The Best Horror of the Year - Ellen Datlow 2009-10-01

An Air Force Loadmaster is menaced by strange sounds within his cargo; a man is asked to track down a childhood friend... who died years earlier; doomed pioneers forge a path westward as a young mother discovers her true nature; an alcoholic strikes a dangerous bargain with a gregarious stranger; urban explorers delve into a ruined book depository, finding more than they anticipated; residents of a rural Wisconsin town defend against a legendary monster; a woman wracked by survivor's guilt is haunted by the ghosts of a tragic crash; a detective strives to solve the mystery of a dismembered girl; an orphan returns to a wicked witch's candy house; a group of smugglers find themselves buried to the necks in sand; an unanticipated guest brings doom to a high-class party; a teacher attempts to lead his students to safety as the world comes to an end around them... What frightens us, what unnerves us? What causes that delicious shiver of fear to travel the lengths of our spines? It seems the answer changes every year. Every year the bar is raised; the screw is tightened. Ellen Datlow knows what scares us; the twenty-one stories and poems included in this anthology were chosen from magazines, webzines, anthologies, literary journals, and single author collections to represent the best horror of the year. Legendary editor Ellen Datlow

(Poe: New Tales Inspired by Edgar Allan Poe), winner of multiple Hugo, Bram Stoker, and World Fantasy awards, joins Night Shade Books in presenting The Best Horror of the Year, Volume One.

Does Glitter Count as Camouflage? - Helen Salter 2007-04-02

'So, are you going out with him now or what?' Poppy asked. 'I don't know.' I thought about it. 'I guess I'll see him soon and we'll talk about it.' 'Will you be all elusive and distant and coy?' 'Erm . . . 'Or maybe just avoid him until he goes mad with lust for you?' Gorgeous Luke has just kissed Holly Stockwell. She's had a crush on him forever. Maybe he's finally noticed that Holly's not just his sister's best friend! But, before anything else can happen, Holly and Poppy go off to Cornwall for a group camping holiday. Will Luke be waiting for Holly when she gets back? And, when having the right image seems so important, will Holly be brave enough to drop the camouflage and be herself?

Until Friday Night - Abbi Glines 2015-08-25

A #1 New York Times bestseller and the first novel in a brand-new series—from bestselling author Abbi Glines—about a small Southern town filled with cute boys in pickup trucks, Friday night football games, and crazy parties that stir up some major drama. To everyone who knows him, West Ashby has always been that guy: the cocky, popular, way-too-handsome-for-his-own-good football god who led Lawton High to the state championships. But while West may be Big Man on Campus on the outside, on the inside he's battling the grief that comes with watching his

father slowly die of cancer. Two years ago, Maggie Carleton's life fell apart when her father murdered her mother. And after she told the police what happened, she stopped speaking and hasn't spoken since. Even the move to Lawton, Alabama, couldn't draw Maggie back out. So she stayed quiet, keeping her sorrow and her fractured heart hidden away. As West's pain becomes too much to handle, he knows he needs to talk to someone about his father—so in the dark shadows of a post-game party, he opens up to the one girl who he knows won't tell anyone else. West expected that talking about his dad would bring some relief, or at least a flood of emotions he couldn't control. But he never expected the quiet new girl to reply, to reveal a pain even deeper than his own—or for them to form a connection so strong that he couldn't ever let her go...

Plight of the Double B Ranch - Gene Tunlaw 2011-11-14

Jeb West is a 19 year old hand for the Double B Ranch on the spring roundup when he accidentally comes upon a rustling operation. While he is watching the rustlers he hears a voice that is seared into his mind as the leader of the gang that murdered his family five years before. He takes action to capture the person and it leads to his uncovering a plot to murder all of the people on the Double B, stealing their herd and selling it. He is joined by Jeb Nash, a former gun slinger and mountain man, in his quest to thwart the nefarious action of the gang. During their preparation they discover that the gang has a strangle hold on the Idaho Territory of 1872 and the law seems to not be able to do anything about it or even recognize the danger. While they are gathering a counter force they enlist the aid of the Chinese community of the territory and become close friends with a Wu Han, a former Officer in a Chinese Princes private army, who along with the Prince, is in exile from the present Chinese Emperor . The trio enlists the aid of various ranchers, miners and other citizens to combat the on coming onslaught of the Double B.

