized this when they became adoptive and foster parents. In their twenty-year marriage, they have had the joy

of adopting eight children and fostering twenty-three. They now offer guidance from their own journey to others parenting a child who has experienced past trauma. In *Securely Attached*, they offer practical insights that are supported by therapeutic and medical facts, so all parents can provide best for the children in their care. You'll learn: How trauma changes the brain How to identify trauma-induced behaviors How to identify attachment disorders How to advocate for your child in the community. Get the help you need to better care for the children in your home. Discover how you can create a family and home that is safe and supportive so your children can grow to trust and become securely attached.

KnowOrphans - Rick Morton 2014-02-03

The global orphan crisis is complex. The church's response should be comprehensive, but is it? In this provocative follow-up to *Orphanology*, author Rick Morton provides the framework for families and churches to have a gospel-centered response to the growing global issue of orphan care. *KnowOrphans* addresses three distinct areas associated with global orphanology. Delving deeper into the criticisms of the movement, the need for reform, and what families can expect, author Rick Morton helps shape realistic perceptions of the challenges and rewards adoptive parents face in transnational adoptions. Through illuminating the work internationally adoptive families can expect, *KnowOrphans* offers solutions for the church in remedying the ills and deficiencies surrounding the church's role in equipping and supporting families before, during, and after the adoption process. Knowing that the church's response and attitude should be one that goes beyond adoption, *KnowOrphans* also addresses the complexities of how Christians are to respond ethically, compassionately, and comprehensively to the biblical call to care for orphans. *KnowOrphans* is the next step in conversation as this evangelically based movement of orphan care matures and begins to live out James 1:27 globally.

Integrative Play Therapy - Athena A. Drewes 2011-07-26

An integrative approach to play therapy blending various therapeutic treatment models and techniques Reflecting the transition in the field of play therapy from a "one size fits all" approach to a more eclectic framework that integrates more than one perspective, *Integrative Play Therapy* explores methods for blending the best theories and treatment techniques to resolve the most common psychological disorders of childhood. Edited by internationally renowned leaders in the field, this book is the first of its kind to look at the use of a multi-theoretical framework as a foundation for practice. With discussion of integrative play treatment of children presenting a wide variety of problems and disorders—including aggression issues, the effects of trauma, ADHD, anxiety, obsessive-compulsive disorders, social skills deficits, medical issues such as HIV/AIDS, and more—the book provides guidance on: Play and group therapy approaches Child-directed play therapy with behavior management training for parents Therapist-led and child-led play therapies Cognitive-behavioral therapy with therapeutic storytelling and play therapy Family therapy and play therapy Bibliotherapy within play therapy An essential resource for all mental health professionals looking to incorporate play therapy into treatment, *Integrative Play Therapy* reveals unique flexibility in integrating theory and techniques, allowing practitioners to offer their clients the best treatment for specific presenting problems.

Child-Parent Relationship Therapy (CPRT) - Garry L. Landreth 2019-09-05

Child-Parent Relationship Therapy (CPRT), grounded in the attitudes and principles of Child-Centered Play Therapy (CCPT), is based on the belief that a parent acting as an agent for change in place of a play therapist has potential for significant and lasting therapeutic gains. This newly expanded and revised edition of *Child-Parent Relationship Therapy (CPRT)* describes training objectives, essential skills and concepts taught in each session, as well as the format for supervising parents' play

sessions. Transcripts of actual sessions demonstrate process and content in the 10 CPRT training sessions. Research demonstrating the effectiveness of CPRT on child and parent outcomes is presented in support of CPRT's designation as an evidence-based treatment model. This second edition is updated to include six new chapters exploring the topics of cultural considerations for working with ethnically and racially diverse families, neuroscience support for CPRT, and adaptations for specific populations including parents of toddlers, parents of preadolescents, adoptive families, and the teacher/student relationship. The authors' expertise and experience results in a book that is essential reading for both students and professionals. By using this text and the accompanying treatment manual, filial therapists will have a complete package for training parents in the CPRT model.

