Veuve Clicquot - Tilar J. Mazzeo 2011

Small Caucasian Woman - Elaine Fowler Palencia 1993

Short stories from the lives of the residents of Blue Valley, a small town in eastern Kentucky.

*In Business* - 1985

**I.Q.** - Joe Ide 2016-11-14

I.Q. nennt man Isaiah Quintabe in den schwarzen Hoods von Los Angeles. Weil er ein Genie ist und weil er als eine Art Nachbarschaftsdetektiv ohne Lizenz den »kleinen Leuten« zu ihrem Recht verhilft. Oder wenn das schwierig ist, immerhin zu Gerechtigkeit, Genugtuung und Entschädigung. Zusammen mit seinem sidekick, dem schlagfertigen Gangsta Dodson, wird er wider Willen von dem Top-Rapper Black the Knife angeheuert, um Mordanschläge auf dessen Leben aufzuklären. Das führt ins finstere Herz des Rap-Business, wo sich jede Menge wunderliche und tödliche Gestalten tummeln: Gangsta Rapper, Bitches, Anwälte, Auftragskiller, Drogenbosse, Big-Business-Leute und Medienvolk. Bald haben es I.Q. und Dodson mit verfeindeten Gangs, schießwütigen Narcos und gierigen Musikproduzenten zu tun. Gut, dass I.Q. ein Weltmeister der Deduktion ist, und gut auch, dass er notfalls genauso viel kriminelle Energien hat wie seine Widersacher. Oder noch mehr ... »Joe Ides Debütroman ist der fulminante Auftakt einer wahnsinnig hinreißenden Krimiserie über einen ziemlich schlaunen Kerl und das packend beschriebene kriminelle Umfeld, in dem er sich bewegt.« Janet Maslin, The New York Times

*Forbes* - 2008

*Go It Alone* - Geoff Burch 2011-06-15

In this completely updated and revised edition, Go it Alone! provides essential information for anyone who wants to get out of the rat race and work as a free agent, or start their own business. From the ins and outs of writing a business plan, to how to win customer loyalty Geoff Burch in his usual provocative and anecdotal style gives the common sense advice we've been waiting for. Along with Geoff's missives and anecdotes, he provides excercises and a resource directory. All of which make great reading and inspiration for anyone to Go it Alone! Readership: budding entrepreneurs or those wanting to find out how to become a free agent.

Street-wise Criminology - Duane Denfeld 1974

**Streetwise Restaurant Management** - John James 2003-07-01

Owning and operating a restaurant is one of the most challenging endeavors an entrepreneur can take on--the hours are long and grueling, staff turnover averages 130 percent, and many fail within their first year. Streetwise Restaurant Management walks you step by step through each aspect of opening and managing a restaurant. This guide covers the practical issues you'll face on a daily basis and offers tips from an experienced restaurateur about the risks and rewards of restaurant management. Is owning or managing a restaurant right for you? It can be if you have Streetwise Restaurant Management as your ready reference for creating front-of-house ambience and back-of-house efficiencies.

*From Blofeld to Moneypenny* - Steven Gerrard 2020-03-26

Since its inception, 007 has captured the hearts of a worldwide audience, and the franchise is now available over multiple media platforms, including movie, comic strips, games, graphic novels and fashion statements. This edited collection examines the role that gender has played across the platforms that the James Bond franchise now occupies.

*Kiplinger's Personal Finance* - 1988-06

The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics.

*Trump* - Donald Trump 1990

**Women of the Street** - Susan Dewey 2017-02-28

Explores encounters between those who make their living by engaging in street-based prostitution and the criminal justice and social service workers who try to curtail it. Working together every day, the lives of sex workers, police officers, public defenders, and social service providers are profoundly intertwined, yet their relationships are often adversarial and rooted in fundamentally false assumptions. The criminal justice-social services alliance operates on the general belief that the women they police and otherwise regulate choose sex work as a result of traumatization, rather than acknowledging the fact that socioeconomic realities often inform their choices. Drawing on extraordinarily rich ethnographic research, including interviews with over one hundred street-involved women and dozens of criminal justice and social service professionals, *Women of the Street* argues that despite the intimate knowledge these groups have about each other, measures designed to help these women consistently fail because they do not take into account false assumptions about street life, homelessness, drug use and sex trading. Reaching beyond disciplinary silos by combining the analysis of an anthropologist and a legal scholar, the book offers an evidence-based argument for the decriminalization of prostitution.

