practicing oncologist, Dr. Al Weir works daily with patients who receive bad news. When Your Doctor Has Bad News gives you proven principles that will enable you to choose a life worth living, no matter what news the doctor has given you. "Dr. Weir . . . guides the reader—especially the one who has received bad news—past the soul-numbing shock of a dismal medical report. He reminds us of the soothing comfort available in the Word of God, of the heartwarming precepts upon which we can build a new life, and of the simple steps a family can take to promote hope and healing."—Joni Eareckson Tada (from the introduction)

This is a book written as it was being lived. This is not a medical journal written as a result of research nor is it a memoir written years or decades in retrospect. These are our experiences with autism spectrum disorder and the trials and tribulations our family has been through, almost in real time. The reader is taken into our emotions: the happiness, sadness, terror, and endless love that our family has experienced since diagnosis. You will meet our son, diagnosed just after his fifth birthday, and the many others that have helped us along this journey. Including, a very special friend that has become a member of our family and completely inseparable. The reader is taken into our home and experiences some of the same coping mechanisms and techniques that we have utilized to make this condition livable and life a little easier. I give my unsolicited advice as to how to make it through some of the most challenging times of this condition. This book is a reference for families living with autism so that they know they are not alone in this

struggle, there are ways to learn and cope with this condition, and there are many resources available to help them. Make no mistake, if someone you know is diagnosed with autism, the whole family lives it

"Bula" Man-River - Kiang P Lee 2013-03-06

The parable of the Bula man-river is the story of the miraculous life God promises man from the beginning. By creating man in His own likeness, He forever placed man on a path of living the miraculous life. He is divine and we are mortal, and whenever the two intersect, miracles happen. As humans, it's impossible for man to experience the glory of God's divine Being, so he experiences miracles - the divine spark.

Miracles are foretastes of man's future in the glorious presence of God. It's a life of unimaginable, awe-inspiring wonder, both now and future. From the beginning, Adam and Eve experienced this miraculous life firsthand. God lovingly and miraculously planted them a garden-home which had all the resources for their survival and happiness. God did not point to a jungle and charged Adam with planting a garden himself. No, God planted it with His own hands. This miraculous life was man's destiny from the start, and continues to this day. The whole earth, hanging in the blackness of space, is the larger Edenic home we all share as co-inhabitants of it. But man fails to respond with gratitude to "dress and keep it." Lost in the jungle of his own narcissistic 'self,' man seeks for life's answers which only the "BULA" man-river can supply. For those who change into the likeness of God's love, God leads them to a new Eden. This is where the miraculous life is lived as naturally as breathing. This is what this book is about - miracles! It begins with the life of the "BULA" man-river! He is the product of God's love. It begins with love-gifts from the Father which form the substance of the three-dimensional life of the "BULA" man-river - the Miracle Man. Read about the two wonderful love-gifts of the Father.

Dash & Lily - Neuer Winter, neues Glück - Rachel Cohn 2021-11-09

3 Seconds - Les Parrott 2008-10-14

Just three seconds. The time it takes to make a decision. That's all that lies between settling for "Whatever" ... or insisting on "Whatever it takes." 3 Seconds shows how to unleash the inner resources that can move you to a whole new level of success. It comes down to six predictable impulses that most of us automatically accept without a second thought. You can replace them with new impulses that lead toward impact and significance. For instance, it takes Three Seconds to ... Disown Your Helplessness: The First Impulse: "There's nothing I can do about it." The Second Impulse: "I can't do everything, but I can do something." Quit Stewing and Start Doing: The First Impulse: "Someday I'm going to do that." The Second Impulse: "I'm diving in ... starting today." Fuel Your Passion: The First Impulse: "I'll do what happens to come my way." The Second Impulse: "I'll do what I'm designed to do." Inhale ... exhale ... the difference of your lifetime can begin in the space of a single breath. The decision is yours. Start today.