Parents as Partners in Child Therapy - Paris Goodyear-Brown
2020-12-30

This book addresses a key need for child therapists--how to actively involve parents in treatment and give them tools to support their child's healthy development. Known for her innovative, creative therapeutic approach, Paris Goodyear-Brown weaves together knowledge about play therapy, trauma, attachment theory, and neurobiology. She presents step-by-step strategies to help parents understand their child's needs, reflect on their own emotional triggers, set healthy boundaries, make time together more fun, and respond effectively to challenging behavior. Filled with rich clinical illustrations, the volume features 52 reproducible handouts and worksheets. Purchasers get access to a Web page where they can download and print the reproducible materials in a convenient 8 1/2" x 11" size.

Rehabilitation and Remediation of Internationally Adopted Children - Boris Gindis 2021-10-21

This book presents an integrated, practical system for the rehabilitation and remediation of post-institutionalized international adoptees.

Children and Trauma - Brianna Kramer 2022-04-30

According to the American Psychological Association (APA, 2015), trauma is an emotional response to a terrible event, which can lead to difficulties with emotional regulation, social relationships, and the development of physical symptoms. Traumatic experiences may include physical or sexual abuse, neglect, experiencing or witnessing violence, war, suicides, and disasters. Because of the prevalence of students with traumatic experiences in K-12 schools, development and use of trauma-informed practices (TIP) is currently increasing in educational spaces across the United States as educators and others who work with children become more aware of how socio-emotional development and exposure to trauma places children on a pathway through adulthood. Because of growth in these areas, it is important for educators and others who work with children to have a resource to consult. *Children and Trauma: Critical Perspectives for Meeting the Needs of Diverse Educational Communities* provides teachers, administrators, and others involved in education with an understanding of trauma-informed practices and explains how they can be used in the classroom. Additionally, school districts could utilize this text to implement professional development, particularly if they are considering creating a districtwide trauma-informed system. Perfect for courses such as: Trauma-Informed Educational Practice | Psychology | Educational Psychology | Foundations of Education | Pedagogy | Methods of Emotional or Behavioral Disorders | Teaching Methods | Diversity in Education | Social Work | Human Development

Identifying, Treating, and Preventing Childhood Trauma in Rural Communities - Baker, Marion 2016-06-09

While there have been great strides made in the treatment options available to trauma victims, there is a noticeable gap in the availability of medical, social, and psychological options in rural communities. As these hurdles gain more recognition, especially in regards to traumatized children, research efforts have been intensified in an effort to increase the overall awareness of and find solutions to the improper treatment being provided. *Identifying, Treating, and Preventing Childhood Trauma in Rural Communities* depicts the issues and challenges rural areas face when treating victims of trauma, especially children and adolescents. Featuring information on language and cultural barriers, as well as the lack of resources available within these rustic environments, this publication serves as a critical reference for researchers, clinicians, educators, social workers, and medical providers.

Child-Parent Relationship Therapy (CPRT) Treatment Manual - Sue C. Bratton 2019-08-28

This newly expanded and revised edition of the *Child-Parent Relationship Therapy (CPRT) Treatment Manual* is the essential companion to the

second edition of *Child-Parent Relationship Therapy (CPRT)*. The second edition is updated to include four new CPRT treatment protocols and parent notebooks adapted for specific populations: parents of toddlers, parents of preadolescents, adoptive families, and the teacher/student relationship, along with the revised original CPRT protocol and parent notebook for ages 3–10. This manual provides the CPRT/filial therapist a comprehensive framework for conducting CPRT. Included are detailed outlines, teaching aides, activities, and resources for each of the 10 sessions. The manual is divided into two major sections, *Therapist Protocol and Parent Notebook*, and contains a comprehensive CPRT Training Resources section along with an index to the accompanying Companion Website. The accompanying Companion Website contains all necessary and supplemental training materials in a format that allows for ease of reproduction and enhanced usability including the following: CPRT Protocol—Ages 3 to 10 and Parent Notebook Toddler Adapted CPRT Protocol and Parent Notebook Preadolescent Adapted CPRT Protocol and Parent Notebook Adoptive Families Adapted CPRT Protocol and Parent Notebook Teacher/Student Adapted Protocol and Teacher Notebook Therapist Study Guide Training Resources, Teaching Aides and Supplemental Materials Marketing Materials Assessments Drawing on their extensive experience as professional play therapists and filial therapists, Bratton and Landreth apply the principles of CCPT and CPRT in this easy-to-follow protocol for practitioners to successfully implement the evidence-based CPRT model. By using this manual and the accompanying Companion Website in conjunction with the CPRT text, filial therapists will have a complete package for training parents in CCPT skills to act as therapeutic agents with their own children.

