Let's Face Chaos Through Nonlinear Dynamics - Marko Robnik 2008-12-04

This volume contains papers written by the invited lecturers and the contributors (short reports and posters). The papers do not necessarily cover exactly one-to-one what has

been presented at the conference - for that we would need at least one thousand pages - but contains the material related to the presentations, either in the sense of a review (20%) or in the sense of a new original contribution (80%). The volume is a valuable

source of scientific information in the general field of nonlinear science in its broadest sense, namely in the fundamental and applied physics, and in the interdisciplinary physics.

The Anchor War - John Westin 2003-01-30

The 1991 war with Iraq is in its second day. In New York, legendary WBN anchorman Harrison Kiser is murdered by his mistress as millions watch on television. Days later, three journalists launch a desperate, rollicking, soul-searching battle to win the coveted \$2.5-million-a-year anchor job. The combatants: David Sheldon, chief Tokyo correspondent. He is handsome, sophisticated and ambitious. His wife thinks he loves WBN more than he loves her. She may be right. Frank West, chief correspondent for WBN's primetime news magazine, "Perspective." West is rugged, aggressive and independent. His love life is a mess. He dates a fetching woman who already has a boyfriend. Marilyn Rhodes, chief Moscow correspondent. She flies to New York and demands a shot at the job. She gets her

chance-delivering the news on WBN's "Morning Magazine." She quickly discovers she is stuck in the quicksand of office politics. It's a no-holds-barred battle for the fabulous anchor job-complete with scandals, sex, bombs and a murder mystery.

The Rise and Fall of Mount Majestic - Jennifer Trafton 2010-12-02

Ten-year-old Persimmony Smudge lives a boring life on the Island in the Middle of Everything, but she longs for adventure. And she soon gets it when she overhears a life-altering secret and suddenly finds herself in the middle of an amazing journey. It turns out that Mount Majestic, the rising and falling mountain in the center of the island, is not really a mountain - it's the belly of a sleeping giant! It's up to Persimmony and her friend Worvil to convince the island's quarreling inhabitants that a giant is sleeping in their midst and must not be awakened. The question is, will she be able to do it?

Pitching to the Pennant - Joseph Wancho
2014-04-01

The 1954 Cleveland Indians were one of the most remarkable baseball teams of all time. Their record for most wins (111) fell only when the baseball schedule expanded, and their winning percentage, an astounding .721, is still unsurpassed in the American League. Though the season ended with a heartbreaking loss to the New York Giants in the World Series, the 1954 team remains a favorite among Cleveland fans and beyond. *Pitching to the Pennant* commemorates the '54 Indians with a biographical sketch of the entire team, from the "Big Three" pitching staff (Mike Garcia and future Hall of Famers Bob Lemon and Early Wynn), through notable players such as Bobby Avila, Bob Feller, Larry Doby, and Al Rosen, to manager Al Lopez, his coaches, and the Indians' broadcast team. There are also stories about Cleveland Stadium and the 1954 All-Star Game (which the team hosted), as well as a season

timeline and a firsthand account of Game One of the World Series at the Polo Grounds. *Pitching to the Pennant* features the superb writing and research of members of the Society for American Baseball Research (SABR), making this book a must for all Indians fans and baseball aficionados.

Confronting the Sacred: Durkheim vindicated through philosophical analysis, ethnography, archaeology, long-range linguistics, and comparative mythology - Wim van Binsbergen
2018-10-09

With *Elementary Forms of Religious Life* (1912) the sociologist Émile Durkheim formulated the most influential social-science theory of religion to date. Pivotal are the paired concepts 'sacred / profane', the notion of 'collective representations', and the hypothesis that through such religious symbols, society compels its members to venerate herself i.e. to submit to

the social as an irreducible instance in its own right. Having grappled with this Durkheimian inheritance for half a century, the anthropologist of religion and intercultural philosopher Wim van Binsbergen in this book traces his own steps in confronting Durkheim's sacred, through theoretical criticism, through ethnographic application (to popular Islam in the segmentary social organisation of the highlands of Northwestern Tunisia), and by state-of-the-art long-range methods of linguistic and comparative mythological analysis. Thus, much to his surprise, he demonstrates the continued validity of Durkheim's insights in religion.