Also during their travels they fall in love with three ladies who are very involved in the womens right movement. The action takes place in the 1872 Southwest section of the Idaho Territory centering around Horseshoe Bend and Boise City. There are many different characters brought into play, some historical and most fictional. The settings depict what life was like in that time with all of the hardships and the luxuries of the time.

Talking About Death Won't Kill You - Dr. Kathy Kortes-Miller 2018-03-06

This practical handbook will equip readers with the tools to have meaningful conversations about death and dying Death is a part of life. We used to understand this, and in the past, loved ones generally died at home with family around them. But in just a few generations, death has become a medical event, and we have lost the ability to make this last part of life more personal and meaningful. Today people want to regain control over health-care decisions for themselves and their loved ones. Talking About Death Won't Kill You is the essential handbook to help Canadians navigate personal and medical decisions for the best quality of life for the end of our lives. Noted palliative-care educator and researcher Kathy Kortes-Miller shows readers how to identify and reframe limiting beliefs about dying with humor and compassion. With robust resource lists, Kortes-Miller addresses advance care plans for ourselves and our loved ones how to have conversations about end-of-life wishes with loved ones how to talk to children about death how to build a compassionate workplace practical strategies to support our colleagues how to talk to health-care practitioners how to manage challenging family dynamics as someone is dying what is involved in medical assistance in dying (MAID) Far from morbid, these conversations are full of meaning and life — and the relief that comes from knowing what your loved ones want, and what you want for yourself.

Without Her - Rosalind Brackenbury 2019-07-23

The author of *Becoming George Sand* has crafted a "standout novel of a tested friendship . . . highlighted by fine prose and finely drawn characters" (Publishers Weekly). When her old friend Hannah doesn't show up at her house in the south of France, everyone assumes that Claudia, who has known Hannah since their shared years at boarding school, will know where she is and what has happened. But as Claudia travels from the United States to France to help her friend's husband and children conduct their search, she is forced to deal with her old jealousy of Hannah, as well as her own relationship in the present with her French lover, Alexandre. As events unfold, Claudia begins to wonder if Hannah and Alexandre may have had an affair and if that has something to do with Hannah's mysterious disappearance. In this exquisitely written, Ferrante-esque novel the question of whether or not Hannah will come back becomes urgent and bewildering. And if she doesn't return, what will the lives of her friends and family be without her?

If Cats Disappeared From The World - Genki Kawamura 2018-09-20

A beautifully moving tale of loss and reaching out to the ones we love, of one man's journey to discover what really matters in modern life. Our narrator's days are numbered. Estranged from his family, living alone with only his cat Cabbage for company, he was unprepared for the doctor's diagnosis that he has only months to live. But before he can set about tackling his bucket list, the Devil appears with a special offer: in exchange for making one thing in the world disappear, he can have one extra day of life. And so begins a very bizarre week . . . Because how do

you decide what makes life worth living? How do you separate out what you can do without from what you hold dear? In dealing with the Devil our narrator will take himself - and his beloved cat - to the brink. Genki Kawamura's *If Cats Disappeared from the World* is a story of loss and reconciliation, of one man's journey to discover what really matters in modern life. This beautiful tale is translated from the Japanese by Eric Selland, who also translated *The Guest Cat* by Takashi Hiraide. Fans of *The Guest Cat* and *The Travelling Cat Chronicles* will also surely love *If Cats Disappeared from the World*.