The Connected Child: Bring Hope and Healing to Your Adoptive Family - Wendy Sunshine 2007-03-15

"An extremely useful parenting handbook... truly outstanding ... strongly recommended." --Library Journal (starred review) "A tremendous resource for parents and professionals alike." --Thomas Atwood, president and CEO, National Council for Adoption The adoption of a child is always a joyous moment in the life of a family. Some adoptions, though, present unique challenges. Welcoming these children into your family--and addressing their special needs--requires care, consideration, and compassion. Written by two research psychologists specializing in adoption and attachment, *The Connected Child* will help you: Build bonds of affection and trust with your adopted child Effectively deal with any learning or behavioral disorders Discipline your child with love without making him or her feel threatened "A must-read not only for adoptive parents, but for all families striving to correct and connect with their children." --Carol S. Kranowitz, author of *The Out-of-Sync Child* "Drs. Purvis and Cross have thrown a life preserver not only to those just entering uncharted waters, but also to those struggling to stay afloat." --Kathleen E. Morris, editor of *S. I. Focus* magazine "Truly an exceptional, innovative work . . . compassionate, accessible, and founded on a breadth of scientific knowledge and clinical expertise." --Susan Livingston Smith, program director, Evan B. Donaldson Adoption Institute "The Connected Child is the literary equivalent of an airline oxygen mask and instructions: place the mask over your own face first, then over the nose of your child. This book first assists the parent, saying, in effect, 'Calm down, you're not the first mom or dad in the world to face this hurdle, breathe deeply, then follow these simple steps.' The sense of not facing these issues alone--the relief that your child's behavior is not off the charts--is hugely comforting. Other children have behaved this way; other parents have responded thusly; welcome to the community of therapeutic and joyful adoptive families." --Melissa Fay Greene, author of *There is No Me Without You: One Woman's Odyssey to Rescue Africa's Children*

Raising the Challenging Child - Karen Doyle Buckwalter 2020-01-07

What's the worst you've ever faced as a parent? An all-out tantrum at the mall? A son who won't take out his earbuds to listen to you? A daughter who's failing at school and won't do her homework? A teen who constantly breaks curfew? A call from the police? Whatever you're dealing with, *Raising the Challenging Child* will help. Building on their work at Chaddock, a nonprofit organization that has worked with some of the most challenging kids in the nation for more than 150 years, the authors empower frustrated parents with practical tips and real-life examples on how to - minimize behavioral meltdowns - reduce conflict - increase cooperation - promote healthy attachment - improve family relationships The strategies they share work both for the child who is going through a difficult phase brought on by life disruption or trauma, and for the child who faces chronic struggles. Parents, teachers, and those who work with children and youth will find positive, practical steps

they can start taking today in order to understand and address the baffling behavior of the child under their care.

Welcoming a New Brother or Sister Through Adoption - Arleta James 2013-03-28

Adoption is a big step which can change the whole dynamics of the family. It is crucial that parents understand the impact it has when new sibling relationships are forged and an adoptee becomes a part of the family. *Welcoming a New Brother or Sister through Adoption* is a comprehensive yet accessible guide that describes the adoption process and the impact of adoption on every member of the family, including the adopted child. It prepares families to have realistic expectations and equips them with knowledge to deal with a host of situations that may arise, addressing difficult questions head-on: 'Did we make the right choice by adopting?', 'How is this affecting our 'typical' children?', 'Will our adopted son or daughter heal?' are explored and solutions discussed in detail. All this is accompanied with real life stories and direct quotes from children, which make it a realistic and insightful resource. This book is vital reading for adoptive families and professionals who work with them including social workers, counselors and psychologists.

