When a vicious serial-killer comes looking for John 'Wolf' Trotter and his biker brothers, she has more than torture and death in mind. This time, she's backed up by a well-trained paramilitary band of disciples fueled by their own hatred. Wolf, a writer named for his passion for riding the back roads as a lone-wolf biker, has a troubled past. It started when he and his friends brought a killer for hire's career to a sudden end. Blondie, the dead assassin's unique and illusive partner, has devised a plan that will destroy the fragile trust among motorcycle clubs, the police, and the public that has taken decades to build. When Wolf and his buddies try to lure this devious chameleon out, bodies begin to pile up in apparently unrelated incidents. While the authorities spin their wheels, Wolf and his brothers devise their own risky plan. Will it derail the growing national threat before it sparks a bloody conflict that could be impossible to stop and almost certain to get them killed? Delivering more than just suspense and excitement, Lone Wolf's Run is an innovative hybrid thriller that skillfully incorporates safety advice and actual unique destinations into the plot-map included. "Lone Wolf's Run put me on my motorcycle ...
