Shifting Shadows of Supernatural Experiences - James W. Goll 2011-07-28
Go beyond... Go beyond the realm of your natural senses to the Shifting Shadows of Supernatural Experiences. Jesus is bigger than all of us. His power and ways transcend our understanding. But if we are to grow in all He has for us, we need to tap into what the Holy Spirit has for us today. This book is filled with actual experiences from church history, and modern-day testimonies that are all grounded in the Word of God. Open your heart to God as He delights in revealing Himself to you through spiritual experiences such as: Encountering Angels. Dreams, Visions & Miracles. Near-death Experiences. Testing the Spirits. Insights into Things to Come. How to Keep Jesus Central. The authors are convinced of the importance of operating in God's supernatural realm: "Until authentic power displayed through God's prophets and healers infuses society, people will continue to turn toward the only source of power they see-occult and paranormal power displayed through television and in New Age circles."

It is primarily a suitable answer to accusations made by Hank Hanegraaff in his 1993 book, *Christianity in Crisis. Another Side of the Coin* plainly and openly illustrates the teaching of the Word of Faith concerning faith, the Deity of Jesus, the cross, sickness and the believer, prosperity and God's will concerning it...plus much more.

The Charismatic Movement in Taiwan from 1945 to 1995 - Judith C.P. Lin 2020-07-10

This book presents a comprehensive account of the historical development of the Charismatic Movement in Taiwan, placing it within the context of Taiwan's religious and political history. Judith C. P. Lin unearths invaluable sources of the Japan Apostolic Mission, the Full Gospel Business Men's Fellowship International Formosa Chapter, and Jean Stone Willans' short stay in Taiwan in 1968. Lin describes and analyzes how the efforts of 1970s charismatic missionaries in Taiwan—including Pearl Young, Nicholas Krushnisky, Donald Dale, Allen J. Swanson, and Ross Paterson—shaped the theological convictions of later Taiwanese charismatic leaders. She also explores significant developments in the Taiwanese Church which contributed to the gradual and widespread recognition of the Charismatic Movement in Taiwan from 1980 to 1995. Lin offers a thorough treatment of history, reconfigures historiography from a Taiwanese perspective, and challenges the academic circle to take seriously the "Taiwanese consciousness" when engaging Taiwan's history.

Ministry Digest, Vol. 02, No. 02 - Witness Lee

In this issue we will continue the four lines of ministry that began in the first issue of *Ministry Digest* (vol. 1, no. 1). The first line--*The History of the Lord's Recovery*--continues with chapters 21 through 24 of *The History and Revelation of the Lord's Recovery*, which are in volume 2 of *The Collected Works of Witness Lee*, 1981. These chapters speak of the recovery of the practicality of the church life, the troubles without and the troubles within during the spread of the testimony in the United States, and the advancement of the Lord's recovery in the United States. The second line--*Words for New Believers*--continues with chapters 16 through 19 of *Lessons for New Believers*, which are in volume 3 of *The Collected Works of Witness Lee*, 1959. These chapters speak of the ground of the church, the division of the church, our practice related to the expression of the church on the ground of locality and our attitude toward organized Christianity, and serving the Lord. The third line--*Maturing in Life*--continues with the final chapter of *The Way for a Christian to Mature in Life*, which is in volume 3 of *The Collected Works of Witness Lee*, 1955, and then begins chapters 1 through 3 of a new book, *The Purpose of God's Salvation*, which are in volume 3 of *The Collected Works of Witness Lee*, 1961. The final chapter of *The Way for a Christian to Mature in Life* speaks of experiencing the transforming work of gold, silver, and precious stones as spoken of in 1 Corinthians 3. The third

line then continues with a new book that begins by focusing on Christ being the central purpose of God, the church being the Body of Christ and the fullness of Christ, and Christ making His home and the church being filled. The fourth line--The High Peak of the Divine Revelation--continues with the final two chapters of The Divine and Mystical Realm, which are in volume 4 of The Collected Works of Witness Lee, 1994-1997, and then begins chapters 1 and 2 of a new book, The Experience of God's Organic Salvation Equaling Reigning in Christ's Life, which are in volume 5 of The Collected Works of Witness Lee, 1994-1997. The speaking in these chapters concerns regeneration and renewing and sanctification and transformation.

Worshipping Christ Jesus to Usher in the New Millennium - Miss Destiny And Purpose 2015-07-16

Worshipping Christ Jesus to Usher in the New Millennium: Withstanding in the Second Heaven in The End Times takes seriously the threats that the powers of this world make against all who seek to worship the one true God. The author, Miss Wemys O.L. Small, known as Destiny and Purpose, was born again in 1980. She credits her work and witness since then to the Lord Jesus Christ and gives Him the glory. Resting upon the inspiration that comes from Jesus Christ, Worshipping Christ Jesus to Usher in the New Millennium explains the origins of the principalities and powers that oppose Him at every turn, the triumph of His resurrection from the dead, the ways that Christians can stand firm against opposing forces, and the necessity of worshipping and working with other believers. If you have seen at least a bit of what the forces opposed to the Lord can do in your life, in the relations among members of your community, and to the foundations of our shared culture, then Worshipping Christ Jesus to Usher in the New Millennium can give you the practical, yet spiritual guidance you need to strengthen your trust in Jesus Christ. With this support, you will be able to do exactly as the subtitle states, so that the coming Lord will find you "standing firm in the second heaven in the end times."

