Dancing Through History - Lori Henry 2012-01-01

Some people travel to discover a country's architecture; others to sample its cuisine, or experience its nature. For author Lori Henry, travel is a way to discover a country's dances. In *Dancing Through History*, Henry crosses Canada's vast physical and ethnic terrain to uncover how its various cultures have evolved through their dances. Her coast-to-coast journey takes her to Haida Gwaii in British Columbia, where she witnesses the seldom seen animist dances of the islands' First Nation people. In the Arctic, Henry partakes in Inuit drum dancing, kept alive by a new generation of Nunavut youth. And in Cape Breton, she uncovers the ancient "step dance" of the once culturally oppressed Gaels of Nova Scotia. During her travels, Henry discovers that dance helps to break down barriers and encourage cooperation between people with a history of injustice. Dance, she finds, can provide key insight into what people value most as a culture, which is often more similar than it seems. It is this kind of understanding that goes beyond our divisive histories and gives us compassion for one another.

The Ceilidh Dance Book - Kevin Allison 2018-02-08

While one of a kind is a hard rating to achieve at Mel Bay Publications, Kevin Allison has done it with *The Ceilidh Dance Book*. A ceilidh is a traditional Scottish gathering where people share songs, stories, music, and dancing that is very much alive today. In Scotland, there are hundreds of ceilidh bands, each of which has their own trademark tune sets, making it possible for a man in a kilt to make a living as a performing musician. This book not only provides 85 Scottish tunes in sets as they might be used in a ceilidh event—it also offers detailed, beat-by-beat descriptions of the dance steps for twenty-four dances! From *The Highland Scottish* to *The Mooncoin Jig*, with this book in hand, you'll be able to both play in the band and step to the music with the locals. The kilt is optional. Arranged for mandolin or fiddle with suggested chord backup, in standard notation only.

New York Magazine - 1996-09-16

New York Magazine was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Celia's Secret: A Journey towards Reconciliation - Martha Ashwell
2015-05-18

'Celia's Secret' is an intensely personal and truthful account of Martha Ashwell's struggle to come to terms with a family secret. The earlier part of the book is set in wartime Manchester in 1942, a time when rules and boundaries were set aside. In September 1964, the scene moves to Oxford and Martha writes evocatively about this period of her life. Seeking answers to her unresolved questions she examines the impact which the secret has had upon her and her family. Martha reflects on family relationships, her education, her training in social work and her knowledge of counselling. A life-long Christian, she explores religious and literary themes in order to express her thoughts and feelings. Martha tells this story to fulfil a deeply-felt need to be reconciled with her much-loved mother.

Nova Scotia & PEI Backroad Mapbook - Russell Mussio 2016-07-03

The province of Nova Scotia boasts a rugged and beautiful maritime landscape, as well as a unique culture steeped in Acadian, Celtic, Mi'kmaq and African tradition. Best known for the cultural hub of Halifax, the wildlands of Cape Breton and the countless coastal fishing villages that seem untouched by time, Nova Scotia is an explorer's paradise. With no portion of the province further than 56 km (35 mi) from the ocean, Nova Scotia is a land ruled by water. Bask in the salty air of the Atlantic as you watch puffins, dolphins and whales from the shore, explore remote backroads on your way to a picturesque lighthouse, hike the fabled trails of Cape Breton Highlands National Park or take a trip across the Northumberland Strait to relax on PEI's perfect beaches - with the newest edition of our Nova Scotia/Prince Edward Island Mapbook in hand, there is no limit to what you can discover in this maritime wonderland. Features - Map Key & Legend - Topographic Maps - Detailed Adventure Section >> Backroad Attractions, Fishing Locations, Hunting Areas, Paddling Routes, Parks & Campsites, Trail Systems, ATV Routes, Snowmobile Areas, Wildlife Viewing, Winter Recreation, Service Directory, Accommodations, Sales & Services, Tours & Guides, Index, Adventure Index, Map Index, Trip Planning Tools, The Intertextuality and Intermediality of the Anglophone Popular Song - Michael Ingham 2022-09-07

Popular song is a liminal, hybrid form of cultural production. As a manifestation of adaptation studies, it has lacked visibility by comparison with more dominant adaptation practices, especially those for the screen. This book serves to fill this gap. It investigates what songwriters read and write before they start singing, showing that they need either to adapt material from existing sources or write their own lyrics drawn from a wide range of source texts and personal experiences. They are subject to myriad influences, and among these are other song lyrics, poems, novels, plays, films and hybrid cultural forms. This deep-structure intertextuality is embedded in the cultural flux of language, and operates

at both conscious and subconscious levels. This book thus explores the complex and multifarious intertextual connections between popular songs of various genres, styles and eras and literary works, including, but by no means limited to, the Bible and Shakespeare. As such, it offers a valuable resource, by exploring the deep intertextual significance of literary source material for the intellectual and emotional diversity that can be found in the popular song form; the inverse reciprocal relationship, while much less common, is also considered in the study. The Glengarry Collection, Volume 1 - AONGHAS GRANT 2010-10-20

The Glengarry Collection contains 164 Slow Airs, Marches, Strathspeys, Reels, Jigs and Hornpipes with Stories, History and Photographs. It focuses on the core of Aonghas' music: Highland fiddling, with its links to pipe tunes and Gaelic songs. Some of these tunes have never been published before, while others are available only in out-of-print books or in pipe settings, and the collection also includes a number of tunes composed by Aonghas himself, and tunes composed in honor of Aonghas. The tunes are fully chordeed in a style appropriate to Aonghas' band experience. All these are richly illustrated by transcriptions of Aonghas' bowings, grace-notes, stories, and photos of scenes and people from Aonghas' varied life careers, including old family photos. Finally, there is an accompanying online videos of Aonghas' impromptu and passionate performances of 61 of the tunes in the collection. Includes access to online video

Independent Television in Britain - Jeremy Potter 2016-07-27

The ITV network was designed as a federation of companies, different in size and character, jointly and severally constructing programme schedules in which strands of entertainment were interwoven with news bulletins, drama with sport, feature films with documentaries, church services with broadcasting for schools. The purpose of this volume is to convey some impression of diversity by illustrating and illuminating the rich assortment of companies and programmes making up ITV's overall service to the public in the operation of a plural system on a single television channel during a peak period in British broadcasting.

Chì mi - Dòmhnall Iain MacDhòmhnaill 1998

A collection of the works of Donald John MacDonald's Gaelic poetry with English translation, notes, and an introduction. The poet was brought up in a poor community but within a heavily Gaelic tradition and culture. He was a crofter for most of his life, and spent much of his time collecting folklore. Much of his inspiration came while working in the fields of his farm, and he wrote about love in many forms: the love of a woman, of the land and its history, and of God."
