Namaste Montreal - Susil C. Acharyya 2012-04-26
This book tells a beautiful story reinforcing the power of love as it defies obstacles such as race, religion, culture and language as faced by an Indo-Canadian man, Dr. Sameer Sen and a French Canadian woman, Ms. Lucy L Lafontain. The story starts in a cold Canadian wintry storm when Sameer saves Lucy, a stranger at the time, from freezing in her stalled vehicle. Interest grows between the two, they work through their cultural differences and with the

support of common friends their relationship results in a marriage in India and home in Mississauga. Challenges are faced as Lucy's father does not accept the inter-racial marriage, and plots to break up the marriage and ensure a permanent return of his daughter to Montreal. The book takes the reader through an exciting journey through India, England, Canada, Lucy's father's plotting, Sameer's traumatic accident and many misunderstandings along the way. The ultimate question becomes whether or not

Sameer and Lucy can hold true to their love and overcome the many storms to a future of happiness together.

HALF A KILO MIXTURE - RANJITHA ASHOK 2021-05-19

The fifteen stories in this collection are a blend of varied human experiences, characters, emotions, moods, and times. A bit like the diverse ingredients, textures and flavours that come together in 'mixture'! Tragedy forges a link beyond time through an author's works; a philosopher-thief expresses himself in a language unique to his city; the ancient, the inert, reach out to be heard; a celebration of a long-vanished river draws an unexpected presence. A surprising bond between the deceased and 'the emissary' forms 'over' death ceremonies; a long-ago act of anger offers a glimpse into a vanishing way of life. Two stories draw their essence from the Mahabharatha - one gives voice to lives crushed by choices they did not make, while another explores the thoughts of one of the epic's more enigmatic characters. While the landscape largely reflects a South Indian, at times Chennai-centric, milieu, the stories, filled with empathy, humour, and explorations into

Marriage and Mutton Curry -
M. Shanmughalingam
2019-03-23

A kimono-clad Tamil woman greets Japanese soldiers at the door while her Anglophile husband cowers in his Jaguar. Two sisters share a husband when one fails to produce a child for the longest time. An American diplomat's urgent inquires about the Malaysian

treasury's facilities are hilariously misunderstood. A daring civil servant proposes to a Ceylonese lady in his hometown mere minutes after meeting her, breaking a thousand years of marriage protocol. M.

Shanmughalingam's debut collection paints, with gentle wit and humour, the concerns and intrigues of the Jaffna Tamil community in Malaya. At turns satirical, empathetic and insightful, these fifteen stories explore what happens when we hold on to—and choose to leave behind—our traditions and identities in a changing world.

under the umbrella of cultural richness and spiritual freedom that the extended family provided. We meet Rabindranath's wife Mrinalini and his sister-in-law Kadambari, who had considerable influence on the young poet; the progressive Jnandanandini who sailed alone to England in the nineteenth century, presenting to ordinary women a vision of courage and daring; and Sushama, who broke out of the confines of music, literature and culinary arts to tread the path of women's empowerment. This book reveals hitherto unknown aspects of women's emancipation in Bengal in which the women of the Jorasanko Tagore family were at the forefront-Chandramukhi and Kadambini were the first two female graduates of India, Protiva opened up music and dramatics to women by preparing musical notations for Brahma sangeet and Hindustani classical music, and Pragya's prefaces to her cookbooks are still considered storehouses of not only recipes

but also homemaking skills.

This engaging narrative, spanning over three hundred years, highlights the Tagores' influence on the Bengal Renaissance and brings out the special role the Tagore women played in Bengali history and culture.

Gowri - V. G. Kumar Das
2016-08-09

This is a story about a woman's exceptional courage, a mother's unconditional love, and a matriarch's uncompromising will to see her family survive against insurmountable odds. She was widowed at a young age with seven children to rear, and her biography narrates her life from a hapless childhood in her native Kerala (India) through the span of history of her domiciled country, Malaya, from World War II through independence and beyond. The book is a poignant read of events that she had to cope with in her life, bringing to the fore the special attributes that she possessed and displayed in particular, her

strong positivity, her magnanimity of love, and her unflinching faith in the divine. Her kind and forgiving nature stamped her out as an exceptional individual. Also woven into her biography are the rich cultural traditions that she instilled in her progeny; her travel experiences, especially in her later life, which she enjoyed sharing with her grandchildren; and interesting facets of Malay and Chinese cultures that touched her life, which she loved to share with her relatives in India and abroad.

Story of Harry Singh & Sophie Kaur - Madan Das 2014-06-18

Downloaded from report.bicworld.com on by guest

A very engrossing tale set during the British era. It is a fast moving narrative with humour and anecdotes of the Indian subcontinent and the British ruling class. The story revolves around an innocent heist carried out by a group of simple Indian soldiers to save their honour and in so doing a real life hero emerges who leads an attack successfully during World War II and puts an entire beach, in Indonesia, in the laps of his English masters. After the war he sweeps an heiress, who is a surviving passenger of the ill fated HMS Titanic, off her feet and into his arms. The misdemeanour enacted by the soldiers remains ensconced in secrecy for a decade and half. However, due to a string of circumstances, the perpetrators are cajoled into revealing the misdeed during a drinking binge in a grand hotel setting in New Delhi ten years

after India's independence in a chance encounter with their erstwhile pre-independence British officers. Since the mystery is revealed only in the last few pages of the book, the reader remains rivetted to the novel and is kept spellbound through out.
