There was one more person who used to be with them, Poppy, she was Mia's lover, Mal's twin, Tom's wife and mother of his child. Omega Phoenix: Hunted (Her Shifter Harem's Babies 2) - Layla Heart 2020-12-16

Freshly mated Omega Cyra and her four Alphas are being hunted, by Cyra's parents, the media and the police... At the yearly Night Gala, an exclusive event for rich shifters, four Alphas catch Cyra's Omega scent and react to her instinctively, recognising her as their mate. They don't know what to make of it at first, but as the party is not a place to talk privately, especially not with so much paparazzi around, they decide to sneak off and find a better place to figure out what's happening. Cyra, a rare Omega phoenix, has been hiding herself from the shifter world for years because she wants to live her own life and not be constantly controlled by an Alpha. As soon as an Alpha mates an Omega, the Omega becomes that Alpha's property and Cyra refuses to live like that. More importantly, when an Alpha reacts to an Omega's scent in an instinctive way, it means that they're fated mates and belong together. Or, well, that's how it works normally, when you're not a rare shifter type and your parents aren't crazy rich... According to the law, there's one thing more important than an Alpha marking their fated Omega and that is if the Omega is already promised to a different Alpha by the Omega's parents. Marking and mating a promised Omega is illegal and punished harshly. After Cyra and her four Alphas, hydra Zack, griffin Spence, cerberus Max and centaur Liam, have been spotted sneaking away from the Night Gala, their pictures are plastered all over the shifter gossip media. And, out of nowhere, Cyra's parents show up, claiming that Cyra has been missing for years and that the four Alphas have kidnapped her. Even worse, Cyra's parents claim that they had already chosen an Alpha for Cyra, that she has been promised to someone for years, even if Cyra didn't know about it. Of course, Cyra and her four Alphas only find out

about the promised Alpha after Cyra has gone into heat and the four have already mated her, marked her as theirs. They never kidnapped Cyra, no matter what Cyra's parents are claiming in the media, but they are now breaking a much more serious law, the law of illegally mating a promised Omega. If they're found out, they could end up in jail, or worse, dead, leaving Cyra vulnerable to whatever insidious plans her parents have for her and the four Alphas can't let that happen. Which is why Cyra and her fated Alphas are now on the run from Cyra's parents, the drama hungry media, who are exploiting this situation to the fullest, and the police... This is the second book in the Her Shifter Harem's Babies series, a paranormal Omegaverse reverse harem #WhyChoose story. This book may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author). This story includes MF and MM scenes.

Omegas’ Destined Alpha [Full Collection] - Rosa Swann 2018-07-24
Two Omegas. One kiss. And an Alpha who wasn’t supposed to see it happen... Nathan I’m supposed to be an author, but I haven’t finished a book in years. Not since things got out of control. So, to hopefully get back on my feet, I move to a new city, start teaching at college and suddenly find myself intrigued by two Omegas that pass me by every morning. One day, on a whim, I follow them and see something I shouldn’t have seen. A kiss. A beautiful kiss. And it’s the start of a journey I never expected to make... Zeke I fled from the arranged marriage my parents set up for me and I was ready to give up on love entirely, and then my best friend saved his younger Omega brother, Wes, from a bad situation and suddenly I was falling, head over heels. It’s amazing to be at Wes’ side and to see him flourish, even if our relationship is a little complicated, we’re making it work. Maybe love isn’t so bad after all. What I hadn’t counted on was the Alpha walking into the cafe, and the way my eyes keep getting drawn to him... Wes After my brother saved me from my abusive ex, I’m getting my feet back under me. I’m finally doing the things I was never able to do, like having a job and going to college. It’s not easy to combine it with caring for my four children. But with my Omega boyfriend Zeke and my brother’s family at my side, we make it work, they’re all the people I’ll ever need. Until, one morning, an Alpha walks into the cafe that I work at, and he asks Zeke and me out on a date, together... This collection includes all eight novellas about Alpha Nathan and Omegas Zeke and Wes in Omegas’ Destined Alpha, The Baristas’ Surprise, The Alpha’s Mistake, The Mates’ Choice, The Family’s Threat, The Lovers’ Offence, The Friends’ Support, The Parents’ Strength and The Omegas’ Destiny, which takes place in the non-shifter Omegaverse Mates World and contains mpreg (male-pregnancy).

Valentine's Day is right around the corner and when Kara comes in for crafting supplies to make cards with her class, Lin makes a bold offer. Clutch - S.M. West 2017-11-03

Clutch - verb: to grasp and hold tightly; to seize; snatch. Flighty. Stupid. That's what my sisters think of me. I'm tired of being misunderstood. With a suitcase in hand and the ocean as my beacon, I'm charting my own path. Yet, barely a day on the road, I almost crash and burn. Running into Silas Palmer, a sexy-as-sin rock star, changes my life. Silas makes me feel ... Exceptional. Aimless. He's always known his course. And even now, when he's abandoning fame and fortune, he knows what he wants. Me. But life is never that simple. Novels in the Trojan series are interconnected standalones, each with an HEA. Reading them in order is not crucial but is HIGHLY recommended. Reading order: Clutch (Trojan #1) Reverb (Trojan #2)