Firekeeper's Daughter - Angeline Boulley 2022-03-01

Bewahre das Geheimnis. Lebe die Lüge. Finde deine Wahrheit. Die 18-jährige Daunis Fontaine hat nie wirklich dazugehört, weder in ihrer Heimatstadt noch in der nahe gelegenen Ojibwe-Reservation. Denn sie ist halb weiß, halb Native American. Daunis träumt von einem Neustart am College, wo sie Medizin studieren möchte. Doch als sie sich plötzlich um ihre Mutter kümmern muss, beschließt Daunis, die eigenen Pläne vorerst auf Eis zu legen. Der einzige Lichtblick ist Jamie, der neue und sehr charmante Spieler im Eishockeyteam von Daunis' Bruder Levi. Daunis genießt seine Aufmerksamkeit und hat sich gerade in ihrem Leben eingerichtet, als sie Zeugin eines schrecklichen Mordes wird. Damit nicht genug, wird sie vom FBI rekrutiert, um undercover zu ermitteln. Widerstrebend willigt Daunis ein und erfährt so Dinge, die ihre Welt vollkommen auseinanderreißen ... Ein bahnbrechender, fulminanter Thriller über eine Native American, die in einen Mordfall verwickelt wird - direkt nach Erscheinen auf Platz 1 der New-York-Times-Bestsellerliste.

The Back Side of the Cross - Diane Leclerc 2022-06-29

The cross has always been portrayed as the means of salvation and forgiveness for sinners, but does it have anything to say to those who have been sinned against? This book shows that the atonement of Christ has powerful potential to speak to those who have been wronged, especially those who have been abused and abandoned in countless ways—those who cower at the back side of the cross wondering if they are included. As victims of various kinds of abuse are beginning to come out of the shadows in cultural conversation and in the context of the church, *The Back Side of the Cross* is a timely book for several audiences. It is thoroughly rigorous and will interest theologians and their students; it also offers a very practical section for pastors and those who want to care for the wounded; and it can even reach survivors themselves as it offers true hope in the urgency of such real pain.

Achtsame Kommunikation mit Kindern - Daniel J. Siegel 2013

Nursing Care of Adoption and Kinship Families - Dr. Karen J. Foli, PhD, MSN, RN, FAAN 2016-12-28

"This is a landmark book that should be read around the world. For far too long adoption and kinship families have not received the attention that they so sorely need...The material in this book is well researched, sensitively delivered, and essential for any clinician for adoption and kinship families."—Cheryl Tatano Beck, DNSc, CNM, FAAN, Professor, School of Nursing, University of Connecticut-Storrs, From the Foreword Provides foundational knowledge on how to provide current, evidence-based, clinical best practices for the specific needs of adoption and kinship families. To be a family, and what that means in society, is undergoing dramatic changes that reflect fluidity in the definition of spouse, children, and kin. Pediatric, family, adult-gerontology, psychiatric-mental health, and other advanced practice nurses increasingly serve as frontline primary care providers for the growing number of adoption and kinship families. The creation and preservation of these nontraditional families are often replete with social, cultural, and legal issues that the advanced practice nurse must recognize to provide optimal care. This groundbreaking clinical guide breaks down the adoption and kinship triads into their distinct parts—the birth parents, adoptive or kinship parents, and the child—and analyzes the relationships among them and how the nurse can assist their development. Beginning with an overview of adoption and kinship parenting, this book also discusses the specific psychosocial and health

care-related needs of adoption and kinship families using detailed case studies to illustrate a variety of conditions and circumstances, along with guidance on how nurses should intervene. A clinically focused section within the case study chapters covers assessment, interventions, referrals, and follow-up considerations. Learning objectives at the beginning of each chapter relay major discussion points and sidebars embedded in each chapter provide related resources for additional information on the health care considerations of adoption and kinship families. Key Features: Addresses nursing's specific role in the holistic assessment and care of the different members of adoption and kinship families Authored by a renowned nurse leader in adoption and kinship care Provides chapter objectives, highlights, and questions for reflection Promotes current, evidence-based best practices Includes a glossary of adoption-friendly language Discusses nursing practice within the context of a larger health care team

Ich Hatte Einmal Sehr Sehr Grosse Angst - Chandra Ippen 2018-04-20

A little squirrel announces that he was once very, very, scared and finds out that he is not alone. Lots of little animals went through scary experiences, but they react in different ways. Turtle hides and gets a tummy ache, monkey clings, dog barks, and elephant doesn't like to talk about it. They need help, and they get help from grown-ups who help them feel safe and learn ways to cope with difficult feelings. This story was written to help children and grown-ups (parents, teachers, and other important adults) understand how stress can affect children and ways to help them.