Overcomer - Chris Fabry 2019-07-23

The Official Novelization based on the Overcomer Movie. Contains an inspirational bonus story found only in the e-book edition. Based on the motion picture screenplay by Alex and Stephen Kendrick, Overcomer is one of 2019's best inspirational books. In this sports novel, award-winning author Chris Fabry pens

an inspiring family drama that dares to leave you filled with hope, inspired to dream, and asks the question: What do you allow to define you? Life changes overnight for coach John Harrison when his high school basketball team and state championship dreams are crushed under the weight of unexpected news. When the largest manufacturing plant shuts down and hundreds of families leave their town, John questions how he and his family will face an uncertain future. After reluctantly agreeing to coach cross-country, John and his wife, Amy, meet an aspiring athlete who's pushing her limits on a journey toward discovery. Inspired by the words and prayers of a newfound friend, John becomes the least likely coach helping the least likely runner attempt the impossible in the biggest race of the year. Filled with a powerful mix of faith, a twist of humor, and a ton of heart, Overcomer will resonate with all ages, races and genders. Based on the Overcomer screenplay by Alex and Stephen Kendrick—the creators of

Archaische griechische Tempel und Altägypten - Manfred Bietak 2001

Die diesem Band zugrundeliegende Fragestellung ist, welche Eindrücke die Hellenen, die ab Beginn der 26. Dynastie (nach 664 v. Chr.) nach Ägypten kamen, dort aufgenommen haben und welche Anregungen vielleicht für die nun einsetzenden monumentalen Tempelbauten im archaischen Griechenland verwendet worden sein konnten. Diese Problematik wird sowohl von Seiten der klassischen Archäologie als auch von Ägyptologen erörtert. Fachleute, die selbst an der Ausgrabung archaischer Tempel aktiv tätig sind, referieren über die Tempel von Isthmia, Samos, Olympia und über das Artemision bei Ephesos. Allgemeiner gehaltene Beiträge beschäftigen sich mit den Themen der Giebel

archaischer Tempel, ägyptischen Tempeln mit Umgang, und der Verwendung von Holz in der Dacharchitektur ägyptischer Tempel.

Cinema as Pulpit - J. Ryan Parker 2014-01-10
Sherwood Pictures is the filmmaking ministry of Sherwood Baptist Church in Albany, Georgia, and the leading producer of church-based, independent Christian films. This book situates their work in the history of religion and film in America and shows how they bring to fruition early 20th century Protestant expectations for the use of film in the life of the church and their hopes for a vibrant Christian film industry. Also covered are the handful of churches, inspired by Sherwood, that have taken up their own cameras to create a growing church film movement. This book offers another examination of the relationship between conservative evangelical Protestant Christianity and the wider popular culture.

The Museum of Bioprospecting, Intellectual Property, and the Public Domain - Joseph

Henry Vogel 2011

"The Museum of Bioprospecting, Intellectual Property, and the Public Domain' addresses one of the most heated policy debates of our day: access to genetic resources and the fair and equitable sharing of benefits. Seven scholars - an anthropologist, an economist, a sociologist, and four lawyers - discuss how a museum can flesh out the relevant ethical issues that frustrate any purely technical solution. The visitors to the

proposed museum become a source of considered judgments. Commercial movies are screened and discussion follows about some aspect of bioprospecting, intellectual property, and the public domain, suggested in the films. Both the screenings and discussions occur in small amphitheatres named according to the uneven chronology in the management of information: 100,00 BC to 16 September 1787 (public domain); 17 September 1787 to today's date (intellectual property); and today's date to (?) (legislation sui generis). The three amphitheatres surround a courtyard cafe which is a metaphor for the mission of the museum: conversation. The scholars vet the blueprint before an imaginary octogenarian who is not at all impressed and will "say the damndest things." As this 21st century Don Quixote moseys across the chapters and pokes fun at the scholarly ruminations, the reader begins to understand how the proposed museum is indeed a forum for the nuanced ethics over

bioprospecting, intellectual property, and the public domain. The dialogue-within-a-dialogue is highly original and entertaining"--

