The Articles of Faith - James E. Talmage
2022-09-15

The lectures herewith presented have been prepared in accordance with the request and appointment of the First Presidency of the Church. The greater number of the addresses were delivered before the Theology Class of the

Church University; and, after the close of the class sessions, the lectures were continued before other Church organizations engaged in the study of theology. To meet the desire expressed by the Church authorities,—that the lectures be published for use in the various educational institutions of the Church,—the

matter has been revised, and is now presented in this form. In anticipation of probable question or criticism regarding the disparity of length of the several lectures, it may be stated that each of the addresses occupied two or more class sessions, and that the present arrangement of the matter in separate lectures is rather one of compilation than of original presentation.

Breaking the Power of Manipulation -

Yolandia Gibson 2013-09-15

Breaking the Power of Manipulation takes a

serious look at the signs and the effects of a

person being controlled and manipulated.

Manipulation is a common phenomenon in

today's world. Everyday you come across

headlines of newspapers reporting how common,

innocent people are being victimized in the

name of religion and God. Manipulation makes

you dependent upon the will of the perpetrator.

The perpetrator may succeed in making you feel

that you have no potential to do anything of your own without their help and intervention. He brings you to such a state of mind that you lose confidence in yourself and instead always go to him for help making even the smallest decisions. In this process, you become dependent and subjugated to that person. In this book I shall mainly focus on one spirit that is very common and found especially in religious circles, but as well in offices, families and circle of friends. One could detect it easily if one knows its behavior. It is a product of the flesh that opens the door to an evil spirit. It is behavior that operates through a person to control by the use of manipulative, domineering and intimidating tactics. When it is in the church it is to disrupt the flow of the Spirit. The devil hates the prophetic flow of God, because the prophetic ministry demands repentance and cuts away evil without compromise. The prophet always speaks against Jezebel. Additionally, the prophetic words come with creative power, which renders

the enemy helpless. There is such significance in the fact that Jezebel wanted to destroy Elijah. The Jezebel spirit hates the prophetic, uncompromising voice. It cannot accomplish its agenda with a prophet around. However, I shall not so much talk about the queen Jezebel, but expose how hidden motives combine with a strong desire in certain people find ways to achieve influence and exercise control.

The Kingdom Weigh - Rev Cathy Dickson

2014-12-30

The Kingdom Weigh is a 12 Week Spiritual Weight Loss & Life Enhancement Program based on Biblical Principles. Health for your Spirit, Soul & Body. Each week consists of a lesson incorporating some science, current trends and practical applications with homework assignments. Originally intended to be presented as a workbook to accompany workshops presented by Rev. Cathy. Workshops are available. Offering a 1 day mini or 4 day full 12 lesson program, each of those with extensive research and power-points, songs or videos to accompany teachings. This book is so life transforming that it can stand alone as a workbook with just the mini lessons in each chapter. Although this book focuses on the battles that we face in our physical bodies; it applies to the weights that so easily beset us, weights of addictions of all sorts, of bondages of any kind that weigh us down in life so that we

are not living our life to it's fullness. Jesus came to give us life more abundantly. That life comes only through relationship with Him and the renewal of our minds. One of my favourite chapters in the book is on the 10 Plagues of Egypt and how each one represents the battles that we have in our minds to overcome our addictions, and weights. Think of the frogs, they jump here and there just like you in your faith, jumping from one thing to another. A double minded man is unstable in all his ways. This book will bring stability and strength to the reader as his/her focus is conformed to a steadfastness in Truth & Love. Here is a brief outline of each week (chapter). I pray that the Lord God Almighty maker of the heavens and earth and Jesus Christ His son will bring to life every word through the inner working of God's Holy Spirit...You are about to change forever and throw your "diet" focus out the window for Freedom in Christ! THE DARK SIDE OF LEADERSHIP - Dr Tessie Herbst 2014

This book highlights the fact that leaders do indeed affect the performance of organizations or the well-being of society for better or worse--to cast either a shadow or light by the exercise of their leadership. Modern psychology with its theories of human behavior, which does not acknowledge the existence of the spiritual realm, cannot explain the carnage and evil often associated with the dark side of leadership. This book focuses on the dark side of leadership in a multidimensional manner and provides a psychospiritual approach toward understanding personality disorders and leader derailment. It highlights an area that has not been exclusively studied by leadership researchers to date--the influence of spiritual forces in personality disorders, which lead to leadership failure and derailment. This book calls for a more interdisciplinary approach and holistic understanding of the dark side of leadership,

inseparably relating body, soul, and spirit as they function individually and relationally. It highlights the fact that the restoration of personality will require sustained dialogue between theologians and the medical and psychological professions. This book provides solid information and new insights for anyone seeking to understand the dark side of leadership.