Someday - David Levithan 2018-10

Every day a new body. Every day a new life. Every day a new choice. For as long as A can remember, life has meant waking up in a different person's body every day, forced to live as that person until the day has ended. A always thought there wasn't anyone else who was like this. A was wrong. "Someday" starts where "Every Day" left off. David Levithan takes readers further into the lives of A and Rhiannon, exploring more deeply what 'Every Day' and 'Another Day' had originally asked: What is a soul? What makes us human? And does gender matter when it comes to love?

The Rivers of My Need - Peggy Aston 1999-12

The book discusses the meaning of the Big Nails. The Big Nails are symbols of salvation and eternal life for Christians. God loves the world so much that He gave His only Begotten Son so to save us [John 3:16]. Whoever believes in the Son of God is saved, whoever rejects Him is condemned. Salvation and Eternal life are free

gifts from God. We are saved by grace through faith [Ephesians 2:8-9]. The Big Nail, the cross, the spear, the spun crown and the hammer were used to crucify our Lord. The Lord Jesus Christ freely gave His life to save us [John 10:18]. The Big Nails are symbols of God's amazing love for men; His power God to create, destroy and give life [John 1-15-Matthew 28:19]. They are symbols of the victory of Christ over sins, death and Satan. The Lord Jesus Christ was crucified for our sins, He rose from the dead. He is Alive. He is Risen. 1 On the first day of the week, very early in the morning, the women took the spices they had prepared and went to the tomb. 2 They found the stone rolled away from the tomb, 3 but when they entered, they did not find the body of the Lord Jesus. 4 While they were wondering about this, suddenly two men in clothes that gleamed like lightning stood beside them. 5 In their fright the women bowed down with their faces to the ground, but the men said to them, "Why do you look for the living among the dead? 6 He is not here; he has risen! Remember how he told you, while he was still with you in Galilee: 7 "The Son of Man must be delivered into the hands of sinful men, be crucified and on the third day be raised again." " 8 Then they remembered his words [Luke 24:1-8]. The Big nails are symbols of forgiveness, reconciliation, free salvation and eternal life from God: 6 You see, at just the right time, when we were still powerless, Christ died for the ungodly. 7 Very rarely will anyone die for a righteous man, though for a good man someone might possibly dare to die.

Instead of being grateful to her for rescuing him, Detective Jack Sullivan accuses her of being in league with a serial killer. He swears he will put her behind bars. Except, the more time he spends with her, the more he falls under her spell. Can he trust her, or is he walking into another deadly trap? DEATHTRAP: She'd been "the sick girl" for most of her life. She refused to go straight to "the weird girl". Heart-transplant recipient Sophie Curtis has been in her own antiseptic bubble for so long, she just might not be able to venture out into the real world again. Her spooky body memories are scary enough, but then she finds herself in the cross hairs of a killer. "Love was blind, people said. But lust was blind, deaf and reckless." Ethan Bing hadn't been a great romantic before he became a cop. Whatever shred of optimism he had left after becoming Broslin Chief of Police had been seared out of him by the unsolved murder of his wife two years before. A new case brings the killer within reach just as Sophie pops into his life. She gets through his defenses like no other before, but soon it becomes clear that she's been selected as the killer's next victim. Moon Magic - Diane Ahlquist 2017-12-05

From the author of *Moon Spells* comes a beginner's book about the moon's energy and how you can harness that lunar power in your everyday life. From new moons and eclipses to blue moons and the super moon, there are ample opportunities for the moon to influence our emotions and thoughts. Many believe our emotional potency is heightened during a super moon, while a new moon can bring change and new perspectives. Knowing when and how to use that power is key. In *Moon Magic*, you'll learn how the lunar phases influence our emotions and well-being differently and how to harness that power for healing, emotional strength, and physical and mental wellness. Third-generation intuitive Diane Ahlquist helps guide those new to the power of the moon through lunar recipes and simple exercises, such as intention setting

and moon meditation to help you capitalize on the moon's inherent power and channel the moon's energy whenever you need it most.