Fun Games and Physical Activities to Help Heal Children Who Hurt - Beth Powell 2018-02-21

Develop children's brains and bonds with this collection of no-tech, physical games, strategies and activities. Ideal for children who have experienced neglect, abuse and trauma, these "real-world" experiences draw on therapeutic, trauma-focused-care play principles and promote positive attachment between child and caregivers. Explanations for how and why specific play themes and caregiver attitudes can help children's brain development enhance the text. The book also shows how children learn to problem-solve real life situations by playing them out, finding workable solutions to their own problems, and increasing their resiliency. Further benefits include better cause-effect thinking, impulse control, and increased cognitive and emotional functioning by practicing physical movements that exercise specific areas of the brain.

Denied! Failing Cordelia: Parental Love and Parental-State Theft in Los Angeles Juvenile Dependency Court - Simon Cambridge 2019-09-17

Climbing the Broken Judicial Ladder continues the author's journey of exploring the heartbreak and loss of first adopting Cordelia with severe reactive attachment disorder (RAD) in Washington state and then of nearly losing her to the draconian and confused child welfare legal complex in Los Angeles. In this third volume of his *Denied! Failing Cordelia* trilogy, Cambridge climbs the broken California judicial ladder from the California Court of Appeals (Second Appellate District) based in Los Angeles to the California Supreme Court. Cambridge concludes that in appeals relating to dependency cases, the ladder is broken for parents seeking to advocate for themselves and for the true best interests of their children. Policies relating to child welfare are flawed, Cambridge argues, because of the preemptive and prejudicial response to the issues raised during the detention of children. As with his two earlier books, Cambridge explores issues connected with how best to parent his adopted daughter and advocate for her needs in the context of a dependency case. Cordelia's reactive attachment disorder would surface throughout the judicial struggle as would the author's own struggles with Asperger syndrome. Each would feed negatively into the overall trauma and drama of the author's unrelenting quest to reunite his "forever family." Cambridge believes that dependency proceedings are ill-equipped on many levels to elicit a proper understanding of RAD or of the therapeutic parenting needed to address it. Cambridge believes that adoptive parents of children with special needs need to be understood by more sympathetic social workers and by therapists trained in attachment disorders. Cambridge's persistent efforts to reunite his "forever family" would leave him increasingly isolated as he climbs the judicial ladder. Based on his experiences, Cambridge explores areas for reform in Los Angeles dependency proceedings and evokes Shakespeare's *King Lear* by arguing that social workers need to "see better" and that the Los Angeles Juvenile Dependency Court needs to encourage a broader understanding of the issues raised through more effective legal advocacy from assigned dependency lawyers. Cambridge argues that parents should be allowed to address the court directly. Cambridge also relates how he and his

daughter have found many positive and healthy ways to heal in the years since their dependency case ended. Much trauma could have been avoided if those around them had "seen better" and had recognized the value in their dramatic and loving adoption journey.

The Connected Parent - Lisa Qualls 2020-07-07

You Can Effectively Parent an Adopted or Foster Child Parenting under the best of circumstances is difficult, but because of their unique needs, raising children from hard places brings additional challenges. You might discover that traditional techniques that may have worked for you with your birth children are not working with your adopted or foster child. Renown child development expert Dr. Karyn Purvis will give you practical advice and powerful tools you can use to encourage secure attachment in your child, just as she did for coauthor Lisa Qualls. You will benefit from Karyn's decades of research and understanding, plus Lisa's hands-on experience and successful implementation of the strategies shared in this book. You will learn how to simplify your approach using scripts, nurture your child, combat chronic fear, teach respect, and develop other valuable skills to add to your parenting toolbox. The Connected Parent will help you lovingly guide your children and bring renewed hope and healing to your family.