Even If You Were Perfect, Someone Would Crucify You - Rob Shepherd
2013-03-01

"In short, digestible chapters Shepherd shares several truths every human needs to know . . . You'll enjoy reading and laughing your way through this book!" (Terrace Crawford, nationally recognized speaker & author of *Going Social*). He should have seen it coming. Anonymous letters are rarely good. On the day after preaching a sermon at his church, Rob Shepherd opened a letter filled with hurtful words and a very strong opinion about how awful his sermon was. On his fourth reading of the letter, Rob heard a still small voice say, "Even if you preached the perfect sermon somebody would crucify it." That thought began the process of setting Rob free from being a lifelong people pleaser. With humor, personal stories, and great conviction Rob shares his personal story of learning to care less about what people say and more about what God says. *Even If You Were Perfect Somebody Would Crucify You* uncovers what our real struggle is when it comes to pleasing people. You can be set free from the fear of saying no to people, win the battle with avoiding confrontation, learn the power of confession, and find your true identity in Jesus. "This book will nail you in regards to cutting out the paralyzing noises of life and opinions of others. Be ready for a tugging at your heart to rest and rediscover your identity FULLY in Him." —Chad Johnson, director of the Catalyst Conference

The Mabinogion - 2007-03-01

Then they took the flowers of the oak, and the flowers of the broom, and the flowers of the meadowsweet, and from those they conjured up the fairest and most beautiful maiden that anyone had ever seen. Celtic mythology, Arthurian romance, and an intriguing interpretation of British history — these are just some of the themes embraced by the anonymous authors of the eleven tales that make up the Welsh medieval masterpiece known as the Mabinogion. They tell of Gwydion the shape-shifter, who can create a woman out of flowers; of Math the magician whose feet must lie in the lap of a virgin; of hanging a pregnant mouse and hunting a magical boar. Dragons, witches, and giants live alongside kings and heroes, and quests of honour, revenge, and love are set against the backdrop of a country struggling to retain its independence. Sioned Davies' lively translation recreates the storytelling world of medieval Wales and re-invests the tales with the power of performance.

Red Comet - Heather Clark 2020-10-27

PULITZER PRIZE FINALIST • The highly anticipated biography of Sylvia Plath that focuses on her remarkable literary and intellectual achievements, while restoring the woman behind the long-held myths about her life and art. "One of the most beautiful biographies I've ever read." —Glennon Doyle, author of #1 New York Times Bestseller, *Untamed* With a wealth of never-before-accessed materials, Heather

Clark brings to life the brilliant Sylvia Plath, who had precocious poetic ambition and was an accomplished published writer even before she became a star at Smith College. Refusing to read Plath's work as if her every act was a harbinger of her tragic fate, Clark considers the sociopolitical context as she thoroughly explores Plath's world: her early relationships and determination not to become a conventional woman and wife; her troubles with an unenlightened mental health industry; her Cambridge years and thunderclap meeting with Ted Hughes; and much more. Clark's clear-eyed portraits of Hughes, his lover Assia Wevill, and other demonized players in the arena of Plath's suicide promote a deeper understanding of her final days. Along with illuminating readings of the poems themselves, Clark's meticulous, compassionate research brings us closer than ever to the spirited woman and visionary artist who blazed a trail that still lights the way for women poets the world over.

Distant Cousin - Al Past 2005-10

A lonely astronaut stumbles upon a disaster in the making: the Earth will be turned into a crater-pocked ruin and millions of people will be killed, unless she can convince someone to take preventive action. But she has a huge problem. After all, who would believe an ordinary young woman who said such a thing, especially if there is no record she is an astronaut and especially not if she also claims to have come from a different solar system? Only the U. S. government does, and hunts her with all the forces it can muster. Terrified and with few resources, she tries desperately to disprove people's low opinion of what a young woman is capable of. And what about her earthly boy friend? Would he believe her, or sell her out?

