Without Honor - Raymond A. Heninger 2006

Without Honor is the true expose of the Rancho Cucamonga, California Family Law court system. It is a chronological sequence of TRUE events as they happened and the destruction of Raymond A. Heninger's life and all that he had worked for at the hands of the un-ethical, individuals carrying out their operations under the guise of equitable, fair, precedent established law and the façade of respectability. This system and the individuals who run this system are allowed to destroy lives under the protection of our law establishment, with no regard to the consequences of their actions and a twisting and distorting of established rules and precedent set case law. They use the law to suit their own purposes for the tangible reward of other people's hard earned money and/or the victim's assets and lifelong acquirements. They run distraught individuals into lifelong debt by making it easy for them to finance their impending unhappiness via Master Card, Discover, American Express, Visa and other financial services. There is no recourse, or serious corrective remedy, whereby the victim can go back and correct the destructive acts of this system as the State Bar governs these attorneys and the judges were attorneys before they became judges. The elected legislators don't want to get involved because it is not generative of votes or in their interests to do so. It is way past time that the men in this country stand up, unite, and put pressure on the attorneys and judges in this country and make them be fair to both sides in a divorce case. Until they do, the attorneys sit back waiting for marriages to fail so they can make money at the expense of the husband, wife and children.

Community College Finance - Frederick White 2010-07-12

This book explores resource development at Mississippi's Community and Junior Colleges. It determines whether revenue generated from fundraising adequately serves the colleges' needs. It looks at the various types of fundraising activities used to raise funds as well as the operational integration and organizational structure of resource development at Mississippi's Community and Junior Colleges. Fundraising in a recession is not fun, but is necessary. As bad as this economic downturn has been for community and junior colleges in Mississippi, those who survive will have learned lessons that will prove invaluable later, whether times are good or times are bad. Community and junior colleges will have to compare strategies used by four year colleges for developing sufficient revenues from fundraising.

Bestiaire d'amour - José Manuel Corredoira Viñuela 2019-11-29

Dans son Bestiaire d'amour / Bestiario de amor, José Manuel Corredoira Viñuela fait se côtoyer six éléphants, un coq « un tout petit peu » assassiné ainsi qu'un perroquet aveugle. Ces trois textes, édités pour la première fois en version bilingue, sont des palimpsestes tantôt loufoques, tantôt extravagants, parfois surréalistes, assurément érudits et jouissifs. Comme l'écrit Fernando Arrabal dans son prologue, « On dirait que son "Bestiaire" nous regarde avec mansuétude angélique, folie fauve et ravissement. Lorsque le soleil met un terme à son séjour, Corredoira Viñuela convoque les noces de l'ombre et de la nuit par son art du spasme et de la frénésie. »

The Art of Drag Racing - John Jodauga 2011-11-01

During the 1970s and 1980s, John Jodauga was perhaps drag racing's most published illustrator. Not only did his work appear in the National DRAGSTER, Hot Rod, Car Craft, Motor Trend, Drag Racing, and Super Stock & Drag Illustrated, but he also did promotional art for the sport's biggest stars such as Bill Jenkins, Don Prudhomme, Raymond Beadle, Bob Glidden, Don Nicholson and others; commercial artwork for many aftermarket manufacturers such as Moroso Performance Products; and program covers for such major racetracks as Ontario Motor Speedway. During this same period, he performed the bulk of the marketing artwork for the National Hot Rod Association, ranging from posters and program covers to holiday cards. This book is the first official compilation of Jodauga's work performed over a period of 45 years, and contains over 60 full-page, full-color reproductions of his illustrations and paintings that include examples of his most recent efforts. Anecdotes, background information, and an early career retrospective that reflect Jodauga's approach to painting are also provided, along with a forward by longtime NHRA announcer and drag racing historian Bob Frey.

El crimen del Padre Amaro (Los mejores clásicos) - José Maria Eça de Queirós 2017-02-16

Una novela sobre las tentaciones del mundo, el diablo y la carne, expuestas por el mayor narrador portugués del siglo XIX «Por dentro se movían silenciosamente los deseos, como serpientes tranquilas en su nido.» Cuando se traslada a una parroquia de Leiria, el joven sacerdote Amado Vieira no tarda en caer en el libertinaje y desenfreno en que viven los sacerdotes de la ciudad. Pero su «crimen» particular será seducir a Amélia, una muchacha a la que manipula en pos de relaciones carnales, fomentando sin escrúpulos la confusión entre la piedad y la pasión amorosa. Recibida con escándalo en 1875 por su crítica social y

anticlerical, la obra consagró a Eça de Queirós como uno de los grandes autores de las letras lusas. La presente edición cuenta con una introducción de José Luís Peixoto, uno de los novelistas portugueses más aclamados de hoy y un crítico sobresaliente a la hora de guiarnos por los entresijos del libro.

Rubidoux - Kim Jarrell Johnson 2007

The story of the town of Rubidoux has always been intertwined with the whims of the Santa Ana River. Through devastating droughts and the ravages of repeated floods, the community that began as the Robidoux Rancho (the original spelling of an early pioneers name) evolved into a small village with a downtown centered along Mission Boulevard, the main route between Los Angeles, Riverside, and points beyond. Soon there were motels for travelers, businesses that catered to residents, and Riverside Countys first drive-in theater. On its way to becoming the countys most urbanized unincorporated community, the townoriginally called West Riversidechanged its name to Rubidoux in the 1950s to honor the pioneer family. This volume showcases photographs of Rubidoux, as well as of neighboring Belltown and Crestmore, in the first published collection of historic images devoted solely to these communities.

Compound Words in Spanish - María Irene Moyna 2011

This is the first book devoted entirely to the history of compound words in Spanish. Based on data obtained from Spanish dictionaries and databases of the past thousand years, it documents the evolution of the major compounding patterns of the language. It analyzes the structural, semantic, and orthographic features of each compound type, and also provides a description of its Latin antecedents, early attestations, and relative frequency and productivity over the centuries. The combination of qualitative and quantitative data shows that although most compound types have survived, they have undergone changes in word order and relative frequency. Moreover, the book shows that the evolution of compounding in Spanish may be accounted for by processes of language acquisition in children. This book, which includes all the data in chronological and alphabetical order, will be a valuable resource for morphologists, Romance linguists, and historical linguists more generally.

Teatro - Ramón del Valle-Inclán 2021-01-25

La sombra de Valle-Inclán se proyecta con inesperado fulgor sobre la escena española de los siglos XX y XXI. Y no solo porque, tras él, resultara difícil volver a hacer girar la rueda de Tespis y poner de nuevo en marcha la rodante caravana del teatro. También porque, después de Valle, todo dramaturgo ha tenido que tomar postura frente a su renovación. Don Ramón del Valle-Inclán (1866-1936) aspiró a que su dramaturgia, como la primitiva tragedia griega, fuera una síntesis de contrarios. Y hemos de concederle que logró su propósito, pues en muy pocas ocasiones se ha logrado por medio del lenguaje una alquimia tan eficaz de la elegía y la sátira, de la farsa y la tragedia, del naturalismo y la estilización. Esta primera entrega del teatro valleinclanesco -Farsas y esperpentos- ha sido pensada y diseñada para los profesionales de las artes escénicas, con el fin de que pueda ser útil, especialmente, para estudiantes de arte dramático, actores y directores que se acerquen a la obra de nuestro autor. Es una edición crítica anotada desarrollada por el Instituto del Teatro de Madrid (ITEM), al cual pertenecen sus tres responsables.