Called to Care - Bill Blacquiere 2019-09-17

More and more individuals, families, and churches are seeking ways they can respond to the biblical mandate to care for "the least of these." The desire to help children coming from difficult situations is a necessary starting point, but what comes next? You need to know the steps for getting involved and what will truly help. Filled with real-life stories and practical advice, Called to Care starts by helping you honestly assess your motivation to help--sometimes the wrong motivation sets the stage for an unsuccessful experience. From there, the book shows what adoption and foster care really look like in a variety of situations, from domestic and international adoptions to short-term foster care and foster-to-adopt arrangements. Also included is how churches and individuals can minister to refugees. Rounding out this comprehensive yet concise book are tips for assessing your preparedness, how to meet common emotional and physical challenges, and the most effective ways to help families stay together and thrive. Bethany is a global nonprofit that supports children and families with world-class social services, all designed to help families thrive. We believe every child deserves to be loved, connected, and empowered through family.

Forming Resilient Children - Holly Catterton Allen 2021-09-21

We can't protect children from all hardships, but we can promote healthy development that fosters resilience. In this interdisciplinary work, Holly Catterton Allen equips educators, counselors, children's ministers, and parents with ways of developing children's spirituality so they can persevere when facing trauma and thrive in challenging times.

How to Listen So Your Kids Will Talk - Becky Harling 2021-01-05

Good parenting depends on good communication. The problem is, we parents tend to over-talk. Not only is this ineffective, it discourages children from sharing what's on their hearts. In this immensely practical book, communications expert Becky Harling shares the best listening practices to transform your family's relationships and set your children up for success, including how to · help them express their feelings in healthy ways · listen to affirm their strengths · model how to navigate conflict with grace · listen to God, knowing that he "bends down to listen" to us (Psalm 116:2 nlt) Whether your son or daughter is in preschool, grade school, or high school, intentional listening will help them feel heard, valued, and empowered to find their unique voice. The practices you put into place now will set a foundation for strong relationships into adulthood.

The Adoptive Parents' Handbook - Barbara Cummins Tantrum 2020-09-01

The essential guide to parenting adopted and foster kids--learn to create felt safety, heal attachment trauma, and navigate challenging behaviors and triggers Children who have been adopted and/or shuttled through the foster-care system experience trauma at a much higher rate than other kids, which can make it difficult for them to trust, relax, regulate their emotions, and connect with their new families. As a parent, learning how to heal attachment trauma, attune to your child's needs, identify triggers, and create felt safety is essential to providing the loving, supportive, and stable home they need to thrive. Written for parents of adopted and foster kids of all ages, this book offers resources for handling common concerns like sleep issues, food sensitivities, anger, fear, and reactivity. It also provides guidance on navigating transracial adoptions, working through parents' own hang-ups, and recognizing signs of developmental and psychological conditions. The book highlights

practical strategies and provides real-life examples to address questions like: · How do I help my adopted child adjust? · Is this kind of behavior "normal"? · How do I help my child live, heal, and thrive with PTSD? Attachment Theory in Action - Karen Doyle Buckwalter 2017-12-06 In this volume, distinguished therapists and clinicians offer a broad range of effective attachment-based interventions for children with a history of attachment difficulties and complex trauma.

Die Mitternachtsbibliothek - Matt Haig 2021-01-27

Stell dir vor, auf dem Weg ins Jenseits gäbe es eine riesige Bibliothek, gesäumt mit all den Leben, die du hättest führen können. Buch für Buch gefüllt mit den Wegen, die deiner hätten sein können. Hier findet sich Nora Seed wieder, nachdem sie aus lauter Verzweiflung beschlossen hat, sich das Leben zu nehmen. An diesem Ort, an dem die Uhrzeiger immer auf Mitternacht stehen, eröffnet sich für Nora plötzlich die Möglichkeit herauszufinden, was passiert wäre, wenn sie sich anders entschieden hätte. Jedes Buch in der Mitternachtsbibliothek bringt sie in ein anderes Leben, in eine andere Welt, in der sie sich zurechtfinden muss. Aber kann man in einem anderen Leben glücklich werden, wenn man weiß, dass es nicht das eigene ist? Matt Haig ist ein zauberhafter Roman darüber gelungen, dass uns all die Entscheidungen, die wir bereuen, doch erst zu dem Menschen machen, der wir sind. Eine Hymne auf das Leben - auch auf das, das zwickt, das uns verzweifeln lässt und das doch das einzige ist, das zu uns gehört.