You Die When You Die - Angus Watson

2017-06-20

The start of a brand new trilogy ***Epic fantasy from a David Gemmell Award shortlisted author*** ***Watson has 1000s of Goodreads and Amazon ratings*** YOU DIE WHEN YOU DIE . . . You can't change your fate - so throw yourself into battle, because you'll either end the day a hero or drinking mead in the halls of the gods. That's what Finn's people believe. But Finn wants to live. When his settlement is massacred by a hostile nation, Finn plus several friends and rivals must make their escape across a brutal, unfamiliar landscape, and to survive, Finn will fight harder than he's ever fought before. The author of *Age of Iron* returns with *You Die When You Die* - an epic fantasy adventure in which a mismatched group of refugees battle animals and monsters, determined assassins, an

unforgiving land and each other as they cross a continent to fulfil a prophecy. 'I loved every second of it . . . More please, as soon as is humanly possible!' The Eloquent Page 'Hugely entertaining' SFX 'A rip-roaring, swiftly paced adventure set in a sprawling and beautifully detailed world . . . sure to win the devotion of plenty of fans' RT Book Reviews 'The first book in Watson's new fantasy trilogy is raw, violent, and gritty . . . You Die When You Die blurs the lines between hero and villain into who lives and who dies. He who survives another day wins for the moment; tomorrow might be another story' Booklist For more epic action from Angus Watson, check out: *West of West Trilogy* *You Die When You Die* *The Land you Never Leave* *Where Gods Fear to Go* *The Iron Age Trilogy* *Age of Iron* *Clash of Iron* *Reign of Iron* [Fireproof](#) - Alex Kendrick 2011-07-11 *INSIDE BURNING BUILDINGS*, Captain Caleb Holt lives by the firefighter's adage: NEVER LEAVE YOUR PARTNER. Yet at home, in the

cooling embers of his marriage, he lives by his own rules. Growing up, his wife Catherine always dreamed of marrying a loving, brave firefighter . . . just like her father. Now, after seven years of marriage, she wonders when she stopped being "good enough." Countless arguments and anger have them wanting to move on to something with more sparks. As they prepare for divorce, Caleb's father challenges him to commit to a 40-day experiment: "The Love Dare." Wondering if it's even worth the effort, Caleb reluctantly agrees, not realizing how it will change his world forever. Surprised by what he discovers about the meaning of love, Caleb begins to see his wife and marriage as worth fighting for. But is it too late? His job is to rescue others. Now Captain Holt must face his toughest job ever . . . rescuing his wife's heart.
Eye 5 - Sharon D. Blue 2022-05-23

Eye 5: A Journey with Many Paths is really a book about love. It's about love because it encourages people to give grace and space to

imperfections that we all have. It also provides different perspectives about life through anecdotes, opinions and reflections that are silly, serious and relatable to those willing to admit life can be messy.

The Burning Ones - Jerame Nelson 2011-09-20
Burning Ones is a call to action. Christians will

be encouraged and motivated to consider seriously stepping in the role of “burning ones” and “dread champions” to spread the Kingdom of God in the earth. Vivid and detailed descriptions of these champions are given throughout the book, supported with biblical examples and modern-day personal experiences, including real-life healings worldwide. Each of the seven chapters concludes with “Burning Questions” designed to stimulate thought and action, followed by a space for the reader to record “Your Response.” A “Prayer to Get You There” connects the reader with the Lord in a genuine way that caps the vital issues covered in the chapter.

Six Faces - Esteban Bogasi 2013-12-16

Along for the ride is a cowardly Professor of Cypresstechnology®, a quarterback forced into early retirement, and a beautiful and equally mysterious sorceress. But what is an adventure without a few enemies in hot pursuit? Vindictive thieves, assassins, a scary but harmless cult, and above all, magicians of varying levels of friendliness. Dive into Six Faces and discover a world of fantasy and zany humour. An epic saga that combines magic, action, humour, and parody.