**Billboard** - 1997-04-26

In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Be a Disruptor** - Stratis Morfogen 2022-06-21

Lessons in innovation and entrepreneurship from building a New York City restaurant empire. Stratis Morfogen has been one of the most innovative names in New York City's hospitality scene for decades. From bringing the famed Fulton Fish Market online in 1997 to pioneering the automat movement with Brooklyn Dumpling Shop to opening a 25,000 square foot venue in Times Square during the pandemic, Morfogen continues to disrupt the status quo. In *Be a Disruptor*, Morfogen provides an unconventional, real-world education for any entrepreneur by sharing how he beat the odds in the cutthroat, mob-influenced New York City restaurant world. Morfogen teaches readers what he has learned about finding business opportunity in any situation, starting new ventures in times of adversity, and succeeding against all odds in one of the most challenging environments in the world. It's a playbook for entrepreneurs with the page-turning qualities of a memoir. With lessons for navigating pressures from powerful entities like the New York mob and local government, restarting mentally and financially after failed ventures, being aggressive when competitors are being conservative, and managing business and personal relationships, *Be a Disruptor* is a can't miss, street-smart education for any entrepreneur, restaurateur, or anyone interested in how the NYC hospitality world really works.

*MicroFranchising* - Jason S. Fairbourne 2007

Microfranchising offers a thorough-going and impartial analysis of microfranchising, covering both practice and theory. . . The tome's well documented chapters provide an objective overview of the various aspects of microfranchising and outline its main characteristics. . . This book should be read by all those involved in, or concerned by, the fight against poverty who are looking for a complete overview of microfranchising. The various actors of the entrepreneurial world will also find much in the volume of interest to them. . . Academics will find well documented sources, complete with operational examples, which will help them to

present action projects to their students. Microfranchising and, more generally, micro-entrepreneurship, represent a vast field of research that will be of great interest to scholars working in the field of entrepreneurship. Fairbourne, Gibson and Dyer's book not only offers a valuable introduction to micro-entrepreneurship, but demonstrates the human side of entrepreneurship as a whole. Frédéric Demerens, *Entrepreneurship and Innovation Microfranchising* has clues and cautions to help create wealth and lift humanity from poverty by energizing communities, families and individuals to profit-making productivity in cooperation with guidance, education, and other resources from established businesses, financial institutions and philanthropists. Anyone interested in shrinking the bottom of the world's income and wealth pyramid to create real widespread sustainability and all the consequent social and health benefits should read this book. Joseph H. Astrachan, Kennesaw State University, US. What do buying honey, renting mobile phones and fitting prescription glasses have in common? Answer: they are all activities that have expanded in low-income countries through microfranchising. This book brings together the ideas of researchers and social entrepreneurs at the heart of a movement to turn microfranchising into a mechanism for sustainable poverty reduction on a scale to match microfinance. A seductive mix of advocacy and realism, analysis and case-study provides readers with the ingredients to make up their own mind about the potential of microfranchising as a development tool. James G. Copestake, University of Bath, UK. Poverty remains one of the most intractable problems in the developing world. Microfranchising offers great promise in alleviating poverty by aiding in the foundation of locally owned businesses. Microfranchising is defined as small businesses whose start-up costs are minimal and whose concepts and operations are easily replicated. It involves the systematizing of microenterprises to create and replicate turnkey businesses for the poor. With the awarding of the 2006 Nobel Peace Prize, attention has increased on this remarkable concept. This unique book provides an overview of the need to alleviate poverty and what methods have been used in the past to do so (e.g. microcredit). It then introduces the concept of the microfranchise and discusses how this business model can be used in poverty alleviation. Different models of microfranchising are reviewed and specific case studies highlighted to show how it has worked in different parts of the world. The book concludes with a discussion of the advantages as well as the potential problems and pitfalls that accompany microfranchising. This book is a must read for business scholars and economists, practitioners and lenders, members of NGOs dedicated to poverty alleviation and anyone else who is interested in learning about an innovative, business focused tool to alleviate poverty.

**New York Magazine** - 1995-10-23

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

*Streetwise Achieving Wealth Through Franchising* - Robert T. Justis 2002-06-01

Streetwise is devoted exclusively to business topics. From writing business plans, to financing, to building Web site traffic, these books provide everything ambitious business professionals need. Business happens in the real world, not the classroom. Streetwise recognises this and delivers the goods - fast. No fluff. No wasted time. Just cutting-edge information managers and small business entrepreneurs need to run their business successfully.

*Los Angeles Dodgers* - Mark Langill 2004

Sandy Koufax. Don Drysdale. Maury Wills. Steve Garvey. Don Sutton. Fernando Valenzuela. Tommy Lasorda. Shawn Green. Eric Gagne. Since 1958, names like these have made the Los Angeles Dodgers into one of baseball's most successful and envied teams. Over the years, the team has won an astonishing nine National League championships and five World Series. Some familiar faces from their Brooklyn roots, including Gil Hodges and Duke Snider, led the Dodgers to their first championship at the Los Angeles Coliseum in 1959; and a sparkling new Dodger Stadium featured the 1960s-era stars of Drysdale, Koufax, and Wills. The 1970s brought a record-setting infield and a Big Blue Wrecking Crew, led by manager Lasorda who claimed to "bleed Dodger blue." The 1980s placed the spotlight on "Fernandomania" and Kirk Gibson's World Series home run, which was later voted "the Greatest Moment in Southern California sports

history." The team also heralded a new era of international players into the ranks of the major leagues, thanks to Valenzuela and later to Hideo Nomo, who made a successful transition from Japan to the Dodgers in 1995.