Die 24 wichtigsten Regeln der Wirtschaft -

Henry Hazlitt 2014-02-14

In kaum einem Bereich spuken so viele Irrtümer herum wie in der Ökonomie. Zudem sind sie so weit verbreitet, dass sie als gültige Lehrmeinung angesehen werden. Themen wie staatliche Zinsmanipulation, Sparen, Inflation, Mindestlöhne oder Branchenrettung, wie die der Banken, sind aktueller und missverständlicher denn je. Deshalb ist es wichtig zu wissen, was wirklich hinter den Begriffen steckt, wie sie zusammenwirken und welche praktischen Folgen (staatliche) Eingriffe haben. Niemand könnte ein Verständnis wirtschaftlicher Grundlagen besser vermitteln als Henry Hazlitt. Als einer der ganz Großen der Österreichischen Schule wird er in einem Atemzug mit Mises,

Hayek und Rothbard genannt. Seine Begabung für elegante, populäre Darstellungen wirtschaftlicher Zusammenhänge haben dieses Buch entstehen lassen. In 24 kurzweiligen Kapiteln vermittelt er sein umfassendes Wissen, von Steuern über die Idee der Vollbeschäftigung bis zu Preisen und Inflation. Die 24 wichtigsten Regeln der Wirtschaft, ein Klassiker der Ökonomie jetzt auf Deutsch und heute noch so aktuell wie zur Erstveröffentlichung 1946.

2021-03-16

A powerful, no-nonsense guide for women that provides them the keys to unlock a fulfilling life. Every woman lives by a code, whether she realizes it or not. It informs how she treats others and herself, how much she expects of herself, and how far she is willing to go in order to find success. But is the code we're living by truly helping us create the lives of purpose and fulfillment we desire? Or are we sacrificing the deeper things for mere achievement? In this inspiring book—updated with new insights from the profound economic and societal shifts that have changed our world with the advent of the global pandemic—Sophia A. Nelson calls women to live out a powerful life code that will lead them to purposeful and successful lives. With the wisdom that comes from experience, Nelson reveals to women: The true meaning of “having it all” How to take better care of their minds, bodies, and souls How to discover new reserves of strength The importance of having

courageous conversations to build relationships How to achieve professional excellence without compromising their values How to find lasting love and purpose in life beyond their accomplishments How to navigate the sisterhood of women, to build collaboration rather than competition How to heal from past hurts, rejection, and life's inevitable storms The Woman Code is a way of living, of navigating life's challenges, and of interacting positively with other women. Three to Twenty-One Days—Esther's Progressive Prayer Fast - Dr. Pauline Walley-Daniels
2013-12-23
Are you looking for ways to engage in Prayer

and fasting more effectively? In this guide, Dr. Pauline Walley-Daniels reveals how Esther led people in an effective prayer fast that changed their circumstances for life. She explains how to fast and provides important prayer points that are applicable to any situation. Every year, Walley-Daniels's home church and its affiliates set themselves apart to perform a progressive prayer fast based on Esther's encounter. Queen Esther declared the fast when she discovered that Haman, the enemy of the Jews, was plotting to destroy her people. It was a time when all came before God, fasting and crying to Him for family members and for breakthrough and deliverance from any Hamanic decrees enacted against them and their lives. Building on that model, this guide is a song of inspiration, an encouragement through each season of the fast. The insights and practical guidelines it offers enable each of us to break through the challenges and difficulties that confront our environment and our spiritual lives. "Dr. Pauline

Walley-Daniels fights a good fight of spiritual warfare. ... She presents powerful, effective prayers that are specific to the challenges individuals may face in fulfilling their destiny." —Susan Slusher, Dean, Christian International Equipping Network

Arden Shakespeare Complete Works - William Shakespeare 2014-03-10

This revised edition of the Arden Shakespeare Complete Works includes the full text of *Double Falsehood*, which was published in the Arden Third series to critical acclaim in 2010. The play is an eighteenth century rewrite of Shakespeare's "lost" play *Cardenio* and as such is a fascinating testament to the original. A short

introduction outlines its complex textual history and the arguments for including it within the Shakespeare canon. The Complete Works contains the texts of all Shakespeare's plays, poems and sonnets, edited by leading Shakespeare scholars for the renowned Arden series. A general introduction gives the reader an overall view of how and why Shakespeare has become such an influential cultural icon, and how perceptions of his work have changed in the intervening four centuries. The introduction summarises the known facts about the dramatist's life, his reading and use of sources, and the nature of theatrical performance during his lifetime. Brief introductions to each play, written specially for this volume by the Arden General Editors, discuss the date and contemporary context of the play, its position within Shakespeare's oeuvre, and its subsequent performance history. An extensive glossary explains vocabulary which may be unfamiliar to modern readers.