Flesh and Spirit Conflict - R. C. Jette 2020-05-01
Christian, as you begin to understand why you seem to be losing battles because of making the wrong choices, you gain wisdom. This wisdom gives you the ability to know how to calm the inner battle, deny your flesh, and choose God's will. Making the right choice between faith and unbelief takes an incredible determination to deny what you want. This can be most agonizing,

but you are the one who chooses to obey God or self. That is the key to living in the promised land or the promises of God. Never forget that you're in a war with an unrelenting enemy who works overtime to get you to yield to your flesh and not the Spirit. Never forget that you face a supernatural enemy who is unyielding in his vendetta to destroy your faith. This life is full of storms, obstacles, demonic strategies, Goliaths, etc. Unless you learn how to win the battle raging within between your flesh and Spirit, you will be overcome by Satan's tactics. This book's intention is to educate God's soldiers on how to overcome the conflict of flesh and Spirit, win the inner battle of choice for the glory of God, and hear, "Well done, thou good and faithful servant!"

A Closer Look - O. Kelley 2020-01-14

About 20 years ago, when I started taking my "walk" very seriously, having realized the gravity of the situation; I was bothered by the fact that so many different doctrines, dogmas, or "views"

were being taught or preached from One Book "" The HOLY BIBLE. It seemed to me that One Book "" The inerrant word of God "" should have only one message. It seemed obvious that many "views" had to be in error. And that's what started me on this quest to find out for myself which views were right and which were wrong. I became, in effect, a "Berean"; one who makes sure "" by studying scripture "" that what is being preached is true or not. Of course there are several other "views" out there deserving of a closer look, but if you have any doubts about what is being preached in your church; do what I did. Take your own closer look

William G. Dever is recognized as the doyen of North American archaeologist-historians who work in the field of the ancient Levant. He is best known as the director of excavations at the site of Gezer but has worked at numerous other sites, and his many students have led dozens of

other expeditions. He has been editor of the Bulletin of the American Schools of Oriental Research, was for many years professor in the influential archaeology program at the University of Arizona, and now in retirement continues actively to write and publish. In this volume, 46 of his colleagues and students contribute essays in his honor, reflecting the broad scope of his interests, particularly in terms of the historical implications of archaeology.

Here Am I, Lord...Send Somebody Else - Jill Briscoe 2004-05-31

Here Am I, Lord...Send Somebody Else is a gentle, yet succinct, prod of encouragement to Christians to move from a life of wimpishness to confidence in Christ. Drawing on the story of Moses and his reluctance to be used by God, Briscoe follows his life and shows what God can ultimately do when He is offered even the most meager of abilities. All God's heroes were very ordinary people--the thing that made the

difference was they had a relationship with an extraordinary God who lived within them. But who doesn't struggle with a "Moses moment" now and then? Discover his secret to get beyond your own feelings of inadequacy. This valuable study, designed for both women and men, also includes "Discovery" and "Discussion" questions for personal growth or group studies.

Endorsement from Anne Graham Lotz: I love Jill Briscoe! Anything she says is worth hearing...anything she writes is worth reading!

Fighter Fugitive King - Fraser Keay
2021-12-03

Drawing on key biblical narratives from the early part of the dramatic life of King David, Fighter Fugitive King highlights David's flaws, and God's grace to him as a developing leader. Threaded throughout is the application of biblical theology. Applicable to the workplace and Christian ministry today, younger men and those mentoring men in spiritual leadership, will find it an inspiring and practical read that points to

another King, one greater than David. Includes reflection questions at the end of each chapter. Commendations “There is a leadership crisis in the world today and this book is a passionate appeal to Christian men to be leaders who lead like Jesus seen through the lens of the life of David. It is clear, theological, challenging and hugely practical. I would recommend this as a disciple making tool for older men to disciple a younger generation.” Guy Miller, Leader of Commission Network of Churches, U.K. “There are many good Bible teachers around. There are also plenty of people who can give wisdom about leadership. What is much more rare is finding somebody who can genuinely unlock the Bible and apply it spiritually and practically to Christian leadership today. Fraser Key is one such person! In this book his passion and experience for developing younger leaders shines through, but it shines through the biblical lens of the life of David and then onto Christ. If you want a book full of trendy leadership clichés

then this isn't for you, but if you want to grow as a leader and develop leaders yourself, and want to do so trusting God and relying on Jesus, then read on! I've spent much time in my Christian ministry working with younger leaders, and my only criticism of this book is that Fraser didn't write it 30 years ago - my investment into younger leaders would've been so much stronger if he had!” Rev. Nigel James, pastor in the Elim Pentecostal Church Movement, based in Cardiff, Wales, U.K. and working in the USA with the Awakening Foundation and around the world in various mission partnerships.