The Everything Parent's Guide to Raising Your Adopted Child -

Corrie Lynn Player 2008-08-17

Domestic or international? Baby or older child? A child with special needs? The number of decisions you will need to make when deciding to adopt can at times seem overwhelming. The Everything® Parent's Guide to Raising Your Adopted Child offers all the information any potential or newly adoptive parent might need. Parenting expert and adoptive parent Corrie Lynne Player has interviewed hundreds of adoptive parents and presents a cross-section of age, ethnicity, and cultural backgrounds to help you make the most informed decisions. This essential guidebook is packed with reassuring advice on how to handle the most common issues, including: -Questions to ask before adopting -Bonding techniques for each age group—from newborn to teenager -Adopting children with physiological or psychological special needs -Adopting outside your ethnic group -Navigating international adoptions -Fielding difficult questions about your adopted child's birth parents -Helping your adopted child cope with feelings of loss and abandonment With this book by your side, you will bond with your child for a lifetime!

Thriving Families - Jennifer Ranter Hook 2023-01-17

A practical roadmap for foster and adoptive families Caring for children is deeply important to the heart of God, and adoption and foster care are important callings that connect to God's heart for children and families. But this road isn't always easy. It's important that foster and adoptive parents prepare to address their children's history of trauma, separation, and disrupted placements, which can lead to mental health, emotional, and behavioral difficulties. It is also important to understand how this journey shapes and influences our children. We cannot ignore the deep feelings and questions that children experience as they try to understand their story. How can we help them navigate their identity, and sit with them in the unknowns of their story or the grief and loss that comes up? Drawing on the latest science and research on trauma, attachment, sensory processing difficulties, cultural competence, and grief and loss, authors Josh and Jenn Hook provide a trauma-informed approach to help adoptive and foster families—and the church called to care for the vulnerable in our midst—to help their children heal, grow, and thrive.

The Science of Parenting Adopted Children - Arleta James 2019-06-21

Explaining how adoptive parents can help their traumatised child develop, it looks at the many different factors that can manifest in trauma, and how parents should respond to them.

Does My Child Have Ptsd? - Jolene Philo 2015-10-13

A mother, advocate, and educator shares research and personal experience in this guide to help anyone care for children dealing with PTSD. Is it possible that the struggles you have with your child may be because he or she suffers from post-traumatic stress disorder (PTSD)? Once ignored, even by the medical professionals treating war veterans, PTSD is gaining global recognition as a very real and serious issue for those who have experienced traumatic events, even children. When children experience medical illness, witness violence, or are abused, it can leave a lasting effect. According to recent studies, 50 to 60 percent of children who experience these traumas early in life may suffer from a form of PTSD, leading to issues in childhood, through adolescence, and

even into adulthood. Does My Child Have PTSD? is designed for readers looking for answers about the puzzling, disturbing behaviors of children in their care. With years of research and personal experience, Philo provides critical information to help people understand causes, symptoms, prevention, and effective diagnosis, treatment, and care for any child struggling with PTSD. "Philo's dramatic story will capture the reader's attention, and there's tremendous value in her patient explanations, from a simple definition of trauma to an exploration of PTSD causes, myths, and common terminology. . . . Though occasionally heart-wrenching, the book is organized so simply and logically as to be easy to follow and digest. Each chapter ends with "reflection questions" and additional valuable resources. Philo concludes on a hopeful note, providing encouragement and reassurance for other families in similar situations." —Publishers Weekly, Starred Review

The Role of Child Life Specialists in Community Settings - Lowry, Genevieve 2022-10-14

While the genesis of the Certified Child Life Specialists (CCLS) is in the healthcare setting, the theory and practice of child life has been successfully applied to environments outside of the healthcare field. The interest and pursuit of child life roles in non-healthcare settings have increasingly become of interest to students and professionals; however, further study is required to understand the various challenges and opportunities. The Role of Child Life Specialists in Community Settings serves as an innovative guide for those interested in pursuing child life in diverse settings with the education and credentials received through their child life certification and addresses issues the field currently faces related to saturation of the field, burn out, and diversity, equity, and inclusion. The book also serves as a catalyst to push the profession as a whole beyond its current healthcare boundaries. Covering topics such as grief, addiction, disaster relief, and family wellbeing, this major reference work is ideal for psychologists, medical professionals, nurses, policymakers, government officials, researchers, scholars, academicians, practitioners, instructors, and students.