The Latent Power of the Soul - Watchman Nee 2009-09-26

"For the word of God is living, and active, and sharper than any two-edged sword, and piercing even to the dividing of soul and spirit, of both joints and marrow, and quick to discover the

thoughts and intents of the heart" (Heb. 4:12). The peril of the believer is to confuse the spirit for the soul and the soul for the spirit, and so be deceived into accepting the counterfeit of evil spirits to the unsettling of God's work. The greatest advantage in knowing the difference between spirit and soul is perceiving the latent power of the soul and in understanding its falsification of the power of the Holy Spirit. Such knowledge is not theoretical but practical in helping people to walk in God's way. In this book, Watchman Nee shares his insight on The Latent Power of The Soul, The Christian and Psychic Force, and Spirit Force vs Psychic Force. Nowadays the atmosphere is so charged with the commotion of all kinds of counterfeit that the Lord seems to be calling the Church to come to a higher ground. Today's situation is perilous. May we "prove all things; hold fast that which is good" (1Thes. 5:21)

The Finest of the Wheat, vol 2 - Watchman Nee 1993-08-01

Shift! - Ken Harrington 2009-10-28

God said that we were to subdue the earth and have dominion over every living thing including the power of the enemy. We can't even begin to think in those terms because our experiences don't conform to that image of our authority. We need to start seeing things through God's eyes and start LIVING OFF THE GRID of our limited mindsets. Jesus could raise the dead, heal the sick, set captives free, rule the weather, change the economy, and drive out demonic influences. Jesus said we could do the same things if we have faith but not by using soulish power. Trying harder, changing laws, and devising more efficient systems won't change hearts or overcome the forces arrayed against Christ's kingdom. Ken and Jeanne demonstrate through the scriptures and their own journey how to access the halls of power by the Spirit. Let God impose His super over your natural and change your world.

The Divine Law Of Cure - Warren Felt Evans
2014-03-17

No intelligent observer of the signs of the times can fail to notice among philosophical minds a marked reaction against the dominant scientific materialism of the past century, and a tendency to return to a more spiritual view of human nature and the world at large. Idealism, which has always had a strong hold upon the deepest thinkers of the world from Plato downward, is again coming into prominence, and many of the leading scientists of the day exhibit an inclination to adopt it as furnishing the most satisfactory explanation of the phenomena of nature. The present volume of the author is an attempt to construct a theoretical and practical system of phrenopathy, or mental-cure, on the basis of the idealistic philosophy of Berkeley, Fichte, Schelling, and Hegel. Its fundamental doctrine is that to think and to exist are one and the same, and that every disease is the translation into a bodily expression of a fixed idea of the mind and a morbid way of thinking. If by any therapeutic device you remove the morbid idea, which is the spiritual image after the likeness of which the body is formed, you cure the malady. The work lays no claim to originality except in the practical application of Idealism to the cure of the diseases of mind and body. It is the culmination of a life-long study of human nature, and to which the previous volumes of the author may be viewed as introductory.

Der Zerbruch des äußeren Menschen und die Befreiung des Geistes - Watchman Nee 2021-07-26

Jeder Christ, der an Christus geglaubt und Ihn aufgenommen hat, hat ein Verlangen, in Ihm zu wachsen. Die größten Hindernisse für die Erfahrung des Wachstums im Leben sind nicht äußere Umstände und Schwierigkeiten in der Umgebung; vielmehr liegen sie in einem Verstand, der erneuert werden muss, in einem Willen, der sich Gott unterwerfen muss und in Gefühlen, die stabil werden müssen. In dem Werk *Der Zerbruch des äußeren Menschen und die Befreiung des Geistes* zeichnet Watchman Nee ein klares Bild von der Notwendigkeit des Zerbruchs des äußeren Menschen, damit das Leben Christi in unserem Geist als Ströme lebendigen Wassers herausfließen kann, um das Volk Gottes zu erfrischen und aufzubauen. In einer neuen und überarbeiteten Übersetzung dieses geistlichen Klassikers, vermittelt Watchman Nee den Lesern eine entscheidende Einsicht in die biblische Offenbarung der Notwendigkeit, unsere Seele und unseren Geist zu scheiden.

About Hearing - Heinrich Becker 2013

The purpose of this book is to give each reader courage to depend completely upon the Holy Spirit when praying with and blessing others and when practicing counselling. Through Listening. He knows exactly what each individual person needs and what can help them

the most. 25 years of experiencing the working of the Holy Spirit have been woven into these accounts. Building upon Listening Prayer and Listening Blessing, we are led into Listening Counselling. This book is not one (a book) which should teach a method, so that we can learn how to counsel as if following a recipe, but shares the accounts of the miracles which we experienced as we were closely led by the Holy Spirit. How well he knows his children, how he lovingly brings to their attention what is hidden and can be a help to us. So that the Father's children can finally enter and live in freedom.