Raped in the Church - Mohadeebah 2019-11-12

This book is not intended for everyone to read or for everyone to like; it is for the millions of people who have been unjustly raped in the church, without any type of human justice or foreseeable biblical justice. This book is for those who have been hurt or abused in the natural, psychological, mental, physical, and the spiritual realm. If you are a new convert, do not read this book, because some things may shock you or even shake your faith in your local lay members or clergy, who do not deserve any unjust criticism. Some stories may seem unreal but they are based on real life events of everyday people who you see or are seen in the sanctuary worshipping God never knowing what they are going through or why they leave the church today, some even convert to other religions. As a result of hurt and frustration many never return to the organized church and prefer a relationship with God through television

evangelist. I am not targeting Christianity but most of the stories and events are from people who are or once was a Christian, I must say in all fairness I must say that I'm a Christian and this book is written from a Christian point of view. It's written to heal as well as inform that not everyone in the church is of the church, meaning the kingdom of God. To the clergy and lay members please remember this the Lord said (woe unto the Shepherd that scatter MY Sheep), he said that we are the sheep of his pasture. Many people in leadership today seem to forget that very important fact, that we are not theirs to command and bid as they see fit. If you choose to read this book, you will always have an awareness of what is going on with those who have been spiritually raped. Some people may not believe you when you tell them what you have read and what you learned which is fine. Remember they did not believe Jesus either. Finally as one pastor once said to me many years ago (that education stuff isn't going to get you anywhere), he/she didn't know that the bible has been translated by some of the best scholars of our time, and our theology has had many contributors throughout history. From the Quakers, Shakers, Lutheran, Catholic, Jews, and even Mormons. The lord said that knowledge would steadily increase, and if a man lacks knowledge or wisdom let him ask God who gives limberly and upbraids not.

The Ledger and the Chain - Joshua D. Rothman 2021-04-20

An award-winning historian reveals the harrowing forgotten story of America's internal slave trade—and its role in the making of America. Slave traders are peripheral figures in most histories of American slavery. But these men—who trafficked and sold over half a million enslaved people from the Upper South to the Deep South—were essential to slavery's expansion and fueled the growth and prosperity of the United States. In *The Ledger and the Chain*, acclaimed historian Joshua D. Rothman recounts the shocking story of the domestic slave trade by tracing the lives and careers of Isaac Franklin, John Armfield, and Rice Ballard, who built the largest and most powerful slave-trading operation in American history. Far from social outcasts, they were rich and widely respected businessmen, and their company sat at the center of capital

flows connecting southern fields to northeastern banks. Bringing together entrepreneurial ambition and remorseless violence toward enslaved people, domestic slave traders produced an atrocity that forever transformed the nation.

The Mistletoe Mishap - Aileen Fish 2022-03-13

Seeing the woman to whom he intends to propose standing under the mistletoe, Robert, Viscount Alderton, can't resist stealing a kiss. He's quite surprised to discover her cousin, Isabella Stone, in his arms. And more surprised at how much he enjoyed kissing her. Unbeknownst to the two, a notorious rake witnessed the kiss and takes it for granted Isabella was a willing participant. The rake's attempted seduction of Isabella becomes the scandal of the Christmas ball. Alderton will do anything to keep Isabella safe, including marrying her. But Isabella could never admit her feelings for her cousin's intended, and always hoped to marry for love. Can Alderton prove the accidental kiss was actually fate's

intervention?

Dämmerung - Max Overton 101-01-01

Before he fully realized the diabolical cruelties of the National Socialist German Worker's Party, Konrad Wengler had committed atrocities against his own people, the Jews, out of fear of both his faith and his heritage. But after he witnesses firsthand the concentration camps, the corruption, the inhuman malevolence of the Nazi war machine and the propaganda aimed at annihilating an entire race, he knows he must find a way to turn the tide and become the saviour his people desperately need. Konrad Wengler is captured and sent from one Soviet prison camp to another. Even hearing the war has come to an end makes no difference until he's arrested as a Nazi Party member. In jail, Konrad refuses to defend himself for things he's guilty of and should be punished for. Will his be an eye-for-an-eye life sentence, or leniency in regard of the good he tried to do once he learned the truth?