Foster the Family - Jamie C. Finn 2022-02-15

There are great rewards that come along with being a foster parent, yet there are also great challenges that can leave you feeling depleted, alone, and discouraged. The many burdens of a foster parent's day--hurting children, struggling biological parents, and a broken system--are only compounded by the many burdens of a foster parent's heart--confusion, anxiety, heartache, anger, and fear. With the compassion and insight of a fellow foster parent, Jamie C. Finn helps you see your struggles through the lens of the gospel, bringing biblical truths to bear on your unique everyday realities. In these short, easy-to-read chapters, you'll find honest, personal stories and practical lessons that provide encouragement and direction from God's Word as you walk the journey of foster parenting.

Das Kind in dir muss Heimat finden - Stefanie Stahl 2015-11-16

Glückliche Beziehungen durch Urvertrauen Jeder Mensch sehnt sich danach, angenommen und geliebt zu werden. Im Idealfall entwickeln wir

während unserer Kindheit das nötige Selbst- und Urvertrauen, das uns als Erwachsene durchs Leben trägt. Doch auch die erfahrenen Kränkungen prägen sich ein und bestimmen unbewusst unser gesamtes Beziehungsleben. Erfolgsautorin Stefanie Stahl hat einen neuen, wirksamen Ansatz zur Arbeit mit dem »inneren Kind« entwickelt: Wenn wir Freundschaft mit ihm schließen, bieten sich erstaunliche Möglichkeiten, Konflikte zu lösen, Beziehungen glücklicher zu gestalten und auf (fast) jedes Problem eine Antwort zu finden.

Disrupting and Countering Deficits in Early Childhood Education - Fikile Nxumalo 2019-08-15

This powerful edited collection disrupts the deficit-oriented discourses that currently frame the field of early childhood education (ECE) and illuminates avenues for critique and opportunities for change.

Researchers from across the globe offer their insight and expertise in challenging the logic within ECE that often frames children and their families through gaps, risks, and deficits across such issues as poverty, language, developmental psychology, teaching, and learning. Chapters propose practical responses to these manufactured crises and advocate for democratic practices and policies that enable ECE programs to build on the wealth of cultural and personal knowledge children and families bring to the early learning process. Moving beyond a dependence on deficits, this book offers opportunities for scholars, researchers, and students to consider their practices in early education and develop their understanding of what it means to be an educator who seeks to support all children.

Sacred Privilege - Kay Warren 2017-05-02

Life as a pastor's wife offers meaningful opportunities to play a significant part in God's work, to witness and participate in the beauty of changed lives. Yet it also carries the potential for deep wounds and great conflict that can drain the joy out of service. Is it worth it? Oh, yes, says Kay Warren, wife of Pastor Rick Warren and cofounder of Saddleback Church. It is more than worth the risk--it's a sacred privilege. Drawing on more than forty years in ministry in every possible size church, Kay provides encouraging principles and life lessons, along with intimate personal stories, that will give readers the confidence needed to lead and live well. Pastor's wives learn to - accept who they are - adapt to change - help their children survive and thrive - protect their private lives - deal with criticism - live with integrity - develop an eternal perspective Whether she is excited, struggling, or feeling broken and tired, every pastor's wife will find hope and encouragement for their calling in Kay's warm and wise words.

Fratelli Tutti - Papst Franziskus 2020-10-05

Fratelli Tutti ist die neue Enzyklika von Papst Franziskus über die universelle Brüderlichkeit. Ein Buch, das zu den unzähligen Lehren beiträgt, die der Heilige Vater der ganzen Welt anbieten möchte. Diese Enzyklika ist für den Ort und das Datum der Veröffentlichung der Enzyklika von großer Bedeutung. Tatsächlich unterzeichnet der Heilige Vater diese Enzyklika über die universelle Brüderlichkeit am Grab des seraphischen Vaters, des Heiligen Franziskus von Assisi. Vielleicht ist dies eine Warnung an die Welt, Brüder zu sein.