**Getting Started in Tax Consulting** - Gary W. Carter 2004-03-29

The Complete, Authoritative Guide to Getting Started in Tax Consulting Tax consulting and return preparation is a fast-paced, dynamic industry-one that promises high earning potential. In this book, tax advisor Gary Carter shows you just what it takes to become an in-demand tax consultant. You'll discover how to break into the tax business, even with relatively limited education and training, and build a path to your new career with Carter's five-step formula for success. Brimming with expert advice from tax professionals and featuring up-to-the-minute coverage of everything from qualifications and employment opportunities to Internet resources, Getting Started in Tax Consulting shows you how to: \* Assess your personality fit for the tax profession \* Formulate your business plan for starting a tax practice \* Find a niche for your tax services \* Choose between a sole proprietorship, a partnership, a C corporation, an S corporation, and a limited liability company \* Set your fees and market your services \* Perform research-an essential skill of the tax professional \* Make the IRS your partner and advisor-not your adversary \* Start a Web-based tax service

**The Oxford Companion to Charles Dickens** - Paul Schlicke 2011-11-03

First published 1999 under different title.

Snow crash - Neal Stephenson 2002

**Building a Dream** - Walter S. Good 2003

This is the book that every potential entrepreneur needs to be successful. Essential to create a basis for success. This book skips the "fluff" and is completely action-oriented. It is about building your business plan - a how to book. It is the best book on the market for a workbook style approach to the subject. With text, spreadsheets for analysis, web research questions from OLC, web links contextualized on OLC, this is the best value for a complete entrepreneurship package for potential Canadian entrepreneurs. In this edition, look for more web-based materials, web site support for the text, more information on the impact of the internet on entrepreneurship and business startups, particularly ebusinesses startups, the inclusion of an additional sample business plan, plus more Entrepreneurship in Action and other new feature boxes along the lines of "For More Info" or "Key Points".

**Your Personal Netmoney** - 1997

Covers banking, credit, savings, taxes, investments, and consumer information

**Working After Retirement For Dummies** - Lita Epstein 2007-02-26

The friendly guide for retirees who want to get back into the workforce More than 76 million baby boomers will begin retiring in 2011. Eighty percent of boomers expect to continue working past the age of 65 due to financial and healthcare concerns (seniorcitizensguide.com, 1-06). Working After Retirement For Dummies shows retirees and workers approaching retirement age how to stay in the workforce and thrive after 65 or get back into the workforce after retirement. The book covers new job searching and resume writing; how to overcome employer myths about retirement age workers; and the flexibility of various career options from telecommuting to job sharing. In addition, it also covers nontraditional job search methods that work particularly well for seniors. Even retirement age workers who just want to volunteer their time will find helpful, straightforward advice on getting back to work at any age.

This highly successful book is unique in offering not just informed advice on how to start, survive and succeed in business, but also has extensive directories of all the contacts and addresses you'll ever need. It will be an invaluable aid whether you are unsure how to go about market research, preparing a business plan, raising finance of legal requirements, or if you simply need a database of names and addresses.

*Death in the Garden* - Jennie Melville 2015-05-21

Edwina, Cassie and Alice, three young women who had become an inseparable trio, shared a birthday, success in their respective professions and a belief that nothing could change their relationship. Then Edwina's lover Tim, father of her unborn child, died in a road crash. All three received anonymous telephone calls and at the reception for Edwina's father's second marriage their publicity agent drank poisoned whisky, dying in agony. They found themselves sharing at least one more experience, that of being murder suspects. As the police investigate the killing amongst the residents and workers of Covent Garden, where all three women conduct their business, the nameless caller concentrates on Edwina and in such a menacing way that she decides to run. But she cannot hide from the caller, or from her friends, or from the man who wants to replace Tim in her life, and when another killing occurs she returns to the familiar, but now claustrophobic, surroundings of the Garden and to increasing danger. Jennie Melville was renowned for creating suspense novels full of tension and atmosphere and startling insights into the human mind. Here she is at the top of her form in a whodunit that is intriguing, surprising and wholly satisfying.

*Forthcoming Books* - Rose Arny 2003

*Nation's Business* - 1997

Entrepreneur - 1995-07