Facing Goliath - J. P. Jones 2013-05-17

Overcome giants and experience a life-changing relationship with Jesus Christ. When it comes to their spiritual journey, many men feel defeated. Hindered by 'giants' they stand motionless feeling like wimps instead of warriors. Whether they feel intimidated, unmotivated, or just downright out of touch with what it means to pursue a relationship with God, Facing Goliath offers help to every man who wants to overcome his giants and experience a life-changing relationship with Jesus Christ. Addressing topics like intellectual doubt, fear, pride, and selfishness, men will find practical steps to discovering the answers to questions, of faith,

salvation, and spiritual growth. This discipleship game plan will help men learn Christian essentials in a way that appeals to those who are seeking what it means to be a follower of Jesus and those who have already found Jesus and want to grow.

Facing Your Giants - Max Lucado 2013-04-29

You know your Goliath. You recognize his walk, the thunder of his voice. He taunts you with bills you can't pay, people you can't please, habits you can't break, failures you can't forget, and a future you can't face. But just like David, you can face your giant, even if you aren't the strongest, the smartest, the best equipped, of the holiest. David. You could read his story and wonder what God saw in him. His life has little to offer the unstained, straight-A saint. He fell as often as he stood, stumbled as often as he conquered. But for those who know the sound of Goliath, David gives this reminder: Focus on giants -- you stumble; focus on God -- your giants tumble. If you're ready to face your giants, let his story

inspire you. The same God who helped him will help you.

Sleeping Giants - Sylvain Neuvel 2016-04-26

A page-turning debut in the tradition of Michael Crichton, *World War Z*, and *The Martian*, *Sleeping Giants* is a thriller fueled by an earthshaking mystery—and a fight to control a gargantuan power. A girl named Rose is riding her new bike near her home in Deadwood, South Dakota, when she falls through the earth. She

wakes up at the bottom of a square hole, its walls glowing with intricate carvings. But the firemen who come to save her peer down upon something even stranger: a little girl in the palm of a giant metal hand. Seventeen years later, the mystery of the bizarre artifact remains unsolved—its origins, architects, and purpose unknown. Its carbon dating defies belief; military reports are redacted; theories are floated, then rejected. But some can never stop searching for answers. Rose Franklin is now a highly trained physicist leading a top secret team to crack the hand's code. And along with her colleagues, she is being interviewed by a nameless interrogator whose power and purview are as enigmatic as the provenance of the relic. What's clear is that Rose and her compatriots are on the edge of unraveling history's most perplexing discovery—and figuring out what it portends for humanity. But once the pieces of the puzzle are in place, will the result prove to be an instrument of lasting peace or a weapon of

mass destruction? Praise for *Sleeping Giants* “As high-concept as it is, *Sleeping Giants* is a thriller through and through. . . . One of the most promising series kickoffs in recent memory, [and] a smart demonstration of how science fiction can honor its traditions and reverse-engineer them at the same time.”—NPR “Neuvel weaves a complex tapestry with ancient machinery buried in the Earth, shadow governments, and geopolitical conflicts. But the most surprising thing about the book may just be how compelling the central characters are in the midst of these larger-than-life concepts. . . . I can’t stop thinking about it.”—Chicago Review of Books “A remarkable debut . . . Reminiscent of Max Brooks’s *World War Z*, the story’s format effectively builds suspense.”—Library Journal (debut of the month) “This stellar debut novel . . . masterfully blends together elements of sci-fi, political thriller and apocalyptic fiction. . . . A page-turner of the highest order.”—Kirkus Reviews (starred review) Don’t miss any of The

Slaying the Giants in Your Life - David Jeremiah 2009-06-21

Giants plague today's church and while they may not wield spears and shields, they are fearsome, causing far too many of God's children to stumble in their walks. In *Slaying the Giants in Your Life*, Dr. David Jeremiah challenges us to stand valiantly against the giants that seek to terrorize today's believers. Dr. Jeremiah weaves gripping real-life stories of contemporary giant

slayers who came face-to-face with their own Goliaths: temptation, doubt, procrastination, and jealousy. In each, you will discover afresh the

eternal unwavering promise of God to overcome those giants.
