All she ever wanted for herself was to be loved. At thirteen, Naomi Macnamara and her two best friends each pen a wish list of things they want to achieve. Deciding to bury a tin containing their life goals, the friends vow to unearth the metal box once they've all turned forty. But as the decades pass and each girl chases her dreams, the lists are

forgotten. When her beloved aunt's sudden illness sends Nai back to Chapel Cove days before her fortieth birthday to manage the town's bookstore, her successful, independent, organized new life in Texas seems a million miles away. Between a book-hoarding aunt, a leaky roof, unruly pets, wobbly faith, and flaky bookstore staff, the last thing she wants is to have to rely on local cop Mateo Rodriguez for

help. Mateo, returned to the Cove to help his aging grandfather, never forgot his first love Nai or the one sweet kiss at sixteen that sent her running. Normally confident and capable, being around each other shoots them both back into their teenage shyness and insecurity. They'll need to overcome soul-deep hurts, trust in God, and risk being vulnerable enough to accept their second chance at love. Will a crisis bring them together -- or tear them apart? Welcome to Chapel Cove, Oregon, where life begins at forty. As their fortieth birthdays loom, three childhood friends return unexpectedly to their home town. Stunning coastline, a harbor against life's storms, and a welcoming community await them. Hurt by challenges, disappointments, and failures; reminded of their unfulfilled hopes and dreams, they're offered a fresh start. And, if they're brave enough to accept it, a second chance at love. Will they allow God to safely anchor them in their

hearts' home, or will doubt and uncertainty drive them to repeat their old mistakes? Stand by Me - Chapel Cove Romances 2022-09-02  
He's big city, she's small town. He's a fast-paced businessman, she's a slowed-down artist. He loves the night life, she loves the quiet life. He's wealthy, she... well, isn't. Can such

opposites make love work? Successful Austin CEO Isaiah Williams rarely gives himself the luxury of time off. He thrives on the buzz of making deals and signing multi-million dollar contracts. But spending the holidays in a small Oregon town with his former business partner will let him finalize the purchase of his friend's share of their business. Plus, even better, he'll get to spend more time with the pretty local artist he met and fell for at his friend's wedding. Watercolor artist and cafe manager Cas Salter loves to paint the ever-changing ocean. She also loves her friends, her church, and the peace of mind she's developed since she came to live in Chapel Cove. And okay, perhaps she does love Isaiah, just a little bit. His confident charm is hard to resist, but she can't give up the life she's worked hard to create or the faith that means everything to her and join him in the fast lane. Life in the slow lane suits her fine. When she reveals the reason she can't risk moving back to the city, will he choose

to stand by her? And when Isaiah is thrown into relying on God as his world crumbles, can Cas choose to stand by him? Welcome to Chapel Cove, Oregon, where life begins at forty. **"Far, Far From Home"** - Dick and Tally Simpson 1994-06-09

In April 1861, Dick and Tally Simpson, sons of South Carolina Congressman Richard F. Simpson, enlisted in Company A of the Third South Carolina Volunteers of the Confederate army. Their letters home--published here for the first time--read like a historical novel, complete with plot, romance, character, suspense, and tragedy. In their last year of college when the war broke out, Dick and Tally were hastily handed their diplomas so they could volunteer for military duty. Dick was twenty; Tally was twenty-two. Well educated, intelligent, and thoughtful young men, Dick and Tally cared deeply for their country, their family, and their comrades-in-arms and wrote frequently to their loved ones in Pendleton, South Carolina, offering firsthand accounts of dramatic events from the battle of First Manassas in July 1861 to the battle of Chickamauga in September 1863. Their letters provide a picture of war as it was actually experienced at the time, not as it was remembered some twenty or thirty years

later. It is a picture that neither glorifies war nor condemns it, but simply "tells it like it is." Written to a number of different people, the boys' letters home dealt with a number of different subjects. Letters to "Pa" went into great detail about military matters in Lee's Army of Northern Virginia--troop movements, casualties, and how well particular units had fought; letters to "Ma" and sisters Anna and Mary were about camp life and family friends in the army and usually included requests for much-needed food and clothing; letters to Aunt Caroline and her daughter Carrie usually concerned affairs of the heart, for Aunt Caroline continued to be Dick and Tally's trusted confidante, even when they were "far, far from home." The value of these letters lies not so much in the detailed information they provide as in the overall picture they convey--a picture of how one Southern family, for better or for worse, at home and at the front--coped with the experience of war. These are

not wartime reminiscences, but wartime letters, written from the camp, the battlefield, the hospital bed, the picket line-- wherever the boys happened to be when they found time to write home. It is a poignant picture of war as it was actually experienced in the South as the Civil War unfolded.

*The Holy Way* - Cathryn Lucille Easley 2011-04-13  
In 1985, author Cathryn Lucille Easley experienced the anointing of the sick, laying on of hands by a ordained priest, Father Al Dawe. Then the priest said we are going to meditate. Through meditation the Mediator Jesus Christ revealed Himself and her future through a vision, years

later edified by a dream from God the Father, who also reveals Himself. This book also contains pictures of people that live in heaven on earth. What she heard shocked her. Easley had been living a life of sin and had spent time in jail for her transgressions. She began reading the Bible, and her life began to turn around. In *The Holy Way*, Easley narrates her profound conversion, which includes a vision from Jesus Christ and a dream from God the Father. Citing an array of scriptural examples, Easley covers a wide variety of topics related to spiritual life: purgatory, prayer, the Virgin Mary, the Holy Spirit, crucifixion, forgiveness, the sacraments, and creation. She includes a thorough discussion of the idea of heaven on earth and the second coming of Jesus Christ.

*The Book of Revelation Revealed* - Michael Dale 2018-02-04

The book of Revelation is one of the most mysterious books in the Holy Bible. Many have attempted to unlock its secrets. This book is the author's

contribution to this task. The Book of Revelation Revealed is an in depth journey into the Book of Revelation's extraordinary prophecies. Author Michael B. Dale applies tools of wisdom, divine revelation and personal insight, studious reflection combined with a historical perspective, and guidance from the Holy Spirit to gain insight into some of these mysteries. This is another addition to the 'Revealed Series' that every student of prophecy can gain some amount of insight from. Faith Talk - Ruth Naylor  
2019-08-09

The author's original intent in writing this memoir was to reflect on her life and share personal stories of faith with her children and grandchildren. She writes of prayer and of God's often unrecognized availability, presence, and providence. A writer-editor at one Christian Writers Conference examined the developing manuscript and encouraged her to add questions at the end of each chapter, directing reader

reflection and extending the book's usefulness far beyond just family. A contemplative Quaker upbringing created keen awareness of the Holy Spirit and established a mystical foundation for the author's life, helping her understand what it means to be in an active living-loving relationship with God, a channel of divine love such as revealed in the life and teachings of Jesus. Each chapter has its own theme, and the stories are not always in chronological order because some themes recur over a lifetime. The author shares openly the highs and lows of her less-than-perfect life—things not uncommon to humankind but which are seldom subjects of conversation in our fast-paced, secular world. The stories reveal vulnerability and challenges to faith as well as affirmations. Poems and prayers, written at or near the time of the unfolding stories, plumb the depths of the author's experience. Questions at the end of each chapter are

similar to those a spiritual director might ask to invite consideration of one's own spiritual journey—where faith has strengthened them, where it has faltered, or where it has invited new growth.
